

Rick Belhumeur

Education:

- High school graduate in 1971.
- 50 years education as an adult in this world while gaining wisdom along the way.
- Graduate of Flagler Beach Citizen's Academy
- Six years on-the-job training as a City Commissioner.

Experience:

- Forty plus years as a very hard working, blue collar, mechanic.
- Single father of three for fifteen years, struggling to make ends meet.
- Served 6 years as a City of Flagler Beach Commissioner including serving as Chair for a year and as Vice-Chair for two years.
- 3 years experience as a board member and current vice-President of the Friends of A1a Scenic and Historic Coastal Byway.
- 7 years experience and current member of the Flagler County Affordable Housing Advisory Committee(AHAC).
- 8 years experience serving in different capacities and current member as a representative on the Transportation Planning Organization(TPO) for Volusia and Flagler County(roads and trails)
- 3 years experience and current member of the Flagler County Parks and Recreation Advisory Board.
- Current member of the Economic Development Task Force(EDTF) for Flagler Beach.
- I also served on the Planning and Architectural Review Board(PARB) for Flagler Beach before becoming Commissioner in 2016

Goals:

- I've always said that one thing that makes Flagler Beach unique is it's resistance to change. My goal is to make the inevitable changes in Flagler Beach as smooth a transition as possible.
