

A Declaration of Independence for the People of Yahweh

*By the Ambassadors of the
Kingdom of God under the rule of Yahweh.*

A choice must be made in the course of every natural person's life when the truth under which he lives makes itself known. Those of us who have been shown the truth by and through our God in heaven, who's name is Yahweh, now come forward and say that it is under His Laws of morality, mercy, and spiritual understanding that we give and owe our freedom and allegiance. Our residence is in the Kingdom of Yahweh and our King is Yahweh, as such we are Citizens of His Kingdom. It is our deeply held spiritual belief and understanding that we are sent here to minister His word, to live by His Laws and therefore we are Ambassadors of Yahweh and His embassy is our church. We claim and are entitled to all Rights and Privileges given us by God as spoken in the original texts of the Holy Bible and as He is Sovereign these Rights and Privileges are not lienable, removable, revisable nor suspendible by any man nor group of men.

The truth is self-evident, that all things belong to Him, for he is the Sovereign of the Universe, the Creator and owner of all things, that He has given us the Right and the ability to be secure in our life, property, happiness, freedoms and liberties, so long as we respect the same rights of others. His Laws are just, righteous and fair. It is His Laws, made common by the widespread knowledge of His word, by and through His scriptures that we make ourselves subject.

The United States Government, it's subdivisions, instrumentalities and other ruling factions have become destructive through the usurpation of power without the consent of the governed. It is our duty, which we institute with honor, to make this stand to separate ourselves from man's government and reclaim our Rights granted to us by and through Yahweh's Kingdom. As a just people we hereby give Notice and Declare the causes which impel our separation from the abominations of man's body politic and to assume our position in His Kingdom. Therefore this Declaration is properly addressed to the ruling factions of the United States of America, it's subdivisions and instrumentalities.

History has shown that, "absolute power corrupts absolutely" and so it is now under man's government in America. The American government was founded on His Laws and for the purpose of protecting the people. Created by and for the people the government of the United States and it's controlling interests have now sought to suffer absolute control upon the people whom by design created it. It has no conscience and shows little mercy, it is an uncontrolled beast that has been loosed to serve it's own whims. Without mercy there can be no justice, without justice

there is tyranny and under tyranny His Laws are lost.

Through unrestricted spending you have enslaved the ignorant and sold the labor of their children and their children's children which are yet unborn to pay for your Beast's ravenous appetite, and in so doing you have stolen the future and sold the children's inheritance. You have passed the seed and we let it happen, but now we have been redeemed.

You claim sovereignty and yet have sold yourself to the powers and principalities of the air. You have given away the very freedom that many died to protect and establish.

You break your own laws without remorse and do not give justice to the people. When the people break your laws you demand punishment and show no mercy. You are the Beast in the land of milk and honey and those of us who seek His face now shun yours.

You offer the choice of religion and punish those who would practice it.

You offer redress and give none.

You offer free speech and punish those who would speak up.

You offer the ability to own arms for the protection of freedoms and then punish those who own them.

You offer security against governmental intrusion, but it is a false security and you close your eyes to those that would infringe upon it.

You offer due process in your courts yet you control the judiciary. You pay for the court house, the judges, the public defense and the prosecutors. Therefore, neutral arbitrators do not exist. There is an old maxim that you do not bite the hand that feeds you.

You speak of the common law and yet have made it virtually inaccessible.

You offer security from cruel and unusual punishment however in your depraved mind abominations upon life, liberty and property are normal.

You offer protection of natural rights and punish those that would claim them.

You offer free elections but allow only those that serve your purpose to be elected.

You protect against slavery and trick everyone into voluntarily becoming slaves.

You hold citizenship out as a wondrous gift and you crush by taxation and control those who would ascend to your gracious offer.

You offer a president to lead the masses and you make him a piper through which you play with the people.

You are the very thing you pretend to protect from. You have become a living thing and taken for yourself that which is restricted to the living, such as property, liberty and happiness.

We are, each of us, made of the same things but we are not the same. Some of us have chosen the path of Ambassador for Yahweh, ministers of his word and

Citizens of His Kingdom, we are therefore under the jurisdiction of Yahweh. He shall punish or reward us for our allegiance but you, although you may try, will never take our heritage nor future which is in His Kingdom. It is the bond of truth that we ascend to. It is His offer of justice that we graciously accept. He shall lead us into righteousness and we shall follow only Him. To support this Declaration we the people, Citizens of His Kingdom, Ambassadors of His throne, do mutually pledge to Him and each other our Lives, our fortunes, and our word under His ever watchful eyes.

In fulfillment of the covenant as given by our Messiah:

"Farther who is in heaven, consecrate your name. Your Kingdom is Supreme. May your decrees be brought to pass on Earth by Heaven..."

there is established for those natural people who choose to become His Citizens, an Embassy of Yahweh with His Church and Missions, The Articles of Construction of the Church of Yahweh pursuant to the precepts of His Laws and for His purpose are as follows:
