2018-83397	Assist Other Agency (Welfare Check)	SR 11	Deputies responded to this location due to a welfare check request from the Jacksonville Sheriff's Office. The initial request stated that the subject, O1, was threatening to commit suicide by driving his truck off a bridge. Deputy Beausoleil, Deputy Oldham, and Deputy Prather all responded and attempted contact at the residence. The deputies announced their presence and the subject came to the door armed with a handgun and briefly pointed it at the deputies. The incident was deescalated appropriately and the subject was detained without incident. It was later determined that O1 was in an argument with his girlfriend who made the report to the JSO. O1 was unaware of any issues and stated that he did not hear law enforcements announcements. O1 did not meet Baker Act criteria and the JSO stated that they did not have enough for a Baker Act at this time. O1 was released without further incident. Deputy

Beausoleil, Oldham, and Prather did an excellent deescalating the incident without harm to any person.
