

## Fire Leadership Academy

---

### Our Vision:

The academy will focus on leadership development, preparing students with skills including, but not limited to: fire behavior, first responder model, personal protective equipment, use of ropes, tools and equipment, use of fire streams, fundamentals of extinguishment and rescue procedures.

## Advantages

Advantages of attending FPC Fire Leadership Academy include leadership opportunities, and a pathway to becoming a firefighter, EMT, nurse or other medical professional. The FPC Fire Leadership Academy will meet the needs of our community and allow FPC graduates the opportunity to live and work in the community where they grew up.

## Memorandum of Understanding

The Flagler County Fire and Rescue Department (FCFRD) and the City of Palm Coast Fire Department (PCFD) have entered into a memorandum of understanding with the Flagler County School District.
