Hurricane Matthew Update

The Palm Coast team has gone above and beyond this week with an amazing response to Hurricane Matthew, with literally every City department getting involved. The storm hit Oct. 7, and our employees and contractors have been working around the clock since – restoring normal wastewater operations for residents, clearing roadways so that FPL could get the power back on, cleaning up parks and trails, answering customers' questions, assessing the damage, coordinating with Flagler Emergency Services at the EOC, expediting permitting with fee waivers, communicating important information to citizens, and starting the long process for debris removal.

The devastation to Flagler Beach and other parts of the barrier island is significant. In Palm Coast, the majority of the damage was roof damage caused by fallen trees, as well as damage to fences, screened enclosures, sheds and docks. Some public facilities sustained minor damage; tree removal is still under way on the course at Palm Harbor Golf Club. Our other parks and City facilities are open, and the number of calls to Customer Service is decreasing daily. Power has been restored to homes and businesses. We are well on our way to recovery!

The big push now is debris removal. We are working seven days a week with both Waste Pro and another contractor, as well as City crews. Residents should put out their debris and trash in separate piles: tree branches and other plant material in one pile; construction/demolition materials such as fences and shingles in a second pile; bagged yard debris in a third pile; and normal garbage in your regular trash cans. If you get it to the curb, we will pick it up as soon as possible. We are asking for your patience – the cleanup and debris removal is going to take weeks. We are committed to restoring Palm Coast to its usual beauty.

Thank you to our dedicated City employees and to our residents for all you've done to help your neighbors during this very trying week in Palm Coast's history.

Animals ready for homes

The Flagler Humane Society loves working with area rescues and animal rescue organizations. The goal of these agencies and organizations are all the same – to find forever homes for homeless animals. FHS always recommends that you visit the rescue prior to adopting from them. You want to make sure to see where the animal was kept and the conditions that it was kept in. Some rescues do not keep their facilities in tip top shape which may result in your pet becoming sick. If an organization will not let you see the facility then you should question the adoption.

Donation Opportunities: The *Flagler Humane Society Thrift Store* always accepts donations. They cannot take in any computers/printers or large appliances at this time. Call 386-597-2839 and leave a message.

“*Doghouse Donation Boxes*” are found at all the fire stations in Flagler County. You can drop off donations anytime at your nearest fire station. FHS appreciates all donations, especially those from our Wish List (available at flaglerhumanesociety.org/wish-list). You can also purchase items via the Amazon.com link on the FHS website and ship them directly to the shelter.

Outreach Adoption Events: Don't forget that FHS have volunteers and adoptable pets at the Farmer's Market in Flagler Beach every Friday and at PetSmart in Palm Coast every Saturday and Sunday.

Interested in becoming a volunteer? Attend at volunteer orientation that are held at noon in the Humane Society education room every second Saturday of the month. We would love to see you there!

Interested in helping at Outreach Adoption Events? Join the SPOT Team and help to find homeless animals loving homes. If interested, email kshare@flaglerhumanesociety.org.

Adoption Specials: See the FHS Facebook and Website for Upcoming Adoption Specials.

Upcoming Fundraisers/Events: You can now register for the next “Paint your Pet” Yappy Hour hosted by FHS on November 10th from 6 pm to 9 pm! You must register by October 17th to secure your seat.

Save the Date for our upcoming October Yappy Hour at Highjackers. See our Facebook for more information on the event.

Public Announcements: The Flagler Humane Society has a variety of *Subsidized Spay & Neuter Programs* for members of the community that need to have their pets or community pets sterilized. Please call FHS at 386-445-1814, email info@flaglerhumanesociety.org for questions.

FHS has a *Wellness Clinic* for minor veterinary issues. Call 386-445-1814 for Appointments. *Low Cost Vaccination Clinics* will still be held on the 1st and 3rd Saturdays of every month from 1pm-3pm. No appointments are necessary for the Low Cost Vaccination Clinics.

FHS also offers a “*Pet Food Pantry*” for those that are in need of assistance. Please call for more information.

To keep up with Flagler Humane Society happenings – visit us on the FHS Facebook/Twitter, our website at www.flaglerhumanesociety.org, or via email at info@flaglerhumanesociety.org.

Pet of the Week

ROYAL

Royal is a beautiful 6 month old neutered male domestic medium hair. He is great with other cats. He is already up to date on all his vaccinations and is microchipped. He is waiting on a loving home with lots of toys to play with. He would love to call you his new parents. Come and meet this awesome boy today.

Re: Week in Review

In the past week, the department responded to a total of 317 calls. There were eight fire calls. We responded to four brush/grass fires, two vehicle fires, one cooking fire, and one waste fire. A total of 130 EMS calls were logged and the balance was miscellaneous in nature. The drought index is at 254 out of a possible 800 and the fire danger is low.

