Chair Will Furry
Flagler County School Board
1769 East Moody Blvd, Bldg 2
Bunnell, FL 32110

Chair Furry,

I am writing to formally submit my resignation from the position of Flagler County School Board Member, District 1, effective immediately.

As you know from your own experience, a lot of hard work went into my campaign, and my early departure from the Board was not an intended or desired outcome of that hard work and commitment to help strengthen the Board and District.

While I have been disheartened by and departing because of the manipulation of truth and the lies that continue to be shared and accepted regarding targeted Board members and the District as a whole, I am so proud of what the Board has accomplished in just under two years.

I would like to commend you for your leadership this past year, and believe you and I have proven to be a great example of politics as it should be, approaching the business of the Board respectfully and collaboratively even though we each have strong, and sometimes opposing, convictions on the topics that have come before us.

I wish the Flagler County School District and Board continued success moving Flagler Forward and would like to take this opportunity to once again appreciate LaShakia Moore for her incredible talent, leadership, and dedication to creating and sustaining a premier learning organization that benefits all Flagler County residents and businesses, and especially benefits our awesome and brilliant students.

Sincerely,

Sally Hunt
