RE: Retirement Notice

Dear Sheriff Manfre:

It is with mixed emotions that I give you my formal notice of retirement as Business Services Director for the Flagler County Sheriff's Office. My last official work day with the Sheriff's Office will be March 31, 2014.

I am excited and at the same time, somewhat reserved to reach the point in my life that I have completed the major milestone of 30 years of creditable service in the Florida Retirement System. Over the past 30 years, I was able to receive training and experience that allowed me to be promoted through the ranks from an entry level communications operator in the early 80's at the St Johns County Sheriff's Office to overseeing a \$22 million dollar budget in the Business Services Division of the Flagler County Sheriff's Office.

I would like to take this opportunity to thank everyone within the Sheriff's Office that has allowed me the opportunity for both professional and personal development over the years. I have enjoyed working with and learning from my colleagues for the past 30 years, and I am ready to move on to the next phase of my life enjoying retirement with my family.

Again, I appreciate the support provided to me during my tenure with the Flagler County Sheriff's Office, and if I can be of assistance during the transition, I stand ready to help.

Respectfully,

Linda Bolante
Business Services Director
