"2015 World Lupus Day Proclamation"

Whereas, *lupus is an autoimmune disease that can cause severe damage to the tissue and organs in the body and, in some cases, death; and*

Whereas, *more than five million people worldwide suffer the devastating effects of this disease and each year over a hundred thousand young women, men and children are newly diagnosed with lupus, the great majority of whom are women of childbearing age; and*

Whereas, *medical research efforts into lupus and the discovery of safer, more effective treatments for lupus patients are under-funded in comparison with diseases of comparable magnitude and severity; and*

Whereas, *many physicians worldwide are unaware of symptoms and health effects of lupus, causing people with lupus to suffer for many years before they obtain a correct diagnosis and medical treatment; and*

Whereas, *there is a deep, unmet need worldwide to educate and support individuals and families affected by lupus; and*

Whereas, *there is an urgent need to increase awareness in communities worldwide of the debilitating impact of lupus;*

NOW THEREFORE, *I, Catherine D. Robinson, as Mayor of the City of Bunnell, Florida do hereby extend greetings and best wishes to all observing, May 10, 2015 as*

"World Lupus Day".

and in the name of the City of Bunnell, I encourage all citizens to join together with lupus organizations around the globe to call for increases in public and private sector funding for medical research on lupus, targeted education programs for health professionals, patients and the public, and worldwide recognition of lupus as a significant public health issue.

Adopted this 11th day of May, 2015

Catherine D. Robinson, Mayor *Sandra Bolser, CMC, City Clerk*

Seal:

Certificate of Appreciation

Reverend Beth Gardner

This Certificate is presented to Reverend Beth Gardner in recognition of her enthusiasm and dedication to the City of Bunnell, and its residents by serving and tending to those in need and showing them their worth to the One who matters.

"There is no exercise better for the heart than reaching down and lifting people up." - John Holmes

_____

Catherine D. Robinson, Mayor

Presented this 11th day of May 2015

Certificate of Appreciation

Charles Gardner

This Certificate is presented to Charles Gardner in recognition of his outstanding services to the City of Bunnell, as a member of the Charter Review Board; Planning, Zoning and Appeals Board and the Citizens Advisory Committee for the River to Sea TPO.

"People of excellence go the extra mile to do what's right." ~ Joel Osteen

_____

Catherine D. Robinson, Mayor
Presented this 11th day of May 2015

City of Bunnell, FL

BUNNELL CITY COMMISSION MEETING MINUTES

Monday, April 27, 2015 at 7:00PM

201 W. Moody Boulevard/S. Forsyth Street, Bunnell, FL 32110

A. Call the Meeting to Order, Pledge Allegiance to the Flag, Roll Call, and Invocation for our Military Troops, First Responders, and National Leaders. Mayor Robinson called the meeting to order at 7:01 PM, led the pledge to the Flag, and called the roll. All Commissioners were present. Commissioner Tucker led the Invocation. Mayor Robinson then led a prayer in honor of former Commissioner Daisy Henry who lost her granddaughter and another family member this past weekend.

B. Introductions, Commendations, Proclamations, and Presentations:

B-1 Proclamation: Mayor Robinson read and presented the proclamations.

- **a.** "Drug Court Month." Received by Judge David Walsh and Drug Court Manager Mike Greenier.
- **b.** "Motorcycle Awareness Month."

B-2 Presentation: Quarterly Beautification Award Certificates: Mayor Robinson presented the awards.

- **a. Residential:** John & Patricia Sowell - 128 Grand Reserve Dr.
- **b. Commercial:** Waste Pro of Florida, Inc. - 401 S. Bay St. Received by Mr. Joe Cinelli.

C. Consent Agenda:

C-1 Approval of Warrant

C-2 Approval of Minutes

- **a.** 2015 04 13 City Commission Meeting Minutes

C-3 Approve updated Safety Policy

Motion: Approve Consent Agenda items C-1 and C-2.
Motion By: Vice Mayor Rogers
Seconded By: Commissioner Baxley
Board Discussion: None
Public Discussion: None
Vote: Motion carried unanimously.

Motion: Table Consent Agenda item #C-3.
Motion By: Commissioner Robinson
Seconded By: Vice Mayor Rogers
Board Discussion: Pulled and tabled by Commissioner Robinson because she could not locate the updated safety policy on-line to review.
Public Discussion: None

Vote: Motion carried unanimously.

D. Public Comments:

Comments regarding items not on the Agenda. Citizens are encouraged to speak; however, comments are limited to four (4) minutes.

Pastor Bill Knight, Associate Pastor of Church on the Rock – I'm here tonight along with Reverend Elijah Emanuel and on behalf of several other pastors who could not be here tonight, to include Pastor Campatella and Pastor Daisy Henry, in support of Pastor Alice Emanuel. We're here to talk about a lot of negative activity that goes on in our city that is disturbing to residents. As religious leaders we're coming together to try to get a handle on what we can do. I'd like Pastor Emanuel to speak because she's a long time resident and has some concerns to bring to your attention.

Pastor Alice Emanuel, South Cherry St. – The loud music, activities, shootings, and fighting is getting ridiculous. It's to the point where you really don't want to live there, but I don't want to move because I've lived here all my life. It goes on all through the week. I have to go stay with my daughter in Palm Coast to get rest at night. Sometimes the music goes on until 2:00 in the morning. Shootings go on most of the night, most of the time. One night there was so much activity on Booe, the police were working on one end of the street and we had to wait until they settled that before they could come down on our end to get the music shut off. People are occupying empty lots as if they own them. They park their cars in the middle of the road and we can't get by them. It's a big problem. They have taken over Booe. What can the city do so we can at least get some rest at night?

Pastor Knight - We've met with Chief Foster, and we're working along with him. He's given us some advice, but we also wanted to bring this matter to your attention.

Response by Mayor Robinson – Mr. Williams, would you please get with the chief and these people to get to the bottom of this. Vice Mayor Rogers stated he wants to be involved as well. Mr. Williams – Chief Foster has been working on this, and they're right, it's gotten worse. I'm glad they're coming together. We have the National Day of Prayer coming up, and we should also prayer for them.

E. Ordinances: (Legislative):

E-1 Ordinance 2015-05: Amending Code of Ordinances Section 26; Off Road Vehicles - First Reading

Motion: Approve Ordinance 2015-05 on First Reading.
Motion By: Commissioner Tucker
Seconded By: Commissioner Robinson
Board Discussion: City Attorney Wade Vose read the short title for the record. Community Development Director Cuthbertson explained the purpose of the ordinance.
Public Discussion: None
Vote: Motion carried unanimously.

F. Resolutions (Legislative):

F-1 Resolution 2015-08 – Authorizing issuance of Water and Sewer Revenue Note 2015

Motion: Adopt Resolution 2015-08, contingent upon final approval by USDA.
Motion By: Vice Mayor Rogers
Seconded By: Commissioner Baxley
Board Discussion: City Attorney Wade Vose read the short title for the record. Mr. Vose then advised the commission the resolution has been updated to provide for two additional items, since the agenda packets were distributed. First, the approval of this resolution and the next one on your agenda is contingent upon final approval by USDA. Ameris Bank has kept the rate the same, so we wanted to go

ahead and get your approval while we're waiting for USDA to approve. Second, we added back in some provisions that were in the former USDA bonds so the new bonds will track exactly the same in their obligations as the old bonds. So everything will be the same except a lower interest rate.
Public Discussion: None
Vote: Motion carried unanimously.

F-2 Resolution 2015-09 – Amending Resolution 2013-16A

Motion: Adopt Resolution 2015-09, contingent upon final approval by USDA.
Motion By: Commissioner Robinson
Seconded By: Vice Mayor Rogers
Board Discussion: City Attorney Wade Vose read the short title for the record. Ms. Gurnee stated this Resolution is required by USDA and that our bond counsel drafted this resolution for us.
Public Discussion: None
Vote: Motion carried unanimously.

F-3 Resolution 2015-10 – Approving a Supplemental Agreement to the LAP agreement for Flagler Central Commerce Parkway

Motion: Adopt Resolution 2015-10
Motion By: Commissioner Tucker
Seconded By: Commissioner Baxley
Board Discussion: City Attorney Wade Vose read the short title for the record. City Engineer Tiblier gave further explanation on the item.
Public Discussion: None
Vote: Motion carried unanimously.

G. Old Business: *None*

H. New Business:

H-1 Request for update on the status of Bunnell Flagler County Utility - Vice Mayor Rogers

Vice Mayor Rogers stated he thinks it's time we have a joint workshop with the County to discuss this issue. It's been taxing our staff, and I'd like to start the process of the County taking this over. If we ever need to buy water and sewer we should be able to do that at cost. Mr. Vose added that he and Mr. Williams, Mr. Green, and Ms. Gurnee have had many discussions with the County and have given the County all the documents and information they have requested in order to facilitate this transaction. I would think at this point, from a policy standpoint, the two commissions get together for a discussion. We'll schedule soon. Commissioner Tucker asked if that would be within a month. Mr. Williams responded that we'll meet as soon as the County is ready. Vice Mayor Rogers added that he would push for the month of May, because of upcoming summer vacations.

H-2 Approve the revised Interlocal Agreement between Flagler County and the City of Bunnell as it relates to the County's CDBG Application for the Carver Center Improvements

Motion: Approve the revised Interlocal Agreement between Flagler County and the City of Bunnell as it relates to the County's CDBG Application for the Carver Center Improvements.

Motion By: Vice Mayor Rogers
Seconded By: Commissioner Tucker
Board Discussion: Talked this over with our Attorney and DEO and they are both good with this agreement. Commissioner Tucker stated the key to the agreement is the clause that states the County agrees to withdraw their application and resubmit for federal funding if their application displaced the cities application, for any reason. Vice Mayor Rogers added he's glad we're able to accommodate the County as they have been very good to us. They have been not just our neighbor, but a big brother to us.
Public Discussion: Flagler County Commissioner Barbara Revels thanked the commission for taking another look at this. The county agrees the city needs the drainage application approved before ours.
Vote: Motion carried unanimously.

I. Reports:

- **City Clerk:** Nothing to Report.
- **City Attorney:** Nothing to Report. Have all the commissioners completed the state required ethics training? Commissioner Tucker responded he will be doing his four hours Wednesday in Putnam County. Vice Mayor Rogers said he would attend as well. All others have already completed the training.
- **City Manager:** Can we move our meeting time to 6:30 or 6:00 instead of 7:00PM? Commissioner Baxley likes 7:00PM. Mayor said we've had it at 7:00 forever. (Time will stay the same.) Also, Chief Foster has been working hard within the community. Our people are doing a great job. Finally, the National Day of Prayer is Thursday, May 7th, 11:30 AM at Eddie Johnson Park. We have seven pastors on tap to speak. We'll have snacks and refreshments available.
- **Mayor and City Commissioners:**
  - **Commissioner Robinson:** Would like to be updated on BFCU before we workshop with the county.
  - **Vice Mayor Rogers:** Chiumento Law offices donated $500 to the City for refreshments for the National Day of Prayer. Dan Davis is doing a good job organizing that event. The pastors are right. There is a problem with the partying and loud music. Let's do what it takes to stop it, before innocent blood is shed.
  - **Mayor Robinson:** When will the budget process begin? Mr. Williams - Auditing is on track, budget process will start soon after.

J. Call for Adjournment.
Motion: Adjourn the meeting at 7:50 PM.
Motion By: Vice Mayor Rogers
Seconded By: Commissioner Baxley
Vote: Motion carried unanimously.

City of Bunnell, Florida

SAFETY MANUAL

~~Revised: March 2009~~

INTRODUCTION

Safety is a full-time occupation – at work, at home, wherever we may be. Here at the City of Bunnell, Florida, your safety is a responsibility shared equally by management and its employees.

The City safety rules and regulations outlined in this booklet are not all inclusive, but are designed to keep you safe and to make the City a safe place to work.

In addition to the City safety rules listed, each department has its own safety regulations that are specific to that department. These departmental rules do not supersede the City rules, but are a supplement to them.

Wherever there is a question where safety may be involved, check with your supervisor. An unanswered question could lead to an accident.

