EXPERIENCE

Flagler Schools Educator, 6–12 grades

Flagler Schools

August 2010 - May 2017 and October 2018 - May 2019

- Taught at Matanzas High School, Flagler Palm Coast High School, and Old Kings Elementary School
- Designed new project-based curricula using state-standards in:
 - Marine, Environmental, Life, Anatomy and Earth/Space Sciences
 - Drawing I and II courses
 - Social Sciences
- Many projects received community recognition for their community service, academic rigor, and authenticity
- Demonstrated knowledge of curriculum frameworks, and standards
- Strong use of a variety of learning management systems to present, organize and facilitate PBL curriculum such as Echo, Schoology, and Canvas
- Managed over \$10,000 in grant money from the Flagler Education Foundation

Curriculum Designer, Contractor

NewTech Network

March 2019 - Present

- 6–12 grade curricula designer
 - Units are authentic yet rigorous, focusing on building a culture that creates a positive learning environment
- Facilitate curriculum mapping and scaffolding workshops to teachers and schools
- Incorporate the use of digital tools within project toolkits for teachers to implement in their instruction

Professional Development Content Designer, Contractor

Clerisy, PD

February 2022 - Present

- Design asynchronous professional development workshops for educators including:
 - Creating 21st Century Learners with Cross-Curricular Content
 - Shifting from "Teaching" to "Facilitating": How to Implement Learner-Centered Instruction
 - Practices that Empower Learners

PBL Instructional Coach, Contractor

La Academia Partnership Charter Academy, Lancaster, PA

VOLUNTARY ENGAGEMENTS

Supported the following organizations during educational projects:

- Grace Food Pantry
- The Sheltering Tree
- Flagler Humane Society
- Whitney Labs and UF/IFAS

Supporter of the Flagler Education Foundation through school supply and clothing drives

AWARDS

[Teacher of the Year](#) - Flagler Palm Coast High School 2016

[NewTech Network Best in Network](#) - "Prosthetics for Paws" 2016

December 2020 - May 2021

- Provided one-on-one and small group PBL support for instructors and leaders
- Aligned specific curricula with PBL to create an accessible resource for educators
- Supported teachers in maximizing instruction in an asynchronous and virtual setting through the use of digital learning management systems available to them

PBL Support Specialist and Instructional Designer, Contractor

K12 Education (Stride, Inc.)

July 2020 - December 2020

- Designed and delivered virtual workshops on PBL topics to new and returning instructors
- Provided one-on-one and small group PBL support for instructors and leaders
- Observed and collected data that informed the type and frequency of professional development needed for PBL improvement

April 2021 - August 2021

- Designed and developed course material for PBL courses

Education Coordinator

Marineland Dolphin Adventure

March 2018 - October 2018

- Trained counselors in delivering project-based curriculum for marine science camp
- Created STEAM and NGSS based k-12 curricula for field trips, summer camp and community programs
- Coordinated and lead multiple field trips per week, various community programs and a summer camp program for kids aged 7-17
