SUBJECT: TURNING ONTO BULLDOG DRIVE

We have received complaints about buses entering Bulldog Drive from Transportation Way. Please treat this like any other intersection. When leaving the compound, there is a stop sign on Transportation Way at Bulldog Drive. **You must come to a complete stop.** One of the citizens that called is considering asking for police patrols. If they observe a vehicle rolling through stop sign, you will receive a ticket.

If turning right and you intend to swing wide, it is your responsibility to ensure no one is in the oncoming lane. Drivers heading north on Bulldog Drive have the right of way.

If turning left on Bulldog, you must ensure that you are not cutting off traffic heading north on Bulldog Drive. Also, be aware of traffic turning into Transportation Way. In both these situations, those vehicles have the right of way.

Please ensure you are always following traffic laws and regulations. If you have any questions about this, please feel free to contact me.

Thank you in the interest of safety.