Remember, use common sense, and obey all safety rules and regulations. Our goal is zero accidents and injuries.

SECTION I

MANAGEMENT COMMITMENT AND INVOLVEMENT POLICY STATEMENT

The ~~management of the~~ City of Bunnell, Florida is committed to providing employees with a safe and healthful workplace. It is the policy of the City that employees report unsafe conditions and do not perform work tasks if the work is considered unsafe. Employees must report all accidents, injuries, and unsafe conditions to their supervisors. No such report will result in retaliation, penalty, or other disincentive. Any injury requiring medical attention will be subject to drug testing.

Employee recommendations to improve safety and health conditions will be given thorough consideration by our safety and ~~our~~ management team. Management will give top priority to and provide the financial resources for the correction of unsafe conditions. Similarly, management will take disciplinary action against any employee who willfully or repeatedly violates workplace safety rules. This action may include verbal or written reprimands and may ultimately result in termination of employment.

The primary responsibility for the coordination, implementation, and maintenance of our workplace safety program has been assigned to:

Name: ~~Public Works Director~~ HR Officer
Telephone: 386-437-7500 Fax: 386-437-7503

Senior management will be actively involved with employees in establishing and maintaining an effective safety program. The HR Department, as well as members of our Safety Committee and management team, will participate with you or your department's employee representative, in ongoing safety and health program activities, which include:

- Promoting Safety Committee participation
- Providing safety and health education and training
- Reviewing and updating workplace safety policies and procedures

This policy statement serves to express ~~management's~~ the City's commitment to and it's involvement in providing our employees a safe and healthful workplace. This workplace safety program will be incorporated as the standard of practice for ~~this organization~~ the City. Compliance with the safety rules will be required of all employees as a condition of employment.

Signature of City Manager **Date**

SECTION 2

RESPONSIBILITIES

DEPARTMENT HEAD

The Department Head shall be primarily responsible for the safe operation of their ~~his or her~~ Department. The Department Head has regular contact with both first line supervisors and employees in ~~his or her~~ their Department. The Department Head must ensure the safety of each employee and the efficient operation of the departmental functions. Any disciplinary action arising from violations of this safety policy is the direct responsibility of the Department Head.

SUPERVISORS

The First Line Supervisor has the primary responsibility for the implementation of definite safety policies established by the City Management, Department Heads, and the Safety Committee. They or their designee are also responsible for holding safety meetings at least bi-monthly and more often if deemed necessary.

EMPLOYEES

Employees are expected to follow all safety procedures. This cooperation is needed to ensure protection of employees, City equipment, City buildings, and the public. Employees are encouraged to ~~detect~~ be aware of and report to their supervisors or Safety Committee representatives, any hazardous conditions, practices, and behaviors, and to make suggestions for their correction. All suggestions submitted to the Safety Committee ~~are~~ shall be taken into consideration and reflected in the minutes.

SECTION 3

SAFETY COMMITTEE

SAFETY COMMITTEE ORGANIZATION

A Safety Committee has been established to recommend improvements to our workplace safety program and to identify corrective measures needed to eliminate or control recognized safety and health hazards. ~~The Safety Committee consists of one representative from each department and the Safety Officer~~.

APPOINTMENTS ~~& TERMS OF OFFICE~~

~~Two~~ A member from each area/department shall be appointed by the Department Head ~~to serve a period of two years.~~ with the number of committee members not to exceed eleven.

RESPONSIBILITIES

1. The Safety Committee shall determine the schedule for evaluating the effectiveness of control measures used to protect employees from safety and health hazards in the workplace.

2. The Safety Committee ~~will~~ shall be responsible for assisting management in reviewing and updating workplace safety policies and procedures based on accident/incident investigation findings, any inspection findings, and employee reports of unsafe conditions or work practices; and accepting and addressing anonymous complaints and suggestions from employees.

3. The Safety Committee ~~will~~ shall be responsible for assisting management in updating the workplace safety program by evaluating employee injury and accident records, identifying trends and patterns, and formulating corrective measures to prevent recurrence.

4. The Safety Committee ~~will~~ shall be responsible for assisting management in evaluating employee accident and illness prevention programs, and promoting safety and health awareness and coworker participation through continuous improvements to the workplace safety program.

5. Safety Committee representatives ~~will~~ shall participate in safety training and be responsible for assisting management in monitoring workplace safety education and training to ensure that it is in place, that it is effective, and that it is documented.

MEETINGS

Safety Committee meetings shall be held bi-monthly, or more often as the need arises. The ~~designated Committee member may distribute the minutes of each meeting within one week after each meeting.~~ Minutes are distributed to all department heads, all department/division supervisors, all committee representatives, and posted on each department/division bulletin board.

~~COMMUNICATION~~

~~The Safety Officer will act as a liaison between the Safety Committee and management while the Safety Committee Representatives act as the liaison between the Safety Committee and their respective departments.~~

~~Within five working days after each Safety Committee meeting, the HR Department shall communicate to management, either verbally or in writing, those issues determined by the Safety Committee.~~

~~Within ten working days after each Safety Committee meeting, each committee representative will hold a department safety meeting to report on the actions of the committee.~~

SECTION 4

SAFETY AND HEALTH TRAINING

SAFETY AND HEALTH ORIENTATION

Workplace safety and health orientation begins on the first day of initial employment or job transfer. Upon initial employment or job transfer, employees are required to read and verify by signature, that the employee has ~~they have~~ read and understands identified parts of the safety manual. Each employee has access to a copy of this Safety Manual, through his or her supervisor, for review and future reference, and will be given a personal copy of the safety policies and procedures pertaining to his or her job, if requested. Supervisors will ask questions of employees and answer employee's questions to ensure knowledge and understanding of safety policies, and job-specific procedures described in our workplace safety program manual. All employees will be instructed by the supervisor that compliance with the safety policies and procedures, described in the workplace safety manual, is required.

JOB-SPECIFIC TRAINING

1. Supervisors will initially train employees on how to perform assigned job tasks safely.
2. Supervisors will carefully review with each employee the specific safety policies and procedures that are applicable, and that are described in the workplace safety manual.
3. Supervisors will give employees verbal instructions and specific directions on how to do the work safely and provide documentation.
4. Supervisors will observe employees performing the work. If necessary, the supervisor will provide a demonstration using safe work practices, or remedial instruction to correct training deficiencies before an employee is permitted to do the work without supervision.
5. All training will be documented and copies retained in employee's personnel file.
6. All employees will receive ~~safe~~ best operating instructions on seldom-used or new equipment before using the equipment.
7. Supervisors will review ~~safe~~ best work practices with employees before permitting the performance of new, non-routine, or specialized procedures.
8. Supervisors shall, where applicable, distribute job related safety equipment to employees and train them on its usage. Employees shall sign for the receipt of the safety equipment and acknowledge understanding of its usage.

PERIODIC RETRAINING OF EMPLOYEES

All employees will receive periodic updated training, concerning ~~be retrained periodically on~~ safety policies and procedures, and when changes are made to the workplace Safety Manual. Individual employees will receive updated training ~~be retrained~~ after the occurrence of a work-related injury caused by an unsafe act or work practice, and when a supervisor observes employees displaying unsafe acts, practices, or behaviors.

Palm Coast, Florida, FL 32164
386-586-2000

MINOR FIRST AID TREATMENT

1. First aid kits are kept in every City facility ~~building~~ (see your Safety Committee Representative for specific locations) and in every City vehicle. If you sustain an injury or are involved in an accident requiring minor first aid treatment:
2. Inform your supervisor immediately.
3. Administer first aid treatment to the injury or wound.
4. If a first aid kit is used, indicate usage on the Incident/Injury Report form.
5. Access to a first aid kit is not intended to be a substitute for medical attention.
6. Provide details to your Supervisor for the completion of the Incident/Injury Report form.
7. Insure that the first aid kit is replenished.

NON-EMERGENCY MEDICAL TREATMENT

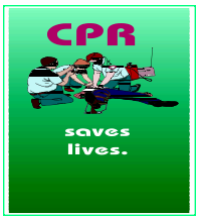
For non-emergency work-related injuries requiring professional medical assistance, management must first authorize treatment. If you sustain an injury requiring treatment other than first aid:

1. Report the injury to your supervisor – ~~he/she~~ They will notify the HR Department at 386-437-7500.
2. Proceed to the approved medical facility. Your supervisor will assist with transportation, if necessary.
3. Provide details for the completion of the Incident/Injury Report form.
4. Supervisor completes the Incident/Injury Report form and sends to the HR Department.
5. If able, the injured employee will sign the report.

EMERGENCY MEDICAL TREATMENT

1. If you sustain a severe injury requiring emergency treatment: Call 911
2. Proceed to nearest emergency treatment center.
3. Report the injury immediately to your Supervisor – he/she will notify the HR Department at 437-7500.
4. Supervisor completes the Incident/Injury Report form and sends to the HR Department.

FIRST AID AND CPR TRAINING



Each employee will receive instructions from his or her supervisor on first aid procedures. In addition, the City will provide formal First Aid and CPR training to any employee requesting to attend on a periodic basis. Periodic update training must be received in order to maintain CPR certification.

FIRST AID INSTRUCTIONS

In all cases requiring emergency medical treatment, immediately call 911, or have a co-worker call 911 to request emergency medical assistance. Supervisor will notify HR.

Wounds:

Minor – cuts, lacerations, abrasions, or punctures
Wash the wound using soap and water; rinse it well.
Cover the wound using clean dressing.

Major – large, deep and bleeding
Stop the bleeding by pressing directly on the wound, using a bandage or cloth.
Keep pressure on the wound until medical help arrives.

Broken Bones:

- Do not move the victim unless it is absolutely necessary.
- If the victim must be moved, "splint" the injured area. Use a board, cardboard, or rolled newspaper as a splint.

Burns:

Thermal (heat)

- Rinse the burned area without scrubbing it, and immerse it in cold water; do not use ice water.

- Blot dry the area and cover it using sterile gauze or a clean cloth.

Chemical
- Flush the exposed area with cool water immediately for 15 to 20 minutes.

Eye Injury:

Small particles

- Do not rub eyes.
- Use the corner of a soft clean cloth to draw particles out, or hold eyelids open and flush the eyes continuously with water using an eye wash station.

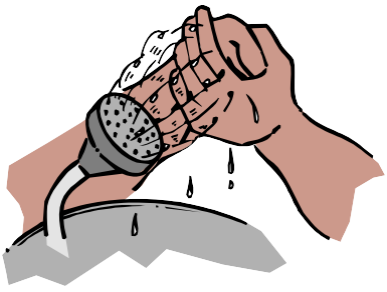
Large or stuck particles
- If a particle is stuck in the eye, do not attempt to remove it.
- Cover both eyes with bandage.

Chemical
- Immediately irrigate the eyes and under the eyelids, with water for 3 to10 minutes.

Neck and Spine Injury:
- If the victim appears to have injured his or her neck or spine, or is unable to move his or her arm or leg, do not attempt to move the victim.

Heat Exhaustion:
- Loosen the victim's tight clothing.
- Give the victim "sips" of cool water.
- Make the victim lie down in a cooler place with the feet raised.

Exposure:
- Wash affected area with soap and warm water.
- Notify supervisor immediately.



EXPOSURE PROCEDURES

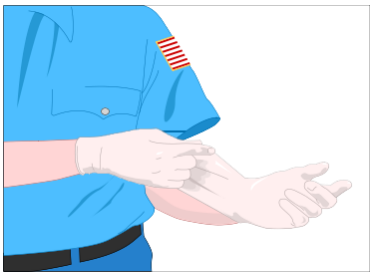
1. Notify Supervisor immediately.

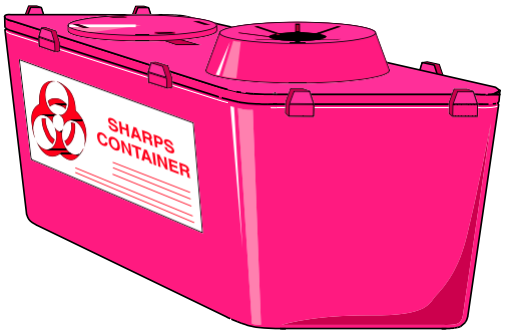
2. Report exposure to the HR Department during work hours and the Preferred Governmental Claim Solutions (PGCS) 1-866-629-7710 after work hours.

