Total – All Millage Levies	<hr/> 8.4847 mills	<hr/> 8.4462 mills	<hr/> \$ 101,698,102

The General Fund millage rate of 8.0297 mills will generate a total of \$96,683,153 (@ 95%), which is an increase of \$14,833,858 or 18.12% from the amount of property tax revenue included in the Adopted Fiscal Year 2021-22 Budget. The Environmentally Sensitive Land (ESL) operating millage of 0.1250 will generate a total of \$1,505,087 (@ 95%), which is an increase of \$230,922 or 18.12% from the amount of property tax revenue included in the Adopted Fiscal Year 2021-22 Budget. The total operating millage rate of 8.1547 mills is 13.79% above the rolled back rate of 7.1663 mills and when added to the voter approved millage for debt service, the total millage rate of 8.4462 represents a decrease of 0.0385 mills from fiscal year 2021-22.

A Voter Approved Referendum of up to 0.2500 mills has been dedicated for the purchase of and debt service on Environmentally Sensitive Lands (ESLs). The voted millage rate needed for ESL debt is 0.1250. The remaining 0.1250 mills for FY 2022-23 will support operations and maintenance for ESL properties.

The 2015 General Obligation Refunding Bond millage rate is for debt issued to construct the Judicial Center. Originally issued in 2005, this debt was refinanced during 2015 saving interest over the remaining life of the Bonds. The necessary millage rate to pay the related Debt Service of 0.1665 for FY 2022-23 is a decrease of 0.0385 mills from fiscal year 2021-22.

**FLAGLER COUNTY BOARD OF COUNTY COMMISSIONERS
SPECIAL MEETING ITEM 5**

SUBJECT: Consideration of intent to Levy Fiscal Year 2022-23 Assessment Rates for the Daytona North Service District, the Bimini Gardens Municipal Service Benefit Unit, the Espanola Special Service District, the Rima Ridge Special Service District, Flagler Estates MSTU, North Malacompra Drainage Basin District, Marineland Acres Drainage Basin District, and the Flagler County Mandatory Solid Waste Collection and Disposal Special Assessment District, and the Painters Hill Seawall Special Assessment District.

DATE OF MEETING: July 11, 2022

OVERVIEW/SUMMARY: As a part of the County Administrator's Transparency Initiative, staff is presenting the Proposed Special Assessment Rates, approximately 2 months earlier than they have traditionally been provided.

The Daytona North Service District was originally created on December 29, 1983 for the purpose of maintenance and paving of roadways. The proposed fiscal year 2022-23 assessment rate of \$0.58 per front foot of benefitted property has remained constant since fiscal year 1992-93.

The Bimini Gardens Municipal Service Benefit Unit was created, pursuant to Flagler County Ordinance 99-91 on December 20, 1999, for road projects and services. Since fiscal year 1992-93, the assessment rate has remained constant at \$0.58 per front foot of benefitted property.

On February 28, 2002, the Board of County Commissioners approved the creation of Espanola Special Assessment District for the purpose of providing mosquito control services. The proposed fiscal year 2022-23 assessment rate of \$11.76 per special assessment unit has remained constant.

On February 28, 2002, the Board of County Commissioners approved the creation of Rima Ridge Special Assessment District for the purpose of providing mosquito control services. The proposed fiscal year 2022-23 assessment rate of \$14.62 per special assessment unit has remained constant.

On August 15, 2005, the Board established the Flagler Estates Municipal Service Taxing Unit (MSTU). Services to be provided include fire protection, law enforcement, recreation services, facilities, water, alternate water supplies, sidewalks, streets, street lighting, garbage, transportation, emergency services, and indigent health care and other essential governmental purposes. At this time, an associated budget has not been established. Accordingly, no non-ad valorem assessment is contemplated for the Flagler Estates MSTU.

The Flagler County Mandatory Solid Waste Collection and Disposal Special Assessment District was created pursuant to the provisions of Flagler County Ordinance Number 07-08, dated July 9, 2007. The stated purpose of this district "is to assure that all solid waste generated and accumulated within Flagler County shall be collected, removed and disposed of by an authorized collector, except as otherwise provided herein, in a proper, sanitary and efficient manner, to eliminate illegal dumping within the county, to provide an effective method of collecting the special assessment charges provided herein, and to promote the general health, safety and welfare of the citizens of Flagler County, Florida". Special assessments were imposed against benefitted properties in this district for the first time in fiscal year 2007-08. The special assessment in fiscal year 2022-23 is \$300.00. This increase is the maximum allowed under the originating Ordinance Number 07-08 and is required due to changes in the contractual rates with the waste hauler.

On September 12, 2016, the Board of County Commissioners established the North Malacompra Drainage Basin District and the Marineland Acres Drainage Basin District for improvements and maintenance of a stormwater master plan and drainage system to mitigate flooding and pollution from the basin area. The initial rates for the North Malacompra District were \$30/parcel in FY 2016-17, 2018-19, 2019-20, 2020-21, 2021-22, and will remain the same for FY 2022-23. The initial rates for the Marineland Acres District were \$435/parcel for developed property and \$220/parcel for undeveloped property in FY 2016-17, FY 2018-19, FY 2019-20, FY 2020-21, FY 2021-22 and will remain the same in FY 2022-23 as well.

On December 20, 2017, the Board of County Commissioners established the Painters Hill Seawall Special Assessment District that will allow the County to construct a seawall that will run 21 consecutive lots (2 of which have existing seawalls and will not be assessed). The seawall will serve a paramount public purpose in protecting homes and State Road A1A in Painters Hill, as well as the beach itself from the risk of collapsing homes. The rate for FY 22-23 is \$116.28 per lineal front foot.

FUNDING INFORMATION: Special Assessment Revenues generated from the non-ad valorem assessments contemplated in this agenda item have been included within the appropriate funds in the Tentative Fiscal Year 2022-23 Budget. These rates will return before the board as part of the 1st Public Hearing in September.

DEPARTMENT CONTACT: E. John Brower, Finance Director (386) 313-4036
