

Capital Projects Fund Award Fact Sheet

Florida

Treasury approves Florida's plan to invest \$86.9 million of CPF funding in multi-purpose community facilities to improve resources for rural communities that enable work, education, and health monitoring.

Florida's Capital Projects Fund Program Overview

- **Program Summary:** \$86.9 million for Multi-Purpose Community Facilities (24% of CPF allocation)
- **Program Description:** Florida's Multi-Purpose Community Facilities Projects (MPCPF) program is a competitive grant program that provides funding to eligible entities to construct or improve community facilities.

*Florida estimates that this program will fund **50-60 projects** that improve community facilities.*

Successful applicants will be required to partner with the CareerSource Florida Local Workforce Development Board serving that area to aid job seekers. The MPCF program will prioritize projects in rural communities with demonstrated economic distress factors.