3. City employees, depending on classification and job assignment, may come in contact with blood, body fluid and/or airborne pathogens. These pathogens may be dangerous to the employee's health, if proper protective equipment is not worn. It is the responsibility of the employee to insure that proper protective equipment is worn and replaced, as needed, to maintain the highest level of safety in their work environments.

4. If an employee does come in contact with blood or other body fluids, the employee should immediately wash the affected area with soap and warm water. The supervisor should then be contacted to document the exposure and provide further treatment as indicated in the communicable disease plan.

5. In determination of significant and non-significant exposure levels, contact Mediquik. All significant exposures go directly to Florida Hospital Flagler.





SECTION 6

WORKERS COMPENSATION / INJURY PROCEDURES

RESPONSIBILITIES

1. The City of Bunnell, Florida is insured for workers' compensation by Preferred Governmental Insurance Trust (PGIT). The administration of this program is assigned to the HR Department to assure employees of the appropriate medical treatment if injured, to minimize hardships created by the injury, to facilitate their return to duty, and to promote and provide safe working environments and practices.

2. The workers' compensation program adopted by the City assures that laws governing workers' compensation will be liberally construed in favor of the employee; no employee will be discharged or otherwise discriminated against because he reports any work-related injury or otherwise applies for workers' compensation benefits.

DEFINITIONS

Incident: Any incident, property damage, accident, injury, exposure or auto accident occurring while on the job.

Incident/Injury Report Form: The Form used to report all incidents, injuries, exposures, and auto accidents occurring while on the job. **Note:** exposures are also accompanied by an Exposure Report Form. The contact for exposures is the Fire Department.

MediQuik, Inc.: A managed care medical treatment facility where injuries are treated Monday-Friday 8:00 a.m. to 8:00 p.m.; Saturday 8:00 a.m. to 6:00 p.m.; Sunday and Holidays 10:00 a.m. to 5:00 p.m.

Preferred Governmental Insurance Trust, Inc. – This is the insurance carrier who handles our claims.

Recorded Statement: A statement required by the insurance company when there is a potentially serious injury that may have life-long effects, or when trying to establish a causal relationship from the injury that occurred to how the injury occurred.

Claims Adjuster or Case Manager: Person who either directly or indirectly represents the insurance company.

Occupational Injury: A ~~personal~~ bodily injury arising out of and in the course of employment, and includes an injury caused by the willful act of a third person directed against an employee because of his employment. Treatment for these injuries is outlined below and supervisory personnel shall ensure compliance.

Occupational Illness: A disease caused by certain hazardous conditions or materials when there is a direct causal connection between the condition under which the work is performed and the occupational disease.

Exposure Related Injuries: Can be any blood borne (hepatitis, HIV), airborne (TB, chemical) exposure where employees go to Florida Hospital Flagler (only when it is considered significant in nature).

INJURIES REQUIRING EMERGENCY MEDICAL TREATMENT

1. Serious injuries requiring immediate emergency medical treatment, such as profuse bleeding, broken bones, unconsciousness, shock, etc., shall warrant immediate emergency treatment.

2. In emergencies, use the nearest hospital emergency room, which, in the City of Bunnell, Florida and immediate surrounding areas, is Florida Hospital Flagler. In cases of serious injury, when a listed City-authorized healthcare provider is not immediately available, the nearest medical facility may be used. This exception, however, should be necessary only in rare instances. Except in bonafide emergencies, the insurance company denies financial responsibility for medical treatment obtained from doctors or medical facilities other than those on the City-authorized healthcare provider list.

3. Private or City vehicles should be used to transport a seriously injured employee only when an ambulance or paramedic is not readily available or is unobtainable. The facility nearest the accident scene shall be used.

4. For all emergencies, call for EMS assistance and transport to the local hospital emergency room.

5. Administer first aid until help arrives. Every City facility worksite (work crew) shall have at least one person qualified in first aid and CPR per shift, and a functional first aid kit.

6. The injured person's supervisor or rescue personnel shall, when possible, advise the hospital emergency room personnel of the nature of injuries of the patient being sent to them. This can be done by telephone.

7. Injuries within this emergency category shall be reported by telephone after hours to Preferred Gov't Insurance Trust (PGIT) 1-800-428-8159 and during work hours to the HR Department. This does not eliminate the need for written Incident/Injury Reports, which must be submitted to the HR Department as soon as possible.

INJURIES REQUIRING A PHYSICIAN'S CARE – NON-EMERGENCY:

1. Unless the employee is in danger of losing life or limb the supervisor will call the HR Department 386-437-7500 (during normal work hours) to report the incident and secure authorization for treatment and referral for treatment to a City-authorized healthcare provider.

2. Failure to comply with this provision will result in the employee being responsible for payment for services provided.

3. Upon the notification that an employee has been injured on the job, the supervisor shall ensure that: First aid is administered and the injury is assessed.

4. If treatment by a medical doctor is required, the injured employee shall be taken to the City-authorized healthcare provider as authorized after referral by the HR Department 386-437-7500 (during normal work hours) and PGIT 1-800-428-8159 after normal work hours.

5. The HR Department shall be notified immediately or as soon as possible during the normal work hours at 386-437-7500. The Incident/Injury Report should be completed and send to the HR Department.

FIRST AID TREATMENT IN THE FIELD OR OFFICE:

Superficial injuries such as minor cuts, bruises, small punctures, scratches, etc., can be treated in the field or office by an employee, qualified to administer first aid, with a first aid kit. Such injuries shall be made a matter of record by the supervisor by reporting to Care Management Systems (CMS) and Incident Report shall be sent to the HR Department.

ESTABLISHING A WORKERS' COMPENSATION CLAIM:

1. It is not necessary for a physician to treat an injury to validate an injury claim. A minor injury such as a small cut, puncture, scratch or bruise should be treated in the field by someone qualified to administer first aid from a kit. As long as the injury is reported to the supervisor and PGIT 1-800-428-8159 the employee will be covered for medical treatment later if the need should arise.
2. However, minor injuries may require a random drug and alcohol test. Determination is made by the HR Department in consultation with the Supervisor.

FALSE CLAIMS

An individual who makes a false statement of a material matter which is willfully made with an intent to deceive, or an individual who collaborates in making a false claim, is committing a criminal act and shall be subject to the full penalties provided by the law.

DOCTOR AND PRESCRIPTION BILLS

1. After treatment of an injury, bills for medical treatment and medicines are normally sent directly to PGIT for payment. However, bills are sometimes inadvertently sent to the employee for payment and the employee frequently ignores them until threatening letters are received from some collection agency. Employees have a responsibility to forward such bills to PGIT for processing, immediately upon receipt so they can be paid.

2. Employees are entitled to reimbursement for mileage for medical treatment and for prescriptions. It is the responsibility of the employee to submit mileage claims to Preferred Governmental Insurance Trust (PGIT) or to the HR Department to be sent to PGIT.

3. If a pharmacy that the employee typically uses does not want to fill the prescription, notify the HR Department of the name of the pharmacy and the phone number.

EMPLOYEE RETURN TO WORK AFTER INJURY

A supervisor shall not allow an employee to return to work after an occupational injury or illness unless he receives a work status written by the treating physician.

WORKERS COMPENSATION RECORDS

Records are maintained for a minimum of three (3) years and include: Incident/Injury Report form, Safety committee agendas, minutes, and correspondence (on file in the HR Department office).

SECTION 7

REPORTING REQUIREMENTS

INJURY REPORTING

1. ~~All injuries must be reported immediately. Ensuring full employee benefits, reasonable liability benefits, and reasonable liability adjustments at lowest cost to the City is totally dependent upon proper reporting. It is the responsibility of each employee and the supervisor to report all incidents in accordance with this reporting procedure.~~

2. Reporting of Injuries – Regardless of the degree of injury, the employee shall report its occurrence to the supervisor immediately thereafter, or as soon thereafter during the current shift as is practicable. The supervisor shall insure that an Incident/Injury Report is done immediately and faxed to the HR Department 386 437-7503 and the original is sent via interoffice mail.

3. Florida Law requires that every employer who is insured against any liability imposed by the State shall file with the insurance carrier a complete report of every injury arising out of, or in the course of, employment.

4. The supervisor shall thoroughly investigate the cause of each injury occurring within his area of operations and record his findings and recommendations on the Incident/Injury Report.

FATALITY REPORTING:

The death of an employee as a result of an injury by incident arising out of, and in the course of employment, shall be reported to the HR Department immediately by telephone 386 437-7500. The supervisor in charge shall be responsible for making the call and providing as much initial information as possible. Fatality must be reported to PGIT and OSHA within 24 hours, if not reported in this time a fine will be assessed to the City.

AUTO ACCIDENT REPORTING

1. **All** auto accidents involving an employee, a City vehicle, or City property will be reported to the HR Department as soon as possible.

2. All auto accidents must have a police report done.

3. **All** employees involved in an auto accident, a City vehicle accident, or accident involving damage to City property, whether at fault or not, must have a drug and alcohol screening.

SUDDEN SEVERE ILLNESS REPORTING

Sudden illness occurring to employees during duty hours requiring emergency medical treatment such as possible heart attacks, strokes, seizures, fainting, etc., shall be reported to the HR Department (386 437-7500) by telephone as soon as possible.

INCIDENT/NEAR MISS REPORT

1. Close calls or near incident information is frequently as valuable as Incident Reports in flagging hazardous procedures or conditions.

2. Supervisors shall encourage employees to report on incidents that nearly produced an injury.

3. Information gained from such reports will then be disseminated to all that can benefit from the lesson.

4. Complete the Incident/Injury Report, note that it was a "near incident", and send to the HR Department.

HAZARD REPORTING

1. Equipment or facilities that are poorly designed for the task at hand, and in themselves constitute additional hazards to personnel, shall be reported to the HR Department if attempts to make corrections have failed.

2. Information furnished by such a report can be used to advantage when future procurement of equipment or construction of buildings is anticipated.

3. Tools and other equipment can frequently be modified to eliminate most of the undesired features when exposed by reporting it.

4. Use plain paper or memo style using the subject "Hazard Reporting" and send to the HR Department, copying your departments Safety Committee Representative.

~~**PROCEDURES FOR REPORTING ACCIDENTS, DAMAGE TO AND/OR BREAKDOWNS OF MUNICIPAL VEHICLES:**~~

~~If a City vehicle is involved in an accident:~~

1. ~~In the City: Contact your immediate Supervisor, the Public Works Department (Fire Contacts Fire Department Mechanic) and the City of Bunnell Police Department.~~

2. ~~The supervisor must prepare the Incident/Injury Report form and send to the HR Department Fax 437-7503. Include a copy of the police report.~~

3. ~~In another jurisdiction: Contact your immediate Supervisor, the Public Works Department (Fire Contacts Fire Department Mechanic) and the Police Department of that jurisdiction.~~

4. ~~If a City vehicle is disabled as the result of an accident, or if a City vehicle breaks down, the immediate Supervisor is to notify the Public Works Department. If the vehicle is not operable, the Public Works Department shall make arrangements to transport the disabled vehicle.~~

5. ~~Operators of City vehicles shall ensure that whenever an incident occurs, whether a breakdown, traffic accident, property damage or vandalism, the immediate supervisor should be notified immediately. The operator of the City vehicle involved in the accident shall provide all necessary information to the other party involved; however, no other information or admission of liability should be made. All vehicle accidents are to be reviewed by the Safety Committee.~~

SECTION 8

INVESTIGATION PROCEDURES

ACCIDENT/INCIDENT INVESTIGATION PROCEDURES

1. An Accident/Incident Investigation will be performed by the supervisor at the location where the accident occurred. The HR Department is responsible for seeing that the Incident/Injury Report is filled out completely by the supervisor, and that the recommendations are being addressed. Supervisors will investigate all accidents, injuries, and occupational diseases using the following investigation procedures.

