Good morning,

Please accept this letter as formal notification of my resignation from my position as a Deputy Sheriff with the Flagler County Sheriff's Office, effective two weeks from today. My final day of employment will be June 2nd, 2026

This decision was not made lightly. After considerable reflection, I have determined that it is in my best professional and personal interest to step away from the agency.

Throughout my tenure, I have experienced ongoing challenges within the organizational and supervisory environment that have made it increasingly difficult to perform my duties with the level of support, fairness, and professional confidence I believe are necessary to succeed effectively in this role. Despite my continued efforts to meet expectations and serve responsibly, I no longer feel that the work environment is conducive to my long-term professional growth and well-being.

I am grateful for the opportunity to have served this community and to have worked alongside many dedicated individuals throughout my career. I remain committed to ensuring a professional and smooth transition during my remaining time with the agency, including completing pending responsibilities and assisting in any reasonable handover process.

Respectfully,

Kailen Jackson
Deputy Sheriff #1152
