Ms. Sandi Bolser, City Clerk
City of Bunnell
1769 E. Moody Blvd.
Bunnell, FL 32110
Via: sbolser@bunnellcity.us

Dear Ms. Bolser, Others that may be assisting with the City Manager Recruitment, and Honorable Mayor and City Commissioners:

I am writing to apply for the City Manager position. I saw your announcement on the ICMA website initially and have subsequently looked over the City website. Please find my résumé and a complete list of references attached as separate files.

I offer approximately eight (8) years of experience managing full service municipalities in three states; overall, I bring 10 years of experience in state and local government administration. During my years in local government leadership, I have been responsible for and have worked in/with all of the areas, departments, and issues typical of a full service community--including absolutely all of the duties and other expectations mentioned in your announcement.

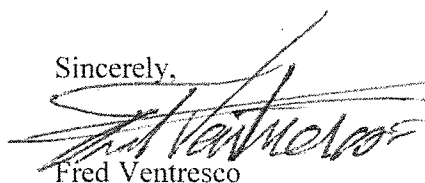

I hold a bachelor's degree in public management and business, have completed all of the courses for my master's degree in public administration (MPA), and have consistently kept up with professional development through ICMA and other organizations. Please see my résumé for more details on my qualifications and history.

I would greatly value an opportunity/interview to discuss my serving Bunnell as City Manager. Of course, if you should have any preliminary questions, I trust you will not hesitate to contact me at your convenience.

In response to your inquiry, my salary/compensation requirements are open to discussion and should be within the range you stated.

It is with anticipation that I look forward to our future contact.

Sincerely,

Fred Ventresco
