TYPE	CASE#	LOCATION	SUMMARY
Narcotics	19-60651	Collingwood Lane	Deputies responded to this address to serve an Ex-Parte order. While on scene, a vehicle backed out of the driveway and contact was made with S1. S1 was the driver and sole occupant of the vehicle. Deputy Parker observed in plain view an open purse containing multiple syringes. S1 was asked to exit the vehicle and while doing so stated that one of the syringes contained "Molly". S1 was placed under arrest and read Miranda. S1 was charged with possession of methamphetamine and possession of drug paraphernalia. See report by Dep. Parker.
Domestic Disturbance	19-60650	Ranber Lane	V1 reported that her boyfriend just chocked her and left the residence on foot. Disturbance Physical	19-60628	Country Store 1480 CR 305	Deputies received a call in reference to a female being beat up and forced into a vehicle in the Country Store parking lot. The vehicle was seen leaving as the first deputy arrived on scene. The operator of the vehicle (S1) refused to stop when the deputy attempted to conduct a stop. S1 traveled west on Mahogany Blvd, refusing to stop for the marked patrol car using lights and siren. The car was forced to stop when a citizen pulled out in front of S1 and blocked the road with his truck on Cinnamon Ave. S1 was secured. He damaged the rear door of car # 4777 by kicking it while in the prisoner compartment. Contact was made with a female (victim) in the back seat. She was confused and her head was covered in blood. She stated she did not know what happened. The video from the Country Store showed the two leaving the store after a verbal argument. The victim gets in her car and attempts to drive off without S1. He steps in front of the car blocking her path to exit. S1 then jumps on the hood of the car and beats the windshield

shattering it completely. The victim exits the car to plead with S1 to stop. He slams her against the side of the car and punches her several times until she falls to the ground. S1 then jumps on top of her unconscious body and violently punches her several more times before he tries to pick her up and place her limp body into the car. S1 was arrested and charged with DWLS with Knowledge, Flee and elude LEO, Aggravated battery, False imprisonment, felony criminal mischief, and tampering with a victim/witness.
