Dear Chief Cox,

I am writing to formally submit my resignation from my position as Fire Inspector with the Flagler Beach Fire Department, effective May 1, 2026.

I am grateful for the opportunity to serve the City of Flagler Beach and for the experience gained in fire prevention and life safety. After careful consideration, I have decided to pursue an opportunity that more closely aligns with my long-term professional goals, including a work environment that provides consistent structure and support for continued development.

I will ensure a smooth transition and assist as needed during my remaining time.

Thank you for the opportunity to serve the department and community.

Respectfully,
