MEMORANDUM

DATE: January 20, 2017

TO: Undersheriff Bisland *J #5299*

FROM: Chief Cole *(Signature)*

SUBJECT: Recommendation of Internal Investigation/Dep. J. Vazquez

Commander Cole has obtained information from Special Agent Supervisor Josh Mead from the Florida Department of Law Enforcement (FDLE) in reference to some alleged behavior or D/S Julio Vazquez that will need to be further investigated by the Professional Standards Unit.

Commander Cole has learned that sometime Friday, 1/20/17, sometime prior to 6:00am (shift change) D/S Vazquez had contacted D/S Johnathon Vitale by telephone. D/S Vazquez was giving D/S Vitale a "heads up" that FDLE was conducting a criminal investigation at the Flagler County Inmate Facility. D/S Vazquez advised D/S Vitale to let D/S Gilyard know what was going on. D/S Vitale and D/S Gilyard were scheduled to work together this shift guarding an inmate in Volusia County. Earlier in the shift Cmdr. L. Miceli made contact with all personnel on-duty, to include D/S Vazquez, and advised them not to talk to anyone about FDLE being at the facility.

Commander Cole has additionally learned that FDLE interviewed Inmate Cheryl Folta (W/F 10/24/66) in reference to their investigation. Inmate Folta advised that she is assigned to laundry duty and on Friday 01/13/17 she was contacted by D/S Vazquez and D/S Vazquez told her that she needed to call in sick on Monday 01/16/17. D/S Vazquez advised Inmate Folta that D/S Gilyard was going to have sex with Inmate [REDACTED] sometime on Monday 01/16/17 in the laundry room.

Inmate Folta additionally described an incident several weeks ago involving D/S Vazquez inappropriately touching her. Inmate Folta advised that she was putting away laundry in the supply room in the booking area. Inmate Folta advised that D/S Vazquez came into the room and began to fondle and kiss her. Inmate Folta denies having any sexual relations with D/S Vazquez. A review of video of several shifts worked by D/S Vazquez depicts on multiple occasions D/S Vazquez does enter this supply room in booking several times when Inmate Folta is putting away laundry. This particular supply room is not covered by video and it is a violation of policy for a male officer to be in a room solo

in an area not covered by video.

On Monday January 23, 2017 Cmdr. Miceli made contact with D/S Vazquez prior to his shift starting at 6:00pm and collected Deputy Vazquez's equipment (badge, Taser, firearm, etc.) and he was put on paid administrative leave.

At this time Chief Cole is recommending that this matter be referred to the Professional Standards Unit for further internal investigation.
