How do you believe that your education, experience, talents and skills will benefit the work of the Board or Committee and are you willing to act as a decision maker and not as an advocate, if required by law?

I believe these boards/committees must act in the best interest of the current and future city as a whole and not just for the

few that show up and voice their opinions. I feel my knowledge of the process can best serve the City and future residents.

What is your understanding of the relationship of this Board or Committee to the City Council?

This Committee is to provide the Council professional and reasonable recommendations to amend the charter that will best serve the residents, or to verify the charter is still in a form that needs no updates.
