Burglary Residential	92874-18	Brigadoon Lane	S1 was observed in the backyard of the residence after climbing over a fence. When he was approached by the homeowner he fled and jumped over the fence, then went to the front door, entered the residence and was confronted by another resident. S1 then fled the area on foot. His bicycle was located in the empty lot next to the residence. Both residents know S1 personally, advised that he has never had permission to enter the residence, and items have been missing from the residence recently.
