Dear Judge Walsh

I am writing in behalf of my sister Lynn Pehota.

I know she did a terrible thing of shooting her husband Jack.

She has been under extreme pressure of Jack's illness for years. Jack had his first heart attack at the age of 38. She has taken very good care of him in all aspects. He has always been on the edge of whether he was going to live to see another day.

My name is Carol Bray. My sister is a very understanding person with compassion. I know because I have a disability and she has been there for me.

I hope you can get the help my sister needs.

I want to thank you for anything you can do.

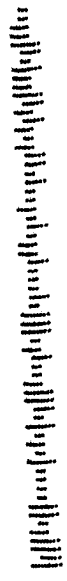

Thank You  
Carol Bray