The events for Hurricane Matthew began early in the prior week with preparation and scheduling. Thursday, the department staffed up personnel and had the Friday crew in 12 hours early to receive the storm. Once the winds reached 45 Mph, the City staff accepted personnel from Flagler Beach station 11 and Hammock County Station 41. As the storm approached, the crews made one final sweep of the area while the ambulances in the county were still operational. Fire Marshall, Lt. Pattee, with help from Business Tax Supervisor, Jay Maher, worked in the County EOC ensuring communications remained for anything we may need to get through the storm.

When the storm passed, fire crews, in conjunction with Public Works Streets, worked through the night to be sure the roads had the ability to be passable if a fire or medical call required service. Saturday morning, the disaster response was turned over to Stephen Flanagan, director of Community Development. His team from Building and Code, Planning and Storm water and Engineering performed damage assessment.

A big thank you to all of the Departments for their hard work and dedication throughout this event. We have received numerous praises over the phone and in person for how quickly and professionally everyone responded after the storm. This is what makes the City of Palm Coast a great place to reside and work!

Re: Week in Review

For the next few weeks the FZ pool will be accommodating the Flagler County STEM Academy. They are scheduled for Tuesday, Wednesday, and Thursday. We have 22 kids, plus one teacher. Majority of the students are from Wadsworth Elementary this week on October 10th- October 12th.

Staff have been teaching students Water Safety, Learning to swim, and Lifeguarding Skills. We will continue over the next few weeks in improving their swimming skills. It is our goal for Schools to use the pool as one of their PE classes in the future and this small program is a great stepping stone towards our goal.

Upcoming events and programs

Oct. 12, 2016

Palm Coast parks begin to open and other updates for Wednesday, Oct. 12

Palm Coast – Many City of Palm Coast parks and recreational facilities opened Wednesday, including the Palm Harbor Golf Club driving range, practice facilities, clubhouse and Canfield's restaurant; the Palm Coast Tennis Center; Frieda Zamba Swimming Pool; and athletic fields and playgrounds at Indian Trails Sports Complex, Belle Terre Park, and Ralph Carter Park.

All programs at the Palm Coast Community Center are up and running. Movies in the Park will be held as planned at 7:15 p.m. Friday, featuring "Hotel Transylvania 2" (PG) on the giant outdoor movie screen at Central Park in Town Center, 975 Central Ave., Palm Coast. More than 20 food trucks plan to participate in Food Truck Tuesdays on Tuesday, along Park Street next to Central Park.

The Pumpkin Shootout Lacrosse Tournament will be played this weekend at Indian Trails Sports Complex. Spectators are invited to come out for this fall family classic hosted by Team Florida Lacrosse.

Cleanup has been under way all week at City parks and trails. Some pathways remain inaccessible due to safety concerns from fallen trees and debris.

Other updates from Wednesday:

Debris removal ongoing – To expedite debris removal from residences, the City asks residents to help by separating everything at the curb into the following categories:

- Vegetative Debris – leaves, logs, plants, tree branches, etc.
- Construction & Demolition Debris – building materials, asphalt shingles, drywall, lumber, metal, plastics, etc.
- Normal Household Trash – Normal household trash and bagged debris of any kind will not be picked up with debris as part of this program. You should continue to follow your normal garbage and yard trash schedule for normal garbage and bagged storm debris.

Because of the volume, Waste Pro did not anticipate being able to pick up all bagged debris on Wednesday. Simply leave the bags at curbside, and they will be picked up in the next cycle next Wednesday.

Likewise, the contractor picking up loose debris will have to make several passes through Palm Coast to pick up all debris. This process is expected to take several weeks.

Wastewater System recovery – The City of Palm Coast’s wastewater collection system is finally almost back to normal! By Wednesday morning, all pump stations had power and were pumped down. Tank trunks are still pumping out the remaining PEP (Pretreatment Effluent Pumping System) tanks without power. Any remaining issues will be fully resolved once power is fully restored.

If you have a PEP tank and still don’t have power, limit your use of water. If you begin to experience sewage not going down from your toilets or sink or showing up in your shower or tub, immediately stop all use of water. Call Customer Service at 386-986-2360 to report that you have a sewer backup. A City crew will respond to empty your PEP tank. Due to the volume of calls, the City can only pump down each PEP tank once a day, so remember to limit your use of water going down the drain.

If you have a PEP tank, when your power comes back on, the pep tank alarm may go off. To silence the ring, there's a re-set button on the side panel located on the side of your house. Continue to limit the use of water for the next 24 or so hours to give your PEP tank time to pump down and return to normal operation. If the alarm did ring, the City recommends you report that to Customer Service at 386-986-2360.

