TYPE	CASE#	LOCATION	SUMMARY
Domestic Disturbance	19-72456	Palm Coast Parkway NE (Mobil)	Store clerk reported a black Hyundai was parked at the fuel pumps occupied by two argumentative females, S1 and V1. S1 exited the vehicle yelling at the victim to get out. S1 forcefully grabbed the victim's throat until she exited the car. The victim yelled for someone to call the cops and left the store on foot, with S1 following her in the vehicle. The vehicle then returned to the store with both S1 and the victim in it. They both exited the car and S1 pushed the victim as they continued to argue. Both parties were uncooperative with law enforcement advising nothing happened, however it was determined that this was a domestic violence related incident. The victim had marks on her neck consistent with the clerk's statement. S1 was placed under arrest for domestic battery and was transported to the Flagler County Inmate Facility without incident. Report by Deputy Rosado.
Domestic Disturbance – Follow Up	19-72270	Willow Oak Way	Additional investigation was conducted by dayshift after it was discovered that V1 was transported to Shands Hospital in Jacksonville. Probable cause was developed to arrest S1 for aggravated battery and domestic battery by strangulation. Supplement Report made by Deputy Jenkins. Case report and arrest completed by Deputy Fiveash
Disturbance Domestic	19-72462	I95 Mile Marker 296	V1 reported being struck several times and choked by her boyfriend, S1. Additionally, when V1 attempted to call 911, S1 took her cellphone away from her. V1 was finally able to get away from S1 after pulling over on I95. V1 successfully waived down an off duty Deputy (SJCSO) who assisted her until FCSO Deputies arrived on scene. Prior to FCSO Deputies arriving on scene, S1 fled the scene via his vehicle. Units attempted to locate S1, but met with negative results. Both V1 and S1 reside in Miami, FL and it is believed that S1 is traveling back to Miami. V1 was transported, by Rescue, to Advent Hospital where she was treated for non-life threatening and released. Charges for DV Battery, DV Strangulation, and Tampering with a Victim/Witness have been passed onto dayshift in order to be walked through for a warrant. Report by Deputy Gossett.