2. Implement temporary control measures to prevent any further injuries to employees.

3. Review the equipment, operations, and processes to gain an understanding of the accident situation.

4. Identify and interview each witness and any other person who might provide clues to the accident/injury causes.

5. Investigate causal conditions and unsafe acts; make conclusions based on existing facts.

6. Complete the Incident/Injury Report form and forward to the HR Department.

7. Provide recommendations for corrective actions. Indicate the need for additional or remedial safety training.

8. Incident/Injury Report must be submitted to the HR Department within 24 hours of the accident. This is a required reporting time given by the State of Florida, Division of Labor.

9. Ensure that the employee involved is taken immediately to Mediquik (or emergency room in an emergency) as needed.

10. A drug and alcohol test must be performed immediately following any incident including: accident/injury/property damage.

INVESTIGATION OF OCCUPATIONAL INJURIES

1. Investigation of any incident is a valuable tool in controlling losses. Thorough investigation, reporting, recording and corrective follow-up of each incident can be time-consuming, but the time used for such a purpose contributes relatively little to the total time wasted from the disruption that invariably follows. Devoting necessary time and effort to prevent the recurrence of each incident is an investment that pays compounded benefits to employees and management as their number of dollars for injuries decrease.

2. Procedures for investigation of occupation injuries – Each injury shall be investigated by the supervisor of the person injured as soon as possible after it has occurred and the following procedures shall be adhered to as closely as possible.

BELOW SECTIONS REMOVED BECAUSE THEY WERE REDUNDANT; SAME INFORMATION IS ON PAGE 17 .

~~**CHECK THE SCENE**~~

1. ~~Begin where the incident occurred. The first step is to carefully examine where the injury occurred.~~

2. ~~Reconstruct, as much as possible, the chain of events leading up to the injury and attempt to determine the single event that caused the injury.~~

3. ~~Draw a diagram of the location if it will be helpful in arriving at a conclusion.~~

4. ~~Sketch in machinery, equipment and any other nearby physical objects, together with the places where witnesses were standing.~~

~~**WRITE IT DOWN**~~

1. ~~Complete the Incident/Injury Report to document all facts that may be related to the cause of the injury. As an example, an employee had complained of dizziness, or employee had not used proper equipment, etc.~~

2. ~~Write down any procedure used, misuse of equipment or other factors not in accordance with published work rules or safety policies.~~

3. ~~Write down any unsafe conditions in work area, defective tools or faulty equipment noted.~~

4. ~~Write down such other items as the time of your investigation, the lighting conditions, and the weather conditions, if pertinent, a description of supplementary evidence, and conversations having a bearing on the case.~~

~~**COLLECT THE EVIDENCE**~~

~~If an injury or near miss occurs when machine parts or structures fail, it is essential to determine what failed and why. This can frequently be done without laboratory analysis and corrective action can be initiated. However, if a detailed study is determined to be essential, then all components shall be collected and submitted for study immediately.~~

~~**INTERVIEW WITNESSES**~~

~~It is important to interview witnesses at the scene immediately or as soon thereafter as possible. Make brief notes and identify who gave the information.~~

~~INTERVIEW THE EMPLOYEE~~

1. ~~Timing is important. If the injury is minor, the interview should be made as soon as the investigation of the scene and a review of the medical report are complete.~~

2. ~~If the injury is serious, selecting the right time is a judgment factor. Too soon afterward – the employee may be confused and inaccurate; waiting too long may cause the employee to be cautious and evasive. Let the employee tell his story as he wishes without actual interrogation, but a complete picture should be encouraged. The interview must be complete, and it may be necessary to question the employee or witnesses several times.~~

~~WEIGH THE EVIDENCE~~

1. ~~It is essential to eliminate any inconsistencies in the testimony of the injured or witness, even if further questioning is required.~~

2. ~~All facts should be reviewed for completeness before submission to the HR Department.~~

SECTION 9

SAFETY POLICIES AND PROCEDURES

The safety policies and procedures contained on these pages have been prepared to protect you in your daily work. Employees are to follow these rules, review them often and use good common sense in carrying out assigned duties.

OFFICE SAFETY

1. Keep an eye open for loose or rough floor covering and report it to supervisor.

2. Be extra cautious when approaching a door that can be pushed open towards you. Gently push doors open and slow down when coming to a blind corner.

3. Haste when walking between desks results in bruises and falls. Slow down and pay attention to your movements.

4. Electrical cords should not be placed near foot traffic, however, if this is necessary, an approved cord cover must be utilized to minimize tripping hazards.

5. All file, desk, and table drawers shall be kept closed when not in use. Close drawers immediately after each use. Never open more than one file drawer at a time.

6. Overloading the top drawer of unsecured file cabinets is dangerous. If unfamiliar with the file cabinet, test the drawers and be careful not to pull them out too far if there is no locking device on them.

7. Furniture such as tables, desks, and chairs must be maintained in good condition and free from sharp corners, projected edges, wobbly legs, etc. Notify your supervisor immediately of any deficiencies.

8. Tilting chairs can be a hazard when improperly used and care should be taken to assure that they are in good condition. Be sure the chair is behind you before you sit down.

9. Never use chairs, desks, or other furniture as a makeshift ladder. Always use a stepladder or safety step stool.

10. Message spindles should not be used unless the point is protected by a suitable blunt cover and/or the point is bent at a horizontal angle.

11. Keep the blades of paper cutters closed when not in use. Keep fingers and hands clear of blades when using.

12. Pencils are safest when carried point down in pockets.

13. Scissors, paper cutters, glass, and razor blades can cause painful injuries. Report such accidents at once to your supervisor to protect yourself from infection.

14. Keep paper clips, thumbtacks, and pins in a place where they can't bite, and keep razor blades covered. Even a little scratch can get infected.

15. Be sure equipment is grounded and that the cord is in good condition. If a machine gives you a shock or starts smoking, UNPLUG IT, attached a DO NOT USE sign, and report it to your supervisor.

ERGONOMICS

Ergonomics is a discipline that involves arranging the environment to fit the person. Following ergonomic principles helps reduce stress and eliminate many potential injuries and disorders associated with overuse of muscles, bad posture, and repeated physical tasks.

The objective of ergonomics is to reduce worker stress and injury through design of tasks, workstations, controls, displays, safety devices, tools, lighting, and equipment.

Commitment and involvement of management and employees are complimentary and essential elements of a sound safety and health program.

Employees' with their intimate knowledge of their jobs should identify hazards, in order for management to implement an effective way to abate such hazards.

Workstations

If you spend long hours at your workstation, typing and using the mouse, you are using highly repetitive motions.

In order to avoid computer related aches and pains and make your work area as comfortable as possible; it's important to evaluate how you work, and evaluate your work area.

Follow these basic steps to avoid repetitive strains:

1. Place the monitor and keyboard directly in front of your body.
2. Sit comfortably erect with support behind the small of your back.
3. While using the keyboard, keep your forearms and hands parallel to the floor. Don't bend your wrists.
4. Position the screen so your eyes are at the same height as the top of the screen.
5. Keep both feet flat on the floor.
6. Don't do the same task for an extended period of time. Vary your tasks and activities.
7. Remove the clutter from underneath your desk.

HOUSEKEEPING

1. Keep work areas and storage facilities clean, neat, and orderly.
2. All aisles, stairways, passageways, exits, and access-ways to buildings shall be kept free from obstructions at all times. All grease and water spills shall be removed from traffic areas at once.
3. Do not place supplies on top of lockers, hampers, boxes or other moveable containers at a height where they are not visible from the floor. Store heavy items below shoulder level.
4. When piling materials for storage, make sure the base is firm and level. Crosstie each layer. Keep piles level and not stacked too high. Keep aisles clean and with adequate space to work in them.
5. When storing materials suspended from racks or hooks, secure it from falling, and route walkways a safe distance from this surface beneath.
6. When storing materials overhead on balconies, provide adequate toe boards to prevent objects from rolling over the edge.
7. Tools, equipment, machinery, and work areas are to be maintained in a clean and safe manner. Defects and unsafe conditions shall be reported to your supervisor at once.
8. Return tools and equipment to their proper place when not in use.
9. Lay out extension cords, air hoses, water hoses, ladders, pipes, tools, etc. in such a way to minimize tripping hazards or obstruction to traffic.
10. Clean up spills immediately to avoid slipping hazards. In the event the removal cannot be done immediately, the area must be appropriately guarded, signed, or roped off.
11. Nail points, tie wires, etc., must not be left exposed when packing and unpacking boxes, crates, etc. Nails are to be removed as soon as lumber is disassembled.
12. Sharp or pointed articles should be stored as to prevent persons from coming in contact with the sharp edges or points. Place sharp objects into a sealed, labeled, sturdy container (i.e. cardboard box) before disposal.
13. All packing materials should be properly disposed of to prevent fires.
14. Wastebaskets are to be emptied into approved containers.
15. Oil and greasy rags shall be put into a designated metal container for that purpose.
16. Adequate lighting in obscure areas shall be secured for the protection of both employees and public. Notify your supervisor of areas with inadequate lighting.

FIRE PREVENTION

1. Fire equipment shall be prominently displayed, labeled for usage and kept clear for easy access at all times.
2. Know the location and type of fire extinguishers and how to use them. After use of an extinguisher, report such use immediately to your supervisor, so a replacement may be obtained or the extinguisher recharged.
3. Different types of fires require different types of extinguishers. The following describes extinguisher ratings and how they should be used:

    - "A" rating – fires of wood, rubber, paper, cloth and plastics
    - "B" rating – flammable liquids, gases and greases: motor oil, paint thinner, gasoline, propane, natural gas, etc.
    - "C" rating – use on fires when live electrical equipment is involved, to prevent possible severe electrical shock.
    - "D" rating – use on particular types of metal fires such as sodium and magnesium.

4. Oily rags and other flammable wastes shall be kept in covered, metal containers. Such debris shall be removed from shop building as soon as possible and, in no case, shall be left unattended in a building overnight.
5. Cleaning solvents that have flammable properties shall be kept in approved safety containers. Each container shall be labeled as to its contents. Use of gasoline is prohibited for cleaning floors or any parts of buildings.
6. Gasoline used in small quantities in shops for fueling engines being repaired, tested, adjusted, etc., shall be handled and dispersed in the smaller approved metal safety containers only. Air vents utilized must be closed upon completion of fill to prevent vapors from escaping into an area where other work being performed could cause ignition. Containers must be labeled as to their contents.
7. The fueling of any type of motorized equipment while the engine is running is prohibited.
8. When transferring flammable liquids, make sure the filler nozzle touches the equipment or can being filled in order to guard against the build-up of static electrical charge.
9. Never overfill a tank, but rather, under fill it to allow room for expansion of the liquid.
10. No artificial light, except UL approved flashlights will be used near escaping gasoline, or other flammable vapors, or when entering an enclosure suspected of containing gas.
11. The use of fuel oil or kerosene for starting fires is allowed only in outside areas. Caution must be observed. Fuel oil or kerosene will not be used for starting fires in stoves. Under no circumstances will gasoline be used for starting fires.
12. "No Smoking" shall be enforced in all areas where hazardous substances are stored or used, and any other areas where posted.
13. Exits shall not be locked (chained or otherwise) from the inside.
14. All City vehicles shall have an ABC type fire extinguisher securely mounted in a convenient location.
15. All fire extinguishers must be inspected and certified annually by a licensed Florida state extinguisher company. Each department shall have a designated person to inspect fire extinguishers on a monthly basis. Discrepancies shall be reported to the supervisor who shall be responsible for obtaining a replacement unit.

16. Facility inspections to be preformed quarterly. Forms to be filled out in back of this manuel.

17. It is necessary that shops and fixed activities that contain fire hazards have *an Emergency Action and Fire Prevention Plan*. Frequent training shall be provided to employees to ensure that all are familiar with the plan.
18. All fires shall be reported to the Fire Department.

ADD APPENDIX A

CITY OF BUNNELL - FIRE DRILL PROCEDURE

Fire drills are for more than fires. Knowing the evacuation routes of a building will help in the event of a power outage, gas or chemical leak, or other emergency situations that can occur at the office. Fire drills ensure that employees exit the building in a timely fashion and know their designated meeting area, which helps the rescue effort in the event an employee in unaccounted for during an actual emergency at the business.

