I responded to 5415 North Ocean Shore Boulevard, Palm Coast, FL 32137 (Publix) in reference to the reported traffic accident. The investigation revealed that Vehicle 2 (v2) was parked in a parking space near the front of the store. The vehicle was occupied by N and Army P Both N and Army Both N witnessed Vehicle 1 (v1) attempt to park in the parking space to the left or north of v2, but instead strike v2. They both observed v1 then back up and then drive away. N advised that the driver appeared to be an older black male driver with gray short curly hair. A photograph was provided at that time, advising that the vehicle that had struck the vehicle was captured by photograph by one of the witnesses as it drove away. The photograph provided a the vehicle's tag information. I observed that v2 had been struck at the driver's side towards the rear of the vehicle. I observed that it had light colored, silver or white paint transfer with a dent within the body. Deputy Cowan responded to the address provided for v1's tag information, 22 Hammock Beach Pkwy, Palm Coast, FL 32137, and made contact with Howard Holley (p1). She advised me that Holley was read his Miranda warnings and then admitted that he was driving v1 and then left the scene. He stated that he didn't know why he left after the accident and that maybe it was just from being tired due to returning from a trip. I observed that the front passenger side of the vehicle had a large dent in its corner. Holley was issued a criminal traffic citation for leaving the scene of an accident with property damage, while the vehicle was attended. He was given a court date of 9/3/2013 at 8:30am at 1769 East Moody Boulevard, Building 1, Bunnell, FL 32110 (Citation #3339-GUC). Holley was at fault for the accident due to careless driving.
