Retiring. I was told when I entered DROP back in February that I technically had to retire, and then either fulfill the full five years of DROP or separate at some point in between.

My intention is to retire.

Thank you.

Respectfully,  
Dave

Thank you for the opportunity to serve under your command. Following much thought and consultation with my family, I decided to resign effective July 15, 2019. Please know I wish you nothing but success and cannot wait to see what the future holds for this agency I love so much and has been such a big part of my life for 26 years. I pray for God's blessings and safety over everyone in this organization.

My only parting request is that you grant me the privileges customarily afforded members retiring in good standing. If I may ever be of service to you, I hope you won't hesitate to call me.
