

**CITY OF PALM COAST
INVITATION TO BID ITB-UT-26-06**

A1A Sewer Force Main Mala Compra to Marineland

SCOPE OF SERVICES: The Work consists of the construction of over 17,569-ft of new 12"-14" sewer force main along A1A from Mala Compra Road to Marineland. Directional drill construction includes 4,253-ft (+/-) of new 14" PE force main. Open cut construction includes 13,316-ft (+/-) of new 12" PVC force main. This project includes work in areas that include coquina shell / rock: It is not a continuous shelf of coquina, but rather fragments of coquina rock which are mixed within the sand. The Contractor should be prepared to utilize specialized equipment to facilitate excavation activities if they encounter larger pieces of coquina along the alignment.

1. This project is being supported by FDEP grant agreement No. LPA0287 between FDEP and Flagler County for Septic to Sewer Conversion project on the Barrier Island.

The Contractor shall be an Equal Opportunity Employer and is to abide by Davis-Bacon prevailing wage requirements. Weekly certified payrolls and statements of compliance from the Contractor and all Subcontractors will be required throughout construction. Documentation of affirmative steps for Minority and Women's Business Enterprise participation will be required from the apparent lowest, responsive, responsible bidder. The City has a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products); the City's preference must be identified and included in all subawards including all contracts and purchase orders for work or products under the Project.

CONTRACT TIME: Total construction time to achieve Substantial Completion for the Project is three hundred sixty-five (365) calendar days consecutive calendar days from the date of the "Notice to Proceed," with an additional sixty (60) consecutive calendar days to achieve Final Completion.