Step 1

Create a safety committee. The committee should include at least two members of the staff (Fire Wardens), and the group shall have the Director of each department as the team leader. Each Director is responsible for ensuring their team evacuates the building, and shall meet team members at a predetermined location outside the building. The Fire Wardens shall have a list of employees and visitors and verify the safety of all staff and visitors with the Directors.

Step 2

Provide evacuation information to all employees before drills begin. Employees must know the evacuation path for their work area, and the alternative paths in the event an exit is blocked. Create

evacuation signs and post them throughout the building. Employees should also receive information on how to report a fire and use a fire extinguisher, as well as whom to contact in an emergency.

Step 3

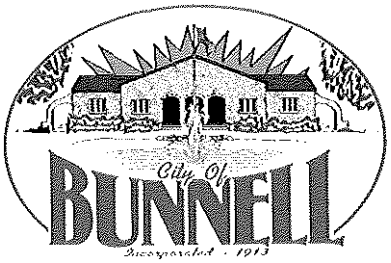
Develop several fire drill scenarios to assist with evacuation preparedness. During some drills, block different exits with signs that state "Exit blocked -- choose an alternative route." This will make your employees aware of the different exit routes from the building and make the employees think about what could happen in a real emergency. Post a sign at the entrance to the facility that states "Fire Drill in Progress".

Step 4

Conduct regular fire drills, but don't overdo it. For initial training purposes, hold drills every two to three months for a short period of time. After the training period, a fire drill every six months is sufficient. Holding drills more frequently can cause employees to become complacent, and some might refuse to participate. It is also hard to hold a surprise fire drill if they are too frequent.

Footnote: Alternative Fire wardens and representatives of the Directors should be appointed to act in their absence.

ADD APPENDIX B



Department Safety Meeting Sign-In

Department:_____ Date:_____ Time:_____

First Name	Last Name	Signature

MATERIAL HANDLING

Accidents can be avoided by taking time to plan ahead, using mechanical equipment whenever possible and thinking about the proper way to do the task and the proper tools to use while performing it.

4-Step Manual Lifting Process

Step 1 – Getting Ready

Size up the load. If it is too heavy or bulky, play it safe – get help.
Check the load over to remove any protruding materials such as nails, splinters, sharp edges, or anything that could cause you to loose your grip such as oil or grease.
If surface is rough, wear gloves.
Be sure the path you take is clear from any obstacles.

Step 2 – Picking It Up

Ensure firm footing and balance, and try to stand with feet about shoulder width apart, grip load firmly. If load is below waist, bend knees to get into position, keep your back straight, stomach muscles tight and lift slowly with your legs.
Lift object or load close to the body.

Step 3 – Carrying It Carefully

Be sure you can see where you are going, turn your body with the direction of your feet.
Use extra care in tight places as not to smash hands and fingers.

Step 4 – Putting It Down

If receiving surface is about waist high, use the surface edge to take part of the load, then push it forward.
If you must lower the load to the floor or ground, bend your knees, keep back straight, stomach muscles tight, and again use your legs.

For those employees who prefer to use a back belt, be sure to use it properly. Improper use of a back belt can do more harm than good. Your supervisor will provide initial training at time of issuance and periodic retraining when necessary.

CYLINDER HANDLING (OXYGEN, ACETYLENE, CHLORINE, SULFUR DIOXIDE)

- Always secure cylinders containing gas in an upright position.
- Valve protection caps shall be in place and secured tightly when moving and storing cylinders.
- Valve protection caps shall not be used for lifting cylinders.
- Do not tamper with safety devices on cylinders or valves.
- If a valve cannot be opened by hand, do not use a hammer or wrench to open cylinder valves with fixed hand wheels.
- Cylinders shall be identified as full or empty at all times.
- Cylinders shall not be utilized for any other purpose than originally intended.
- Only trained personnel shall be allowed to change out cylinders or tanks.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

The variety of work operations performed by municipal employees involves potential industrial hazards. The tasks performed range from custodial services to heavy construction activities. Care should be taken by each employee to protect themselves and others from injury by following these rules:

1. Clothing

a) The wearing of loose, flowing, or ragged clothing on or near moving machinery or equipment is prohibited (i.e. long sleeved, shirttails, etc.).
b) To avoid injuries, footwear should be in good condition. Wear appropriate footwear required for the work being done. If any doubts, contact your supervisor.
c) Hair should be pulled back and secured on the head, so as not to get in the way, especially around moving equipment.
d) Gas and oil soaked clothes are a serious hazard. Keep clothes oil free.
e) Safety vests shall be worn at all times when working on right of ways, roadways, and areas of reduced visibility.

2. Head Protection

Hard hats shall be worn in the following situations:

- All personnel working on a site involving construction.
- All personnel working with high voltage electrical equipment.
- All personnel engaged in tree trimming or cutting operations.
- All personnel engaged in inspections or supervision of the above stated activities.
- Supervisors may designate additional areas where hardhat usage is required, as the need arises.

3. Face and Eye Protection

Hazards involving the possibility of injuries to the face and eyes exist in both indoor and outdoor tasks. They range from dust, particles of steel, concrete, sand, and splashes from corrosives and liquid chemicals. Safety glasses, goggles, or face shields made of plastic or glass, offer a vital protection when used properly. Dirty or scratched lenses may provide another hazard from reduced visibility and should be cleaned or replaced immediately.

All employees in the City of Bunnell, Florida are expected to follow the safety procedures below regarding face and eye protection:

a) Safety goggles or safety glasses should be worn when:

- Grinding, cutting, milling, or drilling with powered tools.
- Using impact wrenches, compressed air tools and pressure washers.
- Chipping, scraping, or scaling paint, rust, carbon, or other materials.
- Using punches, chisels, or other impact tools.
- Cutting or breaking glass.
- Chipping or breaking concrete.
- Soldering.
- Cleaning dirt from vehicles, machinery, etc.

- Sandblasting or air cleaning operations.
- Using power woodworking machinery, both fixed and portable.
- Tree trimming, brush cutting or stump removal.
- Using any lawn mowing equipment (mowers, blowers, edgers, etc.).

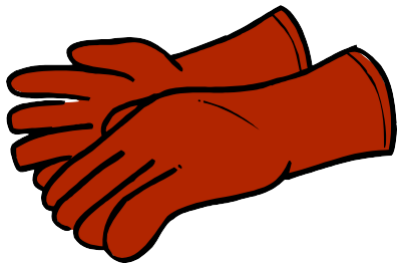
b) A full plastic face shield shall be worn when handling acids, caustics, and other harmful dusts, liquids, or gases.

c) A face shield with the proper filter lens or welders' lens shall be worn at all times during metal cutting and welding operations. Warning signs shall be posted to warn others before any welding operations. Additionally, welding screens shall be used if available.

d) A face shield should always be used with other eye protection such as goggles or glasses.

4. Finger, Palm and Hand Protection

a) Do not wear rings, metal, bracelets, and other jewelry when working around machinery. Jewelry increases the danger of electrical shock and can cause fingers or hands to be badly injured.
b) Gloves should be worn when handling hot, cold, abrasive, caustic, infectious, or any other hard to handle materials. Several types of gloves are available to employees; be sure to choose gloves appropriate for the task at hand.
c) Any allergic reactions or rashes thought to be caused by gloves shall be reported at once.



5. Ear Protection

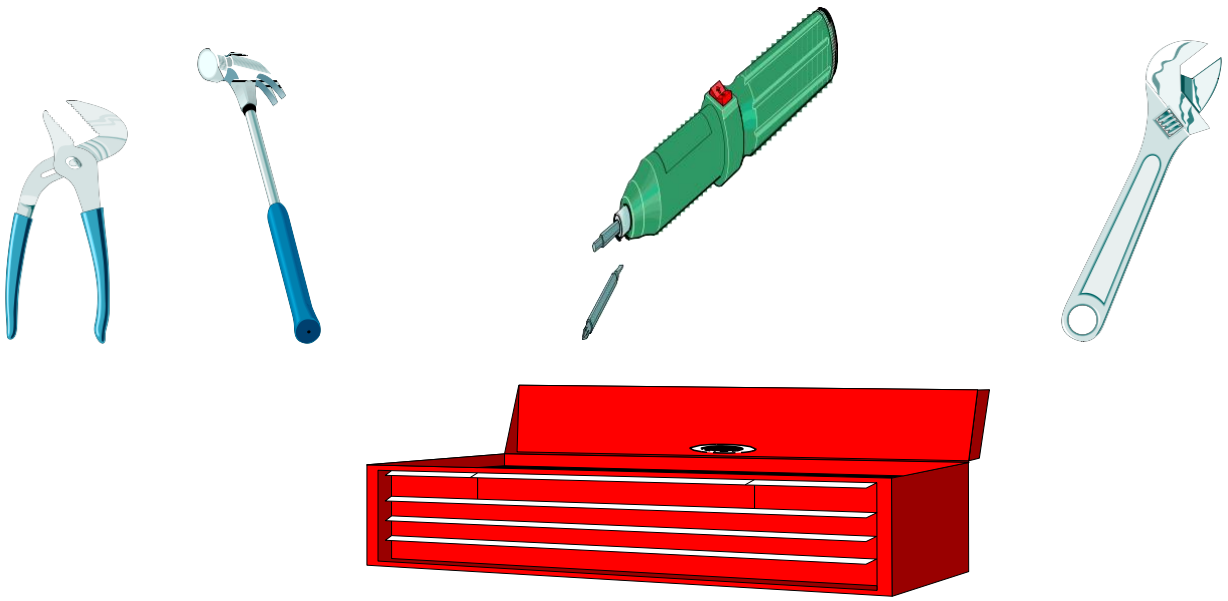
Ear protection shall be worn in all situations around vehicles and/or equipment where the decibel level could be hazardous to the employee's hearing.

HAND TOOLS

The following safety procedures shall be followed by each employee:

Employees that are inexperienced in the use of a hand or power tool shall not use the tool unless properly supervised.

a) Select the right tool for the job.
b) Sharpen and carry all cutting tools with the sharp edge down.
c) Check the handles of all tools for tightness and splinters before use.
d) Check the head of each tool, such as hammers, chisels, punches, etc. If the tool needs to be dressed, repair it before use or do not use it.
e) Wear eye protection or goggles when using chisels, punches, and wedges.
f) Use only properly insulated tools when working around electrical circuits or equipment.
g) Avoid using metal measuring tapes, fabric containing woven metal strands, rope with wire cord, or other tools and equipment that have conductive properties while around energized electrical circuits or equipment.
h) Return all tools to their proper place.



POWER TOOLS & EQUIPMENT

Potential serious injuries can occur from the operation of both portable and stationary power tools. All employees who use power tools or equipment must first be trained and display adequate knowledge of safety operating procedures.

Safety Rules

a) All power tools should be visibly inspected for damage, before each use (i.e. cords, housings, blades, etc.).
b) Make sure all machine guards are in proper place before operation.
c) Install or repair equipment only if you are qualified.
d) Unplug equipment before repairing, making adjustments or replacing parts.
e) Be sure equipment is properly grounded. Check all ground connections regularly for tightness.
f) Wear all proper protective equipment required for the job.
g) Unplug power cords by pulling on the plug, not the cord.
h) Work area should be clean, well lit, and dry.
i) Do not carry tools by the cord.
j) Always be aware of your surroundings. Stay alert and stay safe!
k) Keep all safety devices and decals in place, replace as needed.

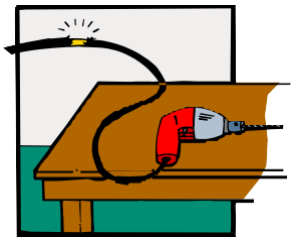
Portable Power Tools

Saws:

a) Do not use dull or loose blades.
b) Don't overload the motor by pushing too hard or cutting material that is too heavy.
c) Before cutting, inspect the material to be cut for nails or foreign objects.
d) Be sure you have firm footing and balance.
e) Keep all safety devices and decals in place, replace as needed.

