Hello commissioner, I'm well thank you! Did you get my message? I'd like to talk with you or grab coffee?

No, I did not receive it. I do not think I can schedule coffee, this is a busy time for us. Let me ask you, and I apologize, I heard that you are going through a divorce?

Umm ?? No I am not going through a divorce.

I am divorced. This is what we need to discuss. The wrong questions are being asked and I feel under attacked by one of your board members. I don't like it. When can we connect?
