To the Bunnell City Commission,

My name is Nealon Joseph and I am writing to you today requesting you consider me for appointment to the Bunnell City Commission. I am a 3 years resident of the City of Bunnell and believe I am an excellent choice to temporarily fill in as a City Commissioner until the election in 2022. Since the age of 14, I have dedicated my life to public service and I hope to continue my work as a public servant to the people of Bunnell by serving on the City Commission.

In high school I was a part of several mission trips across America to help rebuild and repair homes of our country's most vulnerable population. Upon graduation, at the age of 17, I enlisted in the United States Air Force where I served for 10 years. During my career in the Air Force, I served as Security Forces Member; a blend of law enforcement, security and infantry career fields. After separating from the Air Force I completed two bachelor degree programs while simultaneously running my own security business. I am currently employed as an Emergency Management Planner for Flagler County where I have spearheaded the health and wellness of our residents through Covid-19 and major weather events.

Today, as I ask for your consideration, I would like to share my goals to bring into the Commission should I be selected:

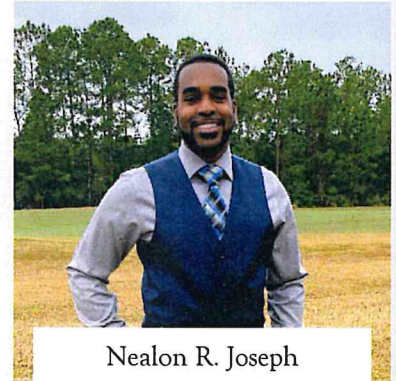

- Promote transparency
 - Earn and keep the trust of Bunnell residents through continued truthful and open dialogue
- Promote a strategic plan
 - It is paramount this Commission further develop plans and strategies to prepare Bunnell for the changing landscape to better provide for our residents
- Promote teamwork
 - Foster healthy and strong bonds with our sister cities and the County Administration for the benefit of all residents

I sincerely thank you for your time. Please contact me if you have any questions. You will also find my resume attached. Again, thank you,

Nealon R. Joseph
