City Manager, Escanaba, MI

2017 – 2022

Chief Administrative Officer of a full-service municipality of 13,000 with a private deep water port. Our budget, that I am responsible for assembling and managing, is \$30 Million including Electric, Water and Wastewater utilities. I am responsible to the 5-member City Council and serve at their pleasure. I am very active as a community liaison with other local governments, working groups, Tribal governments and committees with interest in the community. I oversee Directors of Water, Wastewater, Electric, Public Works, Recreation, Finance, HR/Treasurer, City Clerk, Public Safety and Library. We have a DDA that covers our approximately 1 ½ mile long downtown corridor. I arrived in Escanaba after the first Court of Appeals decision in the “Dark Store” case, Menards v. City of Escanaba. I built support for our case through the MML, MTA and MAC and raised over \$250,000 in contributions from member communities to help fight this fight. I directed improvements to our water system and hydrant system, and oversaw the initial phases of lead service line replacements.

My general fund budget was \$8 Million, with 40FT employees. In Alaska, the Native Corporations own virtually all lands, so good relationships are a necessity. I worked closely with the Native Corporation and the local Tribe on cooperative issues.