Drills:

a) Select the correct drill bit for the job and be sure that it is sharp.
b) Make sure the material being drilled is secured or clamped firmly.
c) Hold the drill firmly and at the correct angle.
d) Don't force it to work or lean on it with all your strength.
e) Always remove the bit from the drill when you're finished.
f) Keep all safety devices and decals in place, replace as needed.



Routers:

a) **Never** start the router when the cutting edge of the bit is in contact with the work.
b) Hold the router firmly, especially when starting.
c) When the cut is complete, turn off the motor.
d) Don't lift the machine from the work until the motor has come to a complete stop.
e) Always keep router base flat on work surface.
f) Keep all safety devices and decals in place, replace as needed.

Grinding Wheels:

Before use, make sure that wheels are firmly held on spindles and work rests are tight.

a) Stand to one side while starting motor, until operating speed is reached – prevents injury if a defective wheel breaks apart.
b) Use light pressure when you start grinding, too much on a cold wheel may cause failure.

Sanders:

a) Arrange cord so that it will not be damaged by the abrasive belt.
b) Keep both hands on the tool to ensure good control.
c) Hold onto sander when you plug it in.
d) Clean dust and debris from the motor and vent holes and lubricate regularly.

Stationary Power Tools

Table Saw:

a) Never reach over the saw to push stock that has been sawed. **Always** use a push stick.
b) Stand slightly to one side, never in line with the saw.
c) To avoid "kickback" (the greatest hazard of running a table saw):
d) Never use a dull blade.
e) Don't cut "freehand" or attempt to rip badly warped wood.
f) Use splinter guard.
g) Don't drop wood on an unguarded saw.
h) Keep all safety devices and decals in place, replace as needed.

Radial-Arm Saw:

a) The saw and motor should always be returned to the rear of the table against the column after a cut is made.
b) If the motor slows while cutting, it means it is overloaded. Can be due to low voltage, bad blades or material being fed too fast.
c) Keep machine in good alignment and adjustment to prevent excessive vibration.

Band Saw:

a) Stand to left front of saw. If the blade breaks, it will fly out to the right.
b) Don't cut until saw is moving at full speed.

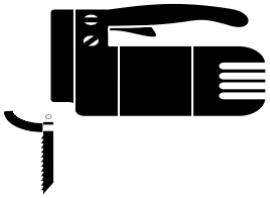
Drill Press:

a) Clamp or securely fasten the material being drilled whenever possible.
b) Make sure any attachments are fastened and adjusted.
c) Keep all safety devices and decals in place, replace as needed.

Lathes:

a) Use only sharp cutting tools.
b) When operating a lathe, stand to the side. This will prevent injury if the tool catches and is thrown out of your hand.
c) Make sure the wood you are going to turn is free of knots, cracks and other defects.
d) Keep all safety devices and decals in place, replace as needed.

Jig Saw:

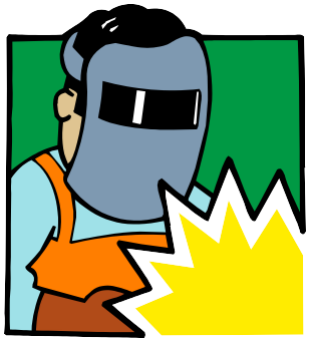


a) Be sure blade is secured tightly.
b) Handle material being cut with both hands and keep fingers away from blade.
c) When making curved cuts, do not push stock into blade. Turn stock on the table until curve has been cut.
d) Keep all safety devices and decals in place, replace as needed.

Jointer:

a) Never run a piece of wood shorter than 10 inches across jointer. Use hand tools to plane such small pieces.
b) Use a push block when working with boards thinner than three-quarters of an inch.
c) Always keep your hands on top of the work to avoid injury.
d) Always try to plane in direction of grain.

Welding Machines:



a) All welding equipment should be kept clean (free from grease and oil) and in good repair.
b) Proper welding shields or goggles and gloves should be worn.
c) An appropriate fire extinguisher shall be available for instant use.
d) Before any welding operations begin, proper warning signs and/or screens shall be placed to warn and protect other employees. Employees entering the area must wear appropriate eye protection.
e) At the completion of the work, the welder should make a careful inspection of the job site to ensure that hot articles have not been left smoldering, which might later develop into a serious fire.

Compressed Air:

a) The use of compressed air for cleaning purposes is prohibited.
b) Eye protection is required.
c) Be sure that the discharge end of air hoses is securely fastened before turning compressed air into the hose.
d) Always maintain a secure hold on any air-powered tool to prevent injury to the operator or those nearby.

GROUNDS MAINTENANCE EQUIPMENT

Safety Rules:

a) Wear employer prescribed Personal Protective Equipment (PPE), such as eye-face protection, gloves, and hearing protection during mowing operations.
b) Wear seat belts at all times
c) Do not smoke on any equipment.
d) Make sure all equipment is in good operating condition prior to use.
e) No mowing equipment will be left unattended with the motor running.
f) Visually inspect the area to be mowed. Remove or mow around hazards.
g) If a cutting unit strikes a solid object or vibrates abnormally, stop immediately, turn off engine, wait for all motion to stop and inspect for damage. Raise the cutting decks when driving from one area to another.
h) Do not run the engine in a confined area without adequate ventilation.
i) Bystanders should be warned by the operator of the danger of flying objects. Do not direct discharge towards bystanders.
j) Become familiar with the controls and know how to stop the engine quickly.
k) Keep all safety devices and decals in place, replace as needed.
l) Operator must keep feet and hands away from the undercarriage of the mower.
m) Check safety switches daily.
n) No mowing equipment shall be operated without the manufactured safety guards in place.
o) Do not touch engine, muffler, or exhaust pipe while engine is running.
p) Never refuel with engine running.
q) Use only metal gasoline containers approved by DOT, ANSI or plastic.
r) Do not smoke while handling gasoline.
s) Do not use mowers when a storm is imminent (lightning/thunder).

Chain Saws:

a) When transporting a chain saw in a vehicle, keep the chain and the bar covered with a guard and secure it to prevent fuel spillage and damage.
b) When transporting a chain saw by hand, stop the engine, grip the saw handle, place the muffler at the side away from your body and position the guide bar to the rear.
c) Always start a chain saw with a 10-inch or larger bar on the ground.
d) Do not place a chain saw on your knee when starting it.
e) Always use both hands to maintain control of the chain saw using only those grip locations specified by the manufacturer.
f) Keep all safety devices and decals in place, replace as needed.
g) When moving from tree to tree or cut to cut, activate the chain brake, remove your finger from the trigger and keep the bar away from your body.
h) Do not operate a chain saw above your shoulder height.
i) Do not set a saw down while the blade is engaged.
j) Stop the engine and turn the switch to "OFF" when the chain saw is to be left unattended or refueled. Do not overfill the fuel tank.
k) Place cones and barricades in the area where you are performing chain saw operations.

l) Choose an area for cut branches to fall before beginning work. Alert co-workers by yelling "timber" to notify them of falling branches.
m) Disengage spark plug wire before attempting to remove jammed material from blade.
n) Keep all safety devices and decals in place, replace as needed.
o) In addition to the recommended personal protective equipment, the use of chain saw chaps is ~~recommended~~. mandatory.

Edgers:
a) Do not start an edger if the blade is touching the ground.
b) Operate the edger at full blade speed.
c) When edging along roads, stay as close to the curb as possible.
d) Wear your employer prescribed Personal Protective Equipment (PPE), such as eye/face protection, gloves, breathing filters, and hearing protection.
e) Do not use the edger when a storm is imminent (lightning/thunder).
f) Do not use the edger if it has loose or worn blades, belts, or other parts. If these damages exist, tag the edger "out of service" and do not use it. Write a repair order where needed.
g) Visually inspect the area to be edged for possible hazards.
h) When working in close proximity to roadways, wear a safety vest.
i) Keep all safety devices and decals in place, replace as needed.

Line Trimming/Weed Eater/Brush cutter:
a) Before refueling the trimmer, remove it from your harness, place it on the ground, and allow the engine to cool.
b) Wear employer prescribed Personal Protection Equipment (PPE), such as eye/face protection, gloves, breathing filters, hearing protection, and long sleeve pants and shirts.
c) Only use grip locations as specified by the manufacturer as a handhold when operating the unit. Keep both hands on the unit during operation.
d) Do not perform trimming operations above 10 feet in height by yourself; a co-worker must assist you.
e) When working in close proximity to roadways, wear a safety vest.
f) Keep all safety devices and decals in place, replace as needed.

Backpack Blowers:
a) Do not use the blower to clean yourself.
b) Do not direct the blower toward bystanders.
c) Keep all safety devices and decals in place, replace as needed.

Chippers:
a) Daily maintenance and inspection of equipment should be performed before operation (i.e. belts, hoses, fluid levels, leaks, bolt tightness, etc.). Only qualified personnel may operate this equipment.
b) Wear employer prescribed Personal Protection Equipment (PPE), such as eye/face protection, gloves, and hard hat.
c) Avoid wearing loose clothing when operating the chipper. Short sleeve shirts are preferred to prevent a limb from catching on a shirt and pulling you into the chipper feed housing.
d) Before starting the machine, block the tongue and chock the wheels.
e) Check the chipper housing, intake area, and engine area for foreign objects.

f) Make sure no one is in the path of discharge flipper.
g) Keep all bystanders away from machine.
h) Never place hands, feet, or any foreign objects into the feed chute while feed wheels are turning.
i) Do not allow the machine to run unattended.
j) At least two people must be present to operate this machinery.
k) Only one person should feed the machine at one time.
l) Do not stand in front of the hopper during feeding operations; stand to the "left" or "right" side of the hopper.
m) Keep all safety devices and decals in place, replace as needed.

OUTSIDE CONTRACTORS:

Outside contractors working within a facility or in the City of Bunnell, Florida are responsible for knowing and strictly adhering to the City's safety procedures.

The City representative, who is responsible for the contractor's job, must coordinate all activities between the contractor and City employees in the area where the contractor is working.

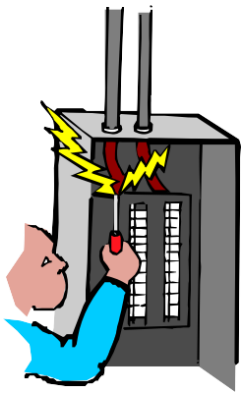
The City representative must ensure that the contractor and sub-contractors are informed of all City safety procedures.

No one is to lend any City equipment or tools to any contractor unless specific approval has been obtained from the department head.

ELECTRICAL HAZARDS

(Only authorized personnel shall perform electrical work within the city.)

a) Where electrical equipment must be utilized in damp or wet locations (inside buildings or outdoors), you **MUST** be plugged into a GFI-protected cord, **AND** wearing rubber boots and gloves.
b) Proper lockout/tagout procedures shall be followed when performing installation, repair, maintenance, modification, or any other adjustments to power equipment where unexpected energization or start-up of the equipment could harm employees.
c) Never attempt work in or near overhead or underground power lines, or gas lines. Contact the appropriate personnel prior to any work being performed.
d) In case of downed power lines, get away from the danger area, keep others away, and contact emergency services or appropriate personnel equipped to do the repair job.
e) In case of contact with live wires, do not touch the victim. Call 911.
f) Control or fuse boxes should be kept closed at all times and should be labeled to indicate the areas or machinery they operate.
g) Extension cords should not be run across aisles or through oil or water. Do not tightly bind cords as they become damaged and dangerous. Cords should be inspected for kinks, worn insulation, and exposed strands or wire before use. Dispose of and replace any cords exhibiting wear.
h) When fuses blow continually, it is an indication of an overload or short. This condition should be reported to your supervisor immediately.
i) Keep electrical equipment properly oiled, free of grease, and dirt.
j) Keep all safety devices and decals in place, replace as needed.



PUBLIC UTILITY SERVICES – LINE LOCATIONS

Public utilities are often installed in or near the work sites, and good coordination between you and the utility companies is a MUST. Contact with, or damage to, other utilities may affect the safety of the workers on the job, the safety of the public, or interruption of essential utilities services. To avoid these problems, line locations are required before any digging, trenching, or overhead or underground operations are begun. Schedule locates at least 24-48 hours in advance, when possible.

