## NARRATIVE

ID Number 3318	Rank TROOPER	Name STEPHENS, ZACHARY A	Troop / Post G	Officer Agency FLORIDA HIGHWAY PATROL	Phone Number
-------------------	-----------------	-----------------------------	-------------------	------------------------------------------	--------------

Vehicle#01 (V01) was south on Pine Lakes Parkway negotiating the intersection at Palm Coast Parkway with a red traffic signal. V01 was a Flagler County Sheriff's Office vehicle traveling with lights and sirens activated to an emergency call. Vehicle#02 (V02) was east on Palm Coast Parkway in the inside lane approaching Pine Lakes Parkway.

V01 and V02 entered the intersection simultaneously resulting in a collision. The front of V02 collided with the right front passenger door of V01. V01 traveled south across the oncoming northbound lanes of Pine Lakes Parkway and came to final rest in the northbound right turn lane facing southeast. V02 rotated clockwise (right) across the oncoming northbound lanes of Pine Lakes Parkway and came to final rest across the northbound right turn lane and shoulder facing west.

V01 entered the intersection with a red traffic signal in emergency mode per Florida Statute and cleared the westbound lanes successfully, however, the driver of V01 crossed the intersection at the point of the eastbound lanes before all of eastbound

Crash Date	Time of Crash	Date of Report	Reporting Agency	Reporting Agency Case Number	HSMV Crash Report Number
10/31/2013	9:51 AM	10/31/2013	FLORIDA HIGHWAY PATROL	FHPG13OFF045541	83336318-01

traffic had cleared or stopped. Both drivers stated under traffic crash privilege that they did not see each other for reasons unknown.

Corporal Steve Howard of Florida Highway Patrol Traffic Homicide Investigations provided the following estimated minimum speeds:

V01 patrol vehicle 33.176 mph

V02 SUV 32.72 mph

Per Corporal Howard please note the following:

- 1) That time distance relationship is for a constant speed.
- 2) The speed for V01 (patrol vehicle) was an average for the distance and that V01 was accelerating
- 3) V02 applied braking prior to crossing the stop bar

Please note that there were two red light camera videos provided for this investigation. The red light camera video showed the collision from the east and west. No red light camera video was provided from the direction of either north or south.
