Subject: Relocating Mud Muckers

Allen,

We are moving the MudMuckers, Northwest of Highway 304. It will be east of Old Haw Creek Road and north of Chicken Farms Road. This is so you can have the ordinance.

The established trail ride will be monitored and only on marked trails. No one will be permitted to go off of the trails. It will be similar to Cracker Ranch. Please contact us if more information is needed. We wish to have a trial run the first of April to see how things go and then we will proceed from there for any future rides.

if you would like to meet with us with any questions or any advise on having this please contact George Allen at 386-286-7694. Or Albert Johnston at 386-931-2725.

You may also email any reply to this address.

Thank you,
George Allen
