### Part One UCR Crimes: Date / Time / Zone / Type of Call / Case Number / Address / Case Summary

10-4-14 @ 0054hrs / Zone 7 / Sex Offense / 14-90616 / Holly Lane, Bunnell. Dispatch received a TTY from the Florida Abuse hotline about siblings that are approximately two to three years old possibly engaging in a sexual offense with one another. The TTY was extremely limited, it appears to have been a delayed incident due to the caller being in Virginia who heard about it through the children's grandparents. It's possible that the children don't even reside at Holly Lane, but possibly a cousin of the family resides there who has more information on the family's location. No names or any identifying information was provided in the TTY.