Questions? – Citizens can call Customer Service at 386-986-2360 for issues related to water and sewer, streets, drainage and trash pickup. Citizens can call the Building Division at 386-986-3780 for questions about permitting or to ensure the contractor they’re hiring has the right license.

The City website – www.palmcoastgov.com – has valuable information about resources available to the public, as well as safety tips to help our community remain safe during the cleanup process.

For more information, contact Cindi Lane, Communications and Marketing Manager, at 386-986-3708 and clane@palmcoastgov.com.

Support Dolly Parton Imagination Library at Food Truck Tuesdays on Oct. 18

Palm Coast – Come out for Palm Coast’s Food Truck Tuesday from 5-8 p.m. Oct. 18, and support the Dolly Parton Imagination Library, which provides free books each month to preschoolers in Flagler County.

Food Truck Tuesdays are held on the third Tuesday of each month, along Park Street next to Central Park in Town Center. The address of Central Park is 975 Central Ave., Palm Coast.

Each Food Truck event features free entertainment and about a dozen food trucks – mobile kitchens, canteens and catering trucks that offer up gourmet foods including appetizers, main dishes, side dishes and desserts. Many menus are kid-friendly. Live music will be provided as the free entertainment this month!

Proceeds this month will go to the Dolly Parton Imagination Library Flagler County. This national program was started locally by the Flagler County Chamber of Commerce Leadership Flagler Class 18, and continues to be administered by the Chamber Foundation. The program puts books in the hands of every young child in our community to read and keep for their very own. Children enrolled receive a new, age-appropriate, high-quality book sent to their home every month – at no cost to their families.

The Dolly Parton Imagination Library is operated completely on donations and costs about \$2,400 per month. There are currently 1,150 children in Flagler County enrolled, including 975 in Palm Coast, 105 in Bunnell and 70 in Flagler Beach.

The food trucks signed up for October include: Café Rouge, Ritter’s Frozen Custard, My Cousin Vinny, The Garbage Can, Caketeer, Personal Chef, Woodson’s Wrap Shack, Arrested Appetite, Big Kahuna Kettle Corn, Kona Ice of Flagler County, The Good Food Truck, Bruster’s/Nathan’s, Magic4urPlate, Monsta Lobsta, London Fish & Chippy, It’s All Greek to Me, El Cubanito Subs, Flaming Pizza, El Cubanito Subs, Snowie Bus, and Barnwood Bar-B-Que.

Food Truck Tuesdays is presented by the City of Palm Coast Parks & Recreation Department. For more information, call 386-986-2323 or visit www.palmcoastgov.com/foodtruck.

Come to Palm Coast Halloween Boo Bash (Oct. 21) & Hall of Terror (Oct. 29-31)

Palm Coast – Are you ready for Halloween fun?! The City of Palm Coast is planning two events for the holiday – the Halloween Boo Bash on Friday, Oct. 21, and the Hall of Terror from Saturday through Monday, Oct. 29-31.

Halloween Boo Bash offers games, costume contest, Oct. 21

The City of Palm Coast and Wadsworth Elementary School present the annual Halloween Boo Bash, a family-friendly event for all ages, from 5-8 p.m. Friday, Oct. 21, at Belle Terre Park, 339 Parkview Drive, Palm Coast.

All are encouraged to come in costume and enjoy activities including a costume contest, bounce houses, music and games with a DJ, carnival games, food, candy and lots of fun! The annual costume contest will begin at 6 p.m., with registration being held 5-5:45 p.m.

Admission is free. Tickets for carnival games are \$1, and an unlimited Bounce House wristband will be \$5. Food and beverages will be available for purchase.

Halloween Boo Bash is a fun and safe Halloween option. For more information, contact Palm Coast Parks & Recreation at 386-986-2323.

It's your worst 'Nightmare' at Hall of Terror, Oct. 29-31

Never sleep again! The Palm Coast Fire Department invites everyone to come celebrate 15 years of fear by witnessing your worst nightmares come to life! The 15th annual Hall of Terror will be held on three straight nights, Saturday through Monday, Oct. 29-31. Admission is free.

Doors creak open at Fire Station 21, 9 Corporate Drive, Palm Coast, from 7-9 p.m. Saturday, Oct. 29; 7-10 p.m. Sunday, Oct. 30; and 7-11 p.m. Monday, Oct. 31. This haunted house and show, with volunteer characters (many of whom are firefighters and other City employees), is recommended for ages 12 and older. No young children, please.

The Hall of Terror is the longest-running Halloween attraction in the area, and this year it's full of all the things that keep you up at night! Enjoy theme-park quality scare that are absolutely free.

For more information, call the Fire Department at 386-986-2300.
