Monitor, Evaluate, Adapt

New College of Florida

COVID-19 Virus Testing

Baseline Testing

- 100% tested before returning to campus

Ongoing Random Testing

- 10% of the community tested each week

Targeted Testing

- Isolate and test symptomatic individuals
- Immediate College response

Personal Testing

- Daily self-test
- Temperature checks in highly-trafficked areas

Monitor, Evaluate, Adapt

Assist Department of Health & Local County Health Departments

- Work with USF to provide information to county health departments that is useful for tracing efforts
- With USF, work with the Sarasota County Department of Health to provide contact tracing
- Use a screening tool for quick, effective response to significant increases in infections or hospitalization rates
- 10+ COVID positive students in quarantine at the same time = return to tighter restrictions

Isolate and Protect Infected Individuals

- Rooms reserved for isolating up to 14 students

Continue the Education of Isolated Students

- Technology and support

Monitor, Evaluate, Adapt

Teaching & Learning

- Flexibility – remote + in-person options
- Professional development
- SACSCOC substantive change application

Educational Space

- Classroom capacity – social distancing
- Identifying additional learning space options
- Risk mitigation guidelines

Academic Calendar & Scheduling

- In-person instruction ends before Thanksgiving
- Reduced the length of Fall break

Career Services

- Remote and in-person services

Library

- Shift usage, hours, and spaces
- Restrict non-NCF and non-USF usage

Monitor, Evaluate, Adapt
