Ms. Sandi Bolser, City Clerk
City of Bunnell
1769 E. Moody Blvd.
Bunnell, FL 32110

Dear Ms. Bolser:

I am applying for the position of City Manager posted on the ICMA.org webpage.

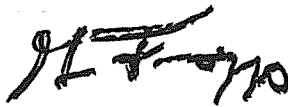

As you will note from my enclosed resume, I have a background quite different than your typical candidates. I have over ten years of experience in bringing diverse stakeholders together to achieve common goals.

My current position requires me to coordinate the activities between 750 offices, 58 county boards of elections, and 16 state agencies. I have very strong analytic and budgetary skills, currently overseeing \$15 million in federal and state funding. I have past experience with demographics vis-à-vis economic development.

My current position is a publicly visible one that requires that I maintain an ethical and professional relationship with the public. I am highly aware that the public perception of fairness and honesty is as important.

If your Commission is looking for someone that can think outside the box yet work to build consensus, then I believe that am the right candidate for the position of City Manager. I look forward to hearing from you.

Sincerely,

Gregory Fiozzo
