Complaint amended

September 29,2024

My Constitutional Rights Are Being Violated! As are the Rights of the Citizens of Palm Coast.

For, The City Of Palm Coast which includes:

The City's Mayor (David Alfin), Council Members (Ed Danko), Council Member (Teresa Pontieri), Council Member (Nick Klufas), Resigned Council Member (Cathy Heighter), Acting City Manager (Lauren Johnston) and City Attorney (Marcus Duffy) **have Knowingly, Willfully** (and or) Voted to **place the known Deceptive Language** or recently altered language without proper notice and inspection by the electors **on the upcoming Ballot for Vote.**

For individually and or collectively, you are in violation of one or more, but not limited to the current **Palm Coast Charter, Sunshine Laws, Florida Statute, Federal Laws and the US Constitution.**

- **By Removing Provision (3)(e), You Eliminate the Voice and Vote of the People.**
and offered an *"after the fact Resolution"* to replace our vote with a 4/1 vote of the Council.
- **By Removing Provision (3)(e), You Eliminate The City's Spending Cap.**
- **By Removing Provision (3)(e), You Eliminate The City's 36 Month Repayment Deadline.**
- **By Removing Provision (3)(e), You Eliminate The City's Accountability.**
- **By Removing or Changing Provision (3)(e), there is High Risk of Long Term, Irreparable Damages to the Citizens of Palm Coast.**

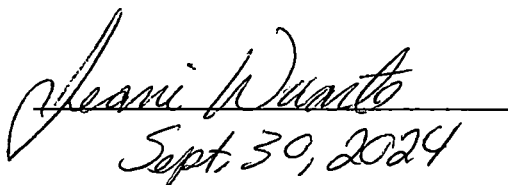

For it is the Sovereign Power of the Palm Coast Charter that governs the City of Palm Coast.

By taking this Referendum from thought to ballot raises other very serious questions and concerns dating back to the 2018 Election.

Prayer of Relief Sought:

To Remove or Cancel Amendment 1, having to do with Provision (3)(e),

in it's entirety from the Upcoming Ballot for Vote.
