RE: Case No.: FEC 14-478; Respondent: Barbara S. Revels

Dear Ms. Weeks:

The Florida Elections Commission has received your complaint alleging violations of Florida's election laws. I have reviewed your complaint and find it to be legally insufficient.

In your complaint, you essentially allege that Respondent, a member of the Flagler County Commission and canvassing board, willfully refused or neglected to perform her duties as prescribed by the election code, when she refused to sign the Conduct of Election form that was completed and submitted pursuant to Section 102.141(9), Florida Statutes, for the 2014 Flagler County election.

While it does require the submission of a Conduct of Election form, Chapter 102, Florida Statutes, does not specifically mandate that each or any member of the canvassing board sign the form. As such, I find your complaint to be legally insufficient.

If you have additional information to correct the stated ground(s) of insufficiency, please submit it within 14 days of the date of this letter. If the additional information corrects the stated ground(s) of insufficiency, I will notify both you and the Respondent. If you submit an additional statement containing facts, you must sign the statement and have your signature notarized. In addition, any additional facts you submit to the Commission must be based on either personal information or information other than hearsay.

Until this case is closed, section 106.25(7), Florida Statutes, provides that the Respondent may not disclose this letter, the complaint, or any document related to this case, unless he or she waives confidentiality in writing. To waive confidentiality, the Respondent must mail or fax a written waiver of confidentiality to Donna Ann Malphurs at the address or fax number listed above.

If you have any questions concerning the complaint, please contact us at fec@myfloridalegal.com.

Sincerely,
