

JOHN KVEDERIS WORK HISTORY (2026)

OWNER AT ODD JOB CONNECTION

PALM COAST FL

Currently working as the owner of my business. The daily functions consist mostly of marketing, meeting new clients, follow ups with existing clients, planning site clean ups . Most jobs are junk removal, moving and event planning. When jobs come in it's sent through a connection of people for viewing and open to them for a working opportunity. I have completed work for thousands of people nationwide in various markets.

The company has shown steady growth each year. I have also overseen all marketing for the company through Google, yelp, Facebook, Instagram and other social platforms.

DIRECTOR OF CASINO OPERATIONS/ASST GM AT RIVER CASINO NASHUA NH

Previously worked for the river casino as the Director of Casino Operations I also filled in as the Assistant GM. My main daily task was to open the casino floor and prepare for the start of the gaming day. Throughout the day I was also tasked to do surveillance reviews on employees as well as manage a book of players to develop into regulars for tournaments and other casino events. I was also to attend to any other issues regarding compliance with the division of gaming and ensure the company is in compliance with all state and federal laws. Daily tasks also included Scheduling, Training, Opening or closing F&B Restaurants, opening the Main Casino Bank, Shift report reviews, guest safety reviews, Following up with guest relations. (This property closed briefly and we parted ways when I reported the casino for fraud to the division of gaming during an audit I had done.) This resulted in removal of all slot machines from the property.

CASINO OPERATIONS MANAGER AT JZ GAMING BLACKHAWK CO

Working for JZ Gaming It was my role to manage every operation of the three properties and act as the GM when the role is absent.

I lead every department, Security, F&B, Slots, Tables, Valet, Marketing, Cashier Cage, Players Club, Housekeeping and any other seasonal positioned employees.

TABLE GAMES ASSISTANT MANAGER /CASINO SHIFT MANAGER AT AFFINITY GAMING,
BLACKHAWK

CO.

When working for Affinity Gaming in Table Games and Casino Operations. It was my duty to assist in promoting our tables to new and old players while also developing the current players into higher tier levels. It was also my responsibility to ensure that all of the table games are up to standard level and in compliance with the Colorado division of gaming. The Assistant Manager role also worked schedules, rolled pit, and handled all guest issues. In casino operations I managed Table Games, Slots, Food and beverage, Housekeeping, Marketing, Cage, Security, and Surveillance. I also assisted in our marketing department to further build our guest relations as we were locked into a tight market.

TABLE GAMES SUPERVISOR / ISLE & LADY LUCK CASINOS BLACKHAWK, CO

Supervised the table games swing shift assisted with projects helped promote a safe environment for our team on both properties while also managing a section of 4 to 6 games. Coordinated the shift's daily operations and managed the rotation for the dealers. Worked closely with the Colorado Division of Gaming on any issues involving the department. Maintained a calm relaxed environment during any casino investigations that have been in the company's best interests. Occasionally also attended job fairs and auditions to promote our casinos table games department
