Wadsworth Elementary School would like to extend a deep appreciation to these businesses and community organizations for participation in this year’s ECO SWAG. We would also like to recognize The **Flagler Education Foundation** and the **Flagler County Service Learning Program** for their assistance in and support of this project. I would like to thank Robin Dupont, John Fanelli and Fred Terry, our WES Administration and I extend a never-ending gratitude to the tireless efforts of the WES teachers and staff. Ms. Ursula Carroll and her cafeteria staff were amazing collecting re-usable items and always joyfully assisting us in our projects. We greatly value the work of Mrs. Perry and the Flagler Palm Coast High School’s National Honor Society and Student Government Volunteers. Accolades to our wonderful “Misses’ of Ceremony” Karsyn Bembry, Kaitlyn Sanson, Autumn Sanson and Madison Scarcella. It is a pleasure, especially during Volunteer Appreciation Week, to thank Ms. Mary Mayo for her help in our classroom . I am grateful to Dr. Kushner for his benefit concert that will broaden the lives of all who attend. Please forgive me if I have left anyone off the program. You are all important to Wadsworth Elementary School and me. Every student in our school had a part in this program and I want to say, “Job well done; I am so proud of what you accomplished. You are the world, the hope, the promise and the future! Thank you WES STUDENTS!” Mrs. Sanson

\*(Thank you to my loving family and friends who see me through all my endeavors for education and humanity. vs)