The following safety procedures shall be followed:

Before Work is Started, a supervisor shall:

a) Check plans and/or call No Cuts 1-800-432-4770 to see if any utility services are located in or adjacent to the work site area.
b) Contact other utility agencies and coordinate line locations.
c) Make a personal inspection of the job site to identify what signs, post markers, overhead electrical lines, etc., may be seen and make this information known to all affected employees.
d) Have all utility agency's emergency phone numbers at the job site area, so that an immediate report can be made if accidental contact is made.

If Accidental Contact Occurs:

a) Call 911 for emergency medical/fire/rescue services.
b) Report incident to the affected utility service and to your supervisor.
c) Secure the area and re-route traffic, if necessary, until situation is cleared or until relieved by the proper authorities.

LADDERS AND SCAFFOLDING

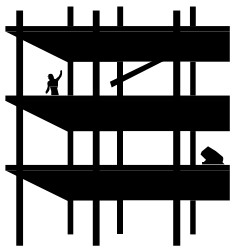
The following procedures will prevent accidents and possible injury relating to ladders and scaffolding:

Ladders:

a) Metal ladders shall not be used in the vicinity of electrical circuits.
b) Inspect for defects before using. Keep rungs clean and free of grease and oil.
c) Ladders should not be placed against window sash.
d) Straight ladders form a triangle when placed against a wall or object for climbing. When properly placed, the bottom side of the triangle should be about one fourth as long as the vertical, (i.e. if the ladder is leaned against the wall eight feet high, the ladder should be set two feet from the wall.)
e) When using a straight ladder, it should be long enough to extend at least three rungs above the level to which the user is climbing. Stepladders are not designed to be used as straight ladders.
f) If the bottom of a ladder is placed on an unsecured surface, secure the ladder in a position by the use of hooks, ropes, spikes, cleats or other anti-slip devices, or by stationing an employee at the ladder base to hold it in position during use.
g) Never stand on the top step of a ladder to work.
h) Only one person should be on a ladder at a time.
i) If it is necessary to place a ladder near a door or where there is potential traffic, set up warning signals, or take other precautions to prevent accidental contacts, which might upset the ladder.

Scaffolding:

a) Planks and other materials used in building scaffolding must be sound and free from knots. Keep planks in good condition with a spar varnish (never use paint on planks).
b) Planking should be adequately cleated; the scaffolding over ten feet high should have toe boards, mid-rails and handrails.
c) Be sure staging is on a sound base.
d) Loose tools on top of scaffolding are liable to fall and injure someone. Keep tools in a bucket or box secured on the scaffolding.



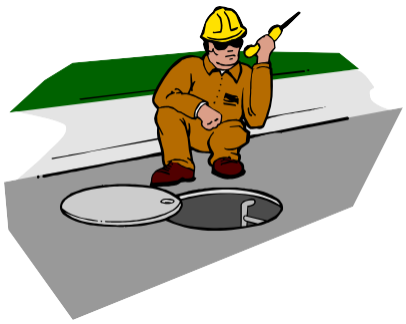
WORKING IN CONFINED SPACES

The OSHA confined space standard defines a confined space as a space that is large enough for an employee to enter, has restricted means of entry or exit, and is not designed for continuous employee occupancy. Examples of confined spaces are storage tanks and bins, ductwork, tunnels, sewers, manholes and wetwells. The most common confined space areas for city employees will be sewers, manholes and wetwells.

Specific confined space hazards include physical hazards (mechanical equipment, temperature, sound, engulfment, entrapment, etc.), oxygen deficiency (identified as the primary hazard), combustibility (fire and explosion), and toxic air contaminants. The presence of any one or combination of these hazards constitutes a permit-required confined space (PRCS). Before entry into a PRCS, a written permit must be obtained according to the Confined Space Operating and Rescue Procedures Plan.

Safety Rules:

a) Before entering confined spaces, test for oxygen and explosive/toxic vapors and gases.
b) Venting of hazardous atmospheres shall be accomplished before entering, whenever possible.
c) Maintain adequate ventilation while working.
d) When using portable blowers to ventilate, make sure the air intake will not pick up carbon monoxide fumes from the engine.
e) Adequate respiratory equipment shall be available for use, if necessary, and all potential users shall be instructed in the proper use of such equipment.
f) No employees shall enter a manhole, sewer, tank, or other underground confined space without a safety belt or harness and attached lifeline, tended by another employee at the point of entry.
g) When opening manholes in streets, use barricades and warning signs to protect pedestrian traffic and to alert vehicle traffic to the hazard.
h) Never allow exits to be blocked.
i) Ladders shall be used when entering manholes, when there is any doubt about the safety of manhole steps.
j) Only lights approved and provided by the City shall be used in manholes or areas where explosive vapors or gases may exist.



MOTOR VEHICLE & MOBILE EQUIPMENT

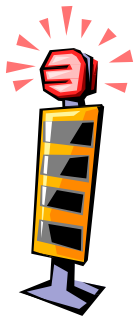
City vehicles are easily identified and, therefore, constitute a traveling advertisement seen by many citizens. In our relationship with other motorists and pedestrians, we exercise an important influence upon good or bad public relations. By utilizing courteous, considerate, and safe driving habits, we shall build good public relations as well as avoid needless accidents.

Safety Rules:

a) Wear seat belts while driver or passenger in any city vehicle/equipment.
b) If employees must ride in the back of a truck, they shall sit on the floor of the bed, or in seats constructed for that purpose.
c) All employees shall be responsible for a safety check, EACH DAY, of any vehicle or mobile equipment he/she is assigned to drive. Safety checks shall be documented on the appropriate form, as provided by the Department. Supervisors shall be notified immediately of any necessary repairs needed.
d) Position all adjustments for safe driving before starting vehicle (i.e., seat, mirrors, etc.)
e) Drivers of City vehicles must possess a valid Florida drivers' license and they must be thoroughly familiar with the state and local regulations governing motor vehicle operation.
f) All slow moving equipment operated in public right-of-ways shall be equipped with a triangular shaped reflecting sign in accordance with Florida Motor Vehicle Code.
g) Be sure all loads are secured prior to movement of vehicle.
h) Never take drugs or strong medication before operating a vehicle. Remember that drugs, illnesses or extreme fatigue may affect your ability to judge distances, speed, and driving conditions.
i) Supervisors are responsible for ensuring that employees are utilizing seat belts.
j) No more than three (3) persons shall be permitted to ride in the front seat of any vehicle, providing there are three (3) seatbelts available.
k) Never leave the vehicle unattended with the motor running.
l) Stay within posted speed limits. Slow down when conditions warrant.
m) Be particularly cautious and alert while driving around children.
n) Do not assume the right-of-way, DON'T BE PUSHY, YIELD OR STOP.
o) Avoid tailgating. Keep a safe distance behind other vehicles and slow down or stop to let tailgaters pass.
p) Turn on low beam headlights during rainstorms and fog.
q) When refueling, shut off ~~motor~~ engine and do not smoke.

AERIAL PLATFORMS AND BASKETS:

a) Exercise extreme care when operating this type of equipment near overhead power lines.
b) Only those employees who are trained and well versed in this type of equipment operation shall be allowed to perform these operations.
c) Vehicle must remain parked while platform or basket is raised.
d) When outriggers are part of the vehicle's equipment, use them.
e) Strategically place appropriate warning devices to warn on-coming traffic while working in or near roadways.
f) Always utilize safety belts and ~~halyard~~ harness.



WORKING IN ROADWAYS AND PUBLIC RIGHT-OF-WAYS

Municipal employees are often required to work in or along public roads and right-of-ways, normally used for vehicle or pedestrian traffic to repair utility services, or perform tree trimming, or landscaping tasks, and other maintenance activities. It is desirable that, whenever possible, some continued flow of traffic be maintained with the least possible interference with normal traffic patterns.

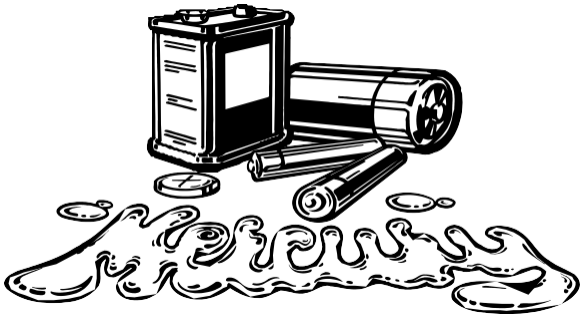
Safety Rules:

a) Before full or partial road closure, notify all appropriate agencies, as necessary.
b) Wear employer prescribed Personal Protective Equipment (PPE), such as a safety vest, hardhat, safety shoes, gloves, etc.
c) Individuals working in roadways and right-of-ways must be properly trained in current traffic control practices.

CHEMICAL HAZARDS

Safety Rules:

a) Never eat, drink, or smoke around chemicals in the work area.
b) Keep flammable and explosive material away from any heat sources.
c) Make sure there is enough ventilation in the work area. If you feel the slightest amount of dizziness or nausea, report the incident immediately to your supervisor.
d) Use the proper personal protective equipment. This may include gloves, safety glasses, masks, respirators, and work clothes depending on the type of chemicals you are using.
e) Know how to properly dispose of all contaminated materials.
f) Always use established procedures for handling, storing, or transporting hazardous chemicals.
g) Material Safety Data Sheets (MSDS) are available on every chemical used by the City and should be referred to often. Each separate City location has an MSDS book particular to that location. General Services maintains copies of all MSDSs used in the City. Employees should be trained on and familiar with the Right to Know Act.
h) Because most injuries occur when mixing chemicals or loading chemical application devices, special care should be taken when performing these tasks.
i) Employees should be trained on and familiar with their department/division's Hazard Communication/Right to Know plan.



SAFETY PROCEDURES FOR ALL EMPLOYEES:

This listing is a summary and is not inclusive. It is each employee's responsibility to be aware and follow all City rules and regulations.

1. Constantly observe work conditions, equipment, and tools for the purpose of preventing accidents.
2. Comply with all job safety instructions. Request help when unsure how to perform a task safely.
3. Use all safety equipment that is required on the job.
4. Correct unsafe acts or conditions within the scope of your immediate work. Report any unsafe acts to your supervisor.
5. Advise supervisor of any faulty tools or equipment.
6. Stop work if conditions are such that there is immediate danger to life, limb or property.
7. The safe way to do a job must always be found before going ahead. Contact your supervisor when in doubt.
8. Practice good housekeeping in your work area. Pick up your tools. Do not leave materials and scrap where they will be hazardous to others.
9. For your protection, obey all warning signs.
10. Fighting or horseplay will not be tolerated.
11. Whenever you are involved with any accident that results in personal injury or damage to property, no matter how small, the accident must be reported to the immediate supervisor. Get first aid promptly.
12. Reporting to work under the influence of intoxicants, tranquilizers, narcotics, or other dangerous drugs, or possession of such, not prescribed by a doctor is prohibited. Report all medications prescribed by your doctor that may affect your work performance to your supervisor.
13. All prescribed safety and personal protective equipment should be used when required, and maintained in good working order.
14. When lifting, use the proper lifting technique.
15. Defective machines, tools, etc. will be reported and taken out of service at once.
16. Know the location, type, and how to use all fire extinguishers in your work area. Know the location of the nearest exit.
17. No employee shall remove, displace, damage, destroy, or alter any safety devices or safeguards provided, nor shall anyone interfere in any way with use thereof.
18. Do not operate machines, tools, equipment, or City vehicles without authorization.

City of Bunnell, Florida
Agenda Item No. C-4.

Document Date:	4/29/2015	**Amount: $ 10,000.00 Annual**
Department:	Finance Department	Account #: Various
Subject:	Piggyback Volusia County School Board contract with Capital Office Supply	
Attachments: *Please number items as they will appear on the agenda.*	1. E-mail approval to piggy back bid 2. Application 3. Volusia County School Board e-mail 4. Volusia County School Board Bid 5. Volusia County School Board Bid response/contract	
Agenda Section:	C. Consent Agenda	

Summary/Highlights: City staff have found that many commodities have a significant price savings through Capital Office Supply**.** For example the purchase of copy paper resulted in a 20% savings as compared to other vendors. If approved, this request will allow the City to purchase office supplies from Capital Office Supply through the contract expiration date of July 31, 2016. The contract offers supplies at a 20% to 85% discount.

