V-1 and W-1 reported that V-1's mother S-1 Debbie Olson had struck V-1 with the front door causing a red mark on her hip. It was determined that V-1 has multiple bruises and injuries from being the victim of a separate battery by her domestic partner in North Carolina recently and now her mother has custody of her kids. S-1 was interviewed and denied any physical altercation but stated V-1 actually bumped into the doorjamb as she left and shouted that she was calling the police.
