Dear Judge Stens,

My name is Alexis Monique Wells, I am writing this letter in regards to my brother Phillip Haire Jr. on the charge of criminal mischief. There was a no-contact order placed against Phillip Haire Jr. Phillip and I are currently residing with our parents at 11 London dr; and with the no contact order in place ~~we~~ <sup>we</sup> are having trouble finding places to stay. I don't feel unsafe with my brother being around, it was just an argument that was taking too far. Before any of this happened I was in the process of ~~finding a~~ <sup>finding a</sup> ~~place~~ place and moving out. When my brother is around, paying for a hotel is putting a strain on me financially as I am trying to ~~save~~ save up for a place for me and my daughter.

Therefore, I am requesting the removal of the no contact order, me and my daughter  are not in danger.

Sincerely, Alexis Wells
