S.M.A.R.T. PROGRAM

Thanks to a grant from the Bureau of Justice Assistance Criminal Justice Mental Health Collaboration Program, the Flagler County Sheriff's Office (FCSO) received a \$530,000 grant to fund an in-custody treatment program for inmates in its detention facility in Bunnell. The FCSO is one of only three Sheriff's Offices across the country to receive this funding.

As a result, Sheriff Staly launched a new evidence based in-custody treatment program in 2022 to help local inmates succeed once they are released back into Flagler County. Sheriff Staly dubbed his jail program, "S.M.A.R.T.," for **S**uccessful **M**ental **H**ealth and **A**ddiction **R**ecovery **T**reatment.

Since the program's inception in May 2022, 203 inmates have graduated from SMART and have returned to the community. 109 of them – or 54% – have stayed on the path to successful recovery.

CRASH
Collision Reduction And Safe Highways
Sheriff Rick Staly

The Flagler County Sheriff's Office (FCSO), the Florida Highway Patrol (FHP), the Flagler Beach Police Department (FBPD), and the Bunnell Police Department (BPD) are coordinating enforcement efforts that will focus on distracted driving, speeding and intersection violations. High visibility, together with education and strict enforcement, will be paramount to achieve the mission of reducing crashes within Flagler County. The goal of this once-monthly operation is to enhance the safety of all motorists on Flagler County roadways.

Teen Driver Challenge

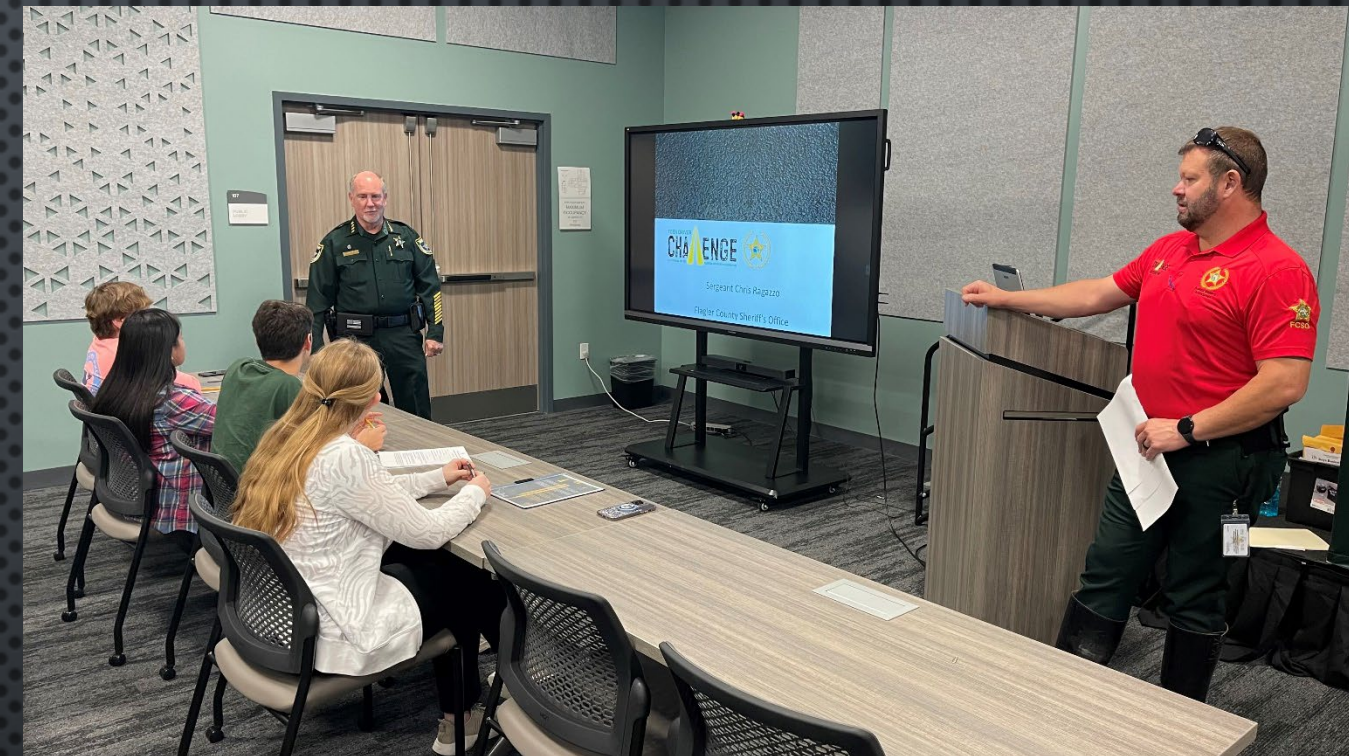

The Flagler County Sheriff's Office (FCSO) unveils a new program designed to educate teenagers at no cost to them about being safe while behind the wheel of a car.

One sworn instructor and five sworn trainers are now certified in the Florida Sheriffs Association (FSA) Teen Driver Challenge, a defensive driving program created to address common safety issues among teen drivers. Those include speeding, driving under the influence of alcohol or drugs, texting while driving and distracted driving.
