

Letter of Introduction

My name is David Wilhite, I understand the Commission may be appointing a City Commission member to serve until the next election. I would like to be considered for the position. Bunnell is a great place to live and I do not want to see changes to the small town lifestyle we enjoy.

I believe my past experience qualifies me for the position.

Served on the board of directors for a rural water association in Texas.

I owned and operated a mobile tool sales truck. Responsible for all aspects of the business.

Worked in the electrical distribution field as an operator.

Ran all types of equipment for underground and overhead construction.

Worked in the telecom industry as a foreman installing underground fiber optic cable for Qwest Communications.

Worked in the Qwest Communications corporate office overseeing operations in various locations in the US.

Managed building fiber optic route from Jacksonville to Miami and Titusville to Orlando for Mastec Inc, Long Haul Division, with my offices located in Bunnell FL and West Palm Beach FL.

Responsibilities included:

Hiring employees (150).

Coordinating with landowner and other telecom carriers.

Material inventory control including ordering and securing storage yards.

Equipment acquisition.

All aspects of production and reporting to corporate management.

Advanced to Vice President of Mastec inc, Long Haul Division,

Responsible for:

Land lease/purchase negotiation.

Project engineering.

Permitting on Local State and Federal levels.

Overseeing construction managers on various jobs with 700 employees in the US.

The telecom crash of 2000-2001 did away with the Long Haul Division of Mastec Inc. Bunnell was a place I really liked so I came back and started over.

Worked for Kinney Brothers in the land clearing business.

Worked in the underground industry as manager of new business development for a company located in Bunnell FL.

Worked for a NY based land development company.

Responsible for land acquisition and development in Palm Coast FL.

I received my State Certified builders License (CBC 1255023) and built several homes in Palm Coast for the NY group.

State licensed Realtor (SL 3222666).

I have been self employed as a Builder and Realtor for the last several years living in Flagler County FL. I now consider myself semi-retired limiting the number of projects I have going at a time.

Thank you for your consideration.
