Flagler Schools  
1769 East Moody Blvd., Bldg. #2  
Bunnell, FL 32110

Dear Board Members,

Please accept this letter as official notification of my desire to be considered for the Superintendent of Schools position with Flagler Schools. Having lived in Palm Coast for the past five and a half years, I am very much aware of the tremendous focus on student achievement in Flagler County. With my extensive instructional background, track record of improvement, and compatible philosophy of learning, I believe I am a strong candidate for expanding the vision of becoming the nation's premier learning organization.

As a veteran educator of 35 years, I have served three decades in various leadership roles and have been directly involved in every aspect of a school district from curriculum development to student services to strategic planning to safety. I have experience at every school level and am extremely knowledgeable of daily school operations from Pre-K through high school. As a former superintendent, I am skilled at system-wide operations as well.

My diverse experiences have prepared me to be a contributing member of Flagler Schools. I welcome the opportunity to be considered as superintendent of an organization with such high educational standards. I am convinced that, together, we can continue to empower Flagler County students to reach their full potential and develop into ethical, responsible, and productive citizens who are socially responsible and possess the skills necessary for reaching their maximum potential.

Thank you for considering me as a candidate. I look forward to the opportunity of meeting with you to further discuss this position.

Sincerely,

Curtis Daniel Ellis

January 26, 2020

Dear Flagler Schools:

I am writing this letter to highly recommend Mr. Curtis Daniel Ellis for the Superintendent's vacancy for Flagler Schools. As a 22 year educational veteran, I can honestly state that Mr. Ellis is one of the most efficient educators and leaders with which I have had the opportunity to encounter. As Superintendent of Calhoun County Schools, Mr. Ellis employed me as the high school principal. As a school superintendent, Mr. Ellis was instrumental in his efforts to supply our students and staff with relevant instructional resources.

Furthermore, Mr. Ellis initiated the development of the construction plans for the new K-12 Calhoun County Schools. Under the tutelage of Mr. Ellis' leadership, I grasped the procedures for maintenance and operations and human resources/personnel management. His greatest strengths are empowering staff, building leader capacity, budgeting, and acquiring adequate funding for Full-Time Equivalent (FTE). Also, Mr. Ellis conducts professional learning opportunities for targeted school districts regarding budgeting and FTE.

Moreover, Mr. Ellis played an instrumental role in the curricular alignment amid the Calhoun County School System. He also incorporated the Positive Behavioral Instructional Supports (PBIS) amid all schools. He supported all extracurricular activities and frequently assisted principals and athletic coaches with concession and ticket sales. Because of Mr. Ellis' commitment to the staff, students, parents, and stakeholders amid the Calhoun County School System, we were able to demonstrate increased academic achievement.

During his tenure, Calhoun County Middle School and Calhoun County High School attained Title I Reward School recognition in 2013 and 2014. During the first year of Georgia's new school rating system, College and Career Readiness Performance Index (CCRPI), Calhoun County Elementary scored in the top half of Southwest Georgia elementary schools and placed second among Class A elementary schools. Mr. Ellis is a proven educational leader. Flagler Schools, from the students to the faculty, needs Mr. Ellis as Superintendent to continue sustained growth and development.

*Craveous Butler*

To Whom It May Concern:

It is my pleasure and honor to offer my highest recommendation for Curtis Daniel Ellis as a candidate for the position of Superintendent in the Flagler County School District. I have had the pleasure of being mentored by Curtis for the past 5 years. In that time I have observed a man who has vision, excellent leadership qualities, and is an active listener/communicator, all of which are necessary character traits to be an effective Superintendent.

I am the 7th and 8th grade math teacher for Putnam Academy of Arts and Sciences and the community outreach liaison. Curtis and I started working at the school during the same year, and I have greatly enjoyed interacting with him and learning from him. He is dedicated to his staff and teachers and looks out for us. He has been known to turn down a raise in order for his staff to receive one.

Curtis has held many titles over the years, engaged in a myriad of professional development activities, and served on countless committees. His dedication to all aspects of the field of education speaks volumes. He has an endless list of trainings, certifications, and experience that will serve him well in the position as Superintendent.

