Disturbance Physical	20-34384	Palm Harbor Pkwy	Female came to this location from Palatka to reclaim custody of her 7 year old daughter, who was with her paternal grandparents. The grandparents refused to relinquish custody to the mother and a struggle ensued, resulting in cross-complaints of battery. Both subjects pulled on the juvenile during the incident in an effort to keep her from the other. Upon law enforcement arrival, the juvenile was with the mother. There is currently no court or DCF order designating custody so default custody was assumed to be with the biological mother. Child left with the mother and complaint affidavits were completed against all parties involved for battery and interfering with child custody. DCF was notified. Deputy Spina