Curtis taught for five years before becoming the youngest Principal in Georgia; he was only 27. Since then he has held many positions that include principal, Title 1 Supervisor, Assistant Superintendent, and Superintendent. Curtis has had so many accomplishments in his career. He was instrumental in improving schools in three different districts. In one of these districts he took a school from 'needs improvement' for seven consecutive years to a school recognized as a Georgia Reward School for Most Improvement. Curtis was also voted one of the Fab Five Best Teachers in the district and received the National Award for Title 1 Distinguished Graduate. When you ask him what he feels is his greatest accomplishment, he will tell you it was becoming Superintendent in Calhoun County.

Curtis has worn many hats during his career in the fields of academics, finances, data and information, operations, human resources, and communications. For our school, he has tirelessly pursued grant money and brought the school out of its struggling state into financial stability. In other districts, he has secured grant money in the millions.

Curtis is a life-long learner who enjoys building relationships with his staff, teachers, students, and parents. Teddy Roosevelt once stated, "Nobody cares how much you know until they know how much you care." Curtis Ellis lives by this belief and it resonates throughout our school

community. He is child-focused and has individual relationships with each of our students. He is parent-focused and communicates constantly with every parent, grandparent, or caregiver affiliated with our school. Curtis is loved and, more importantly, respected by all.

When Curtis asked me to write this letter of recommendation for him, I will be honest, I was torn. I know that I will be losing the greatest leader I have ever worked for to date. I also understand why he feels compelled to move on to the new position, because in a role of greater leadership, he will have a greater impact on the education of children. I know every applicant is going to look fabulously on paper; Curtis is no exception. I know every applicant will have amazing letters of recommendation. However, I also know that if given the chance for an interview, he is going to profoundly impress you with his knowledge and expertise, he is going to accept the position if offered, and our school community will feel the impact of loss while your school community will feel the impact of gain. When I questioned why he wanted to apply for this position, he shared with me that he is a part of the Flagler community and knows that with his experience he can motivate people and continue the excellent education tradition in Flagler. That is exactly why dedication, love of children, compassion, and insight epitomizes Curtis Ellis.

If you need any further information, please do not hesitate to call (954-309-4329).

Sincerely,

  
Donna Cameron Scapellati

East Palatka, FL 32131

January 20, 2020

To Whom It May Concern:

It is my pleasure to recommend Curtis Daniel Ellis for the position of Flagler County Superintendent of Schools.

I am one of the founders of Putnam Academy of Arts and Sciences, a public charter middle school in Palatka, FL, and one of its original Governing Board members. When our first principal retired in 2015, our Board was thrown into a panic. One look at Curtis's resume, then one brief interview, and we were convinced we had found our new leader. I can truthfully say that the subsequent hiring of Curtis Ellis saved our school.

Curtis brought to us years of experience: in Georgia, he has been a teacher, principal, Title I supervisor, Superintendent, and held a dozen other roles. He began from Day 1 to lift our school: guiding the Board through new policies, creating a 5-Year Plan, implementing a stronger discipline and attendance plan through use of tribunals, mentoring our teachers and finding worthy Professional Development activities to aid their growth, guiding and counseling students, building coalitions with our stakeholders, leading our school to accreditation, shepherding through a USDA loan/grant, and literally becoming the force behind every positive event our school has enjoyed.

Teachers trust him to be honorable and fair, always acting in the best interests of our school. Students trust him with their joys and sorrows. Parents find him a willing audience and supportive partner. Our Board cannot be grateful enough for all he does and we count on his knowledge and expertise to make decisions for our school. Even our District personnel come to him for advice!

I was a teacher for 35 years and I have worked for a number of principals. None in my experience brought more skills, more insight, more creativity, more consistency, or more improvement than Curtis has brought to our school. For his gifts, for his breadth of experience, for his willingness to grow your system as he has grown our school, I encourage you to choose Curtis Ellis as your new superintendent. He has my highest recommendation.

Sincerely,

Elisabeth L. Virnstein