Background: The City of Bunnell currently utilizes Capital Office Supplies for purchasing copy paper and various other office supplies and equipment. The City has found the discounted pricing structure to be very competitive when compared to other Office Supply vendors.

Staff Recommendation: Staff recommends approving the requested to piggyback Volusia County School Board bid for purchase for office supplies and other equipment through Capital Office Supply.

City Attorney Review:

Finance Department Review/Recommendation: There is sufficient budget in various departmental budgets to fund this request. Finance recommends approval.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification:

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

DELIVER TO: Purchasing Department
School Board of Volusia County
3750 Olson Drive
Facilities - Maintenance Bld.
Daytona Beach, FL 32124

Please note

From time to time, an addendum may be issued to a bid. Any such addenda will be posted on the same web site from which you obtained this bid. If you are a registered vendor with the district, you will automatically receive notification of all addenda. If you are not, you should periodically check our web site to download any addenda which may have been issued since the release date of the bid.

To become a registered vendor, you must complete a Vendor Application, available from our web site at http://myvolusiaschools.org/purchasing. Click on "Vendor Application" from the menu at the top of the page. Complete the application, choose the commodities for which you wish to receive bid notifications, and submit for approval. Once you receive notice you have been approved, you will begin to receive automatic notifications of both bids and addenda.

By my signature I certify that this offer is made without prior understanding, agreement, or connection with any corporation, firm, business entity, or person submitting an offer for the same materials, supplies, equipment, or service(s), and is in all respects fair and without collusion or fraud. I further agree to abide by all conditions of this invitation and certify that I am authorized by the offeror to sign this response. In submitting an offer to the School Board of Volusia County, I, as the respondent, offer and agree that if the offer is accepted, the offeror will convey, sell, assign, or transfer to the School Board of Volusia County all right, title, and interest in and to all causes of action it may now or hereafter acquire under the Anti-trust laws of the United States and the State of Florida for price fixing relating to the particular commodity(s) or services(s) purchased or acquired by the School Board of Volusia County. At the School Board's discretion, such assignment shall be made and become effective at the time the School Board of Volusia County tenders final payment to the vendor. Upon approval by Board the information contained herein shall constitute the contract between the Board and vendor. Per Purchasing Policy 702, bidders must initiate any protest of recommendation of award within 72 hours after posting of the bid tabulation in the Purchasing Department.

NO BID **I HEREBY SUBMIT THIS AS A "NO BID" FOR THE REASONS CHECKED BELOW:**

☐ 9. We do not offer the product or service requested
☐ **10. Remove our company name from this commodity listing only.**
☐ **11. Keep our company on the bid list for future bids**
☐ 12. Other _____

GENERAL CONDITIONS

Bidder: To ensure acceptance of the bid follow these instructions

1. SEALED BID REQUIREMENTS: The "INVITATION TO BID" sheet must be completed, signed, and returned with the bid. The Bid Response Form on which the bidder actually submits a bid and any pages upon which information is required to be inserted must be completed and submitted with the bid. **Bids received that fail to comply with these submittal requirements may not be considered for award.**

a) **BIDDER'S RESPONSIBILITY: It is the responsibility of the bidder to be certain that all numbered pages of the bid and all attachments thereto are received; and all addenda released are received prior to submitting a bid. All bids are subject to the conditions specified herein on the attached bid documents, and on any addendum issued thereto.**

b) **BID SUBMITTED:** Completed bid must be submitted sealed in an envelope. Bids must be time stamped in the Purchasing Department prior to the bid opening time on date due. No bid will be considered if not time stamped in the Purchasing Department prior to the stated bid opening time. Bids submitted by telegraphic or facsimile transmission will not be accepted unless stated in the special conditions of this bid.

c) **Each bid must be submitted on "Bid Response Form"** in a sealed envelope with the item bid, date, time and bid number on the outside. Please use the enclosed envelope, if provided, when submitting your bid.

d) **Florida Statutes, Section 287.133 (2) (a) states:** "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

e) **EXECUTION OF BID:** All bids must be completed in ink or typewritten. If a correction is necessary, draw a single line through the entered figure and enter the corrected figure or use an opaque correction fluid. All corrections should be initialed by the person signing the bid even when using opaque correction fluid. Any illegible entries will not be considered for award. The original bid conditions and specifications **cannot** be changed or altered in any way by bidder.

2. SPECIFICATIONS used are intended to be open and nonrestrictive. Any reference to brand name or number shall not be construed as restricting to that manufacturer, but is used as a minimum standard of quality. It shall be the sole responsibility of the bidder to state, in writing when requested, brand bid, model and other pertinent information even if bidding as specified. Bidder shall submit complete technical information, specifications, manufacturer's name and descriptive catalog cuts with bid proposal. The Board, through its Purchasing Department, shall be the sole judge in making determination as to the quality of product/item bid.

3. PRICES QUOTED: Deduct trade discounts and quote firm net prices. Give both unit price and extended total. Prices must be stated in units to quantity specified in the bid. In case of discrepancy in computing the amount of the bid, the **Unit Price** quoted will govern. All prices quoted shall be F.O.B. destination, freight prepaid. Bidder pays and bears freight charges. Bidder owns goods in transit and files any claims, unless otherwise stated in Special Conditions. Award, if made, will be in accordance with terms and conditions stated herein. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items. **Cash or quantity discounts offered will not be a consideration in determination of award of bid(s).** If a bidder offers a discount or offers terms less than Net 30, it is understood that a minimum of 30 days will be required for payment. If a payment discount is offered, the discount time will be computed from the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified.

a) **TAXES:** The School Board of Volusia County, Florida does not pay federal Excise and State taxes on direct purchase of tangible personal property. The applicable tax exemption number is shown on the purchase order. This exemption does not apply to purchases of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvement of School Board owned real property as defined in Chapter 192 of the Florida Statutes.

b) **MISTAKES:** Bidders are expected to examine the specifications, delivery schedules, bid prices and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at bidder's risk.

c) **CONDITION AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this bid shall be new (current production model at the time of this bid) unless otherwise stated. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be U.L. listed where such has been established by U.L. for the item(s) offered and furnished. In lieu of the U.L. listing, bidder may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NRTL) Recognition Program.

e) **BIDDER'S CONDITIONS:** The Board specifically reserves the right to reject any conditional bid submitted by bidders.

f) **PREFERENCE FOR VOLUSIA COUNTY BIDDERS**: For all purchases made by The School Board of Volusia County, prices and quality being equal, preference may be given to Volusia County Bidders, subject to certification as a drug-free workplace (Florida Statute 287.087; Fiscal Management Policy 702)

4. NONCONFORMANCE TO CONTRACT CONDITIONS: Items offered may be tested for compliance with bid conditions and specifications. Items delivered, not conforming to bid conditions or specifications, may be rejected and returned at vendor's expense. Goods or services not delivered as per delivery date in bid and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the bidder. Any violation of these stipulations may also result in:

a) Vendor's name being removed from the Department of Purchasing vendor mailing list for one (1) year and vendor not being recommended for any award during this period.

b) All departments being advised not to do business with vendor.

5. SAMPLES: Samples of items, when required, must be furnished free of expense by bid due date unless otherwise stated and, if not destroyed, will upon request, be returned at the bidder's expense. Bidders will be responsible for the removal of all samples furnished within 30 days after bid opening. All samples will be disposed of after 30 days. Each individual sample must be labeled with bidder's name, bid number, and item number. Failure of bidder to either deliver required samples or to clearly identify samples as indicated may be reason for rejection of the bid. Unless otherwise indicated, samples should be delivered to the office of the Purchasing Department of The Volusia County School Board, 3750 Olson Drive, Facilities - Maintenance Building, Daytona Beach, Florida 32124.

6. DELIVERY: Delivery shall be within the normal working hours of the user, Monday through Friday, excluding holidays. Back orders will be made only when specifically authorized to do so.

7. NOTE TO VENDORS DELIVERING TO OUR CENTRAL WAREHOUSE: Receiving hours are Monday through Friday (excluding holidays) 7:30 A.M. to 2:30 P.M. Appointments are required.

8. NO CORRECTION of any apparent ambiguity, inconsistency or error therein, will be made to any bidder orally. Every request for such interpretation or correction should be in writing, prior to bid date, addressed to the Purchasing Representative. All such interpretations and supplemental instructions will be in the form of written Addenda to the Bidding Documents. Only the interpretation or correction so given by the Purchasing Representative, in writing, shall be binding and prospective bidders are advised that no other source is authorized to give information concerning, or to explain or interpret the Bid Documents.

9. **AWARDS:** In the best interest of the School Board, the Board reserves the right to reject any and all bids and to waive any irregularity or informality in bids received; to accept any item or group of items; to acquire additional quantities at prices quoted on this invitation unless additional quantities are not acceptable, in which case the bid sheets must be noted "BID IS FOR SPECIFIED QUANTITY ONLY." All awards made as a result of this bid shall conform to applicable Florida Statutes.

10. **PROTEST PROCEDURE:** Failure to file a protest as outlined in Section 120.57(3) F.S. and Volusia County Schools Fiscal Policy 702 shall constitute a waiver of proceedings under Chapter 120, F.S.

11. **OTHER GOVERNMENTAL AGENCIES:** It is the intent of this solicitation to obtain bids to furnish the products(s)/service(s) herein specified to the School Board of Volusia County, Florida. Other school boards and governmental agencies/entities including, but not limited to, fellow member districts in the Bay Area Schools Purchasing Consortium and the Central Florida School Board Purchasing Consortium, may purchase from this solicitation if permitted by the contractor or supplier. Said product(s)/service(s) are to be furnished in accordance with the contract resulting from this solicitation.

12. **INSPECTION, ACCEPTANCE & TITLE:** Inspection and acceptance will be at destination shown on purchase order unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the successful bidder until acceptance by the buyer unless loss or damage result from negligence by the buyer. If the materials or services supplied to the Board are found to be defective or do not conform to specifications, the Board reserves the right to cancel the order upon written notice to the seller and return product at bidder's expense.

13. **MARKING:** Packing list must be included in each shipment and shall show The School Board of Volusia County Purchase Order Number, Bid Number, School Name or Department Name, Contents and Shipper's Name and Address; mark packing list and invoice covering final shipment "Order Completed". If no packing list accompanies the shipment, the buyers count will be accepted. Mark each package clearly with (A) Shipper's Name and Address, (B) Contents, (C) The School Board of Volusia County Purchase Order Number. and (D) Bid Number.

14. **PAYMENT:** Payment will be made by the buyer after the items awarded to a vendor have been received, inspected, and found to comply with award specifications, free of damage or defect and properly invoiced.

15. **CONFLICT OF INTEREST:** The award hereunder is subject to the provisions of Chapter 112, Florida Statutes. All bidders must disclose with their bid the name of any officer, director, or agent who is also an employee of the School Board of Volusia County, Florida. Further, all bidders must disclose the name of any Board Employee who owns directly or indirectly, an interest of five per cent (5%) or more of the total assets of capital stock in the bidder's firm.

16. **LEGAL REQUIREMENTS**: Federal, State, County, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the bidder will in no way be a cause for relief from responsibility.

17. **PATENTS & ROYALTIES:** The bidder, without exception, shall indemnify and hold harmless The School Board of Volusia County, Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The School Board of Volusia County, Florida. If the bidder uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the bid prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.

18. **OSHA:** The bidder warrants that the product supplied to The School Board of Volusia County, Florida shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of contract.

19. **SPECIAL CONDITIONS:** The Superintendent or Designee has the authority to issue Special Conditions and Specifications as required for individual bids. Any and all Special Conditions that may vary from these General Conditions shall have precedence.

20. **ANTI-DISCRIMINATION:** The bidder certifies that he or she is in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11246, as amended by Executive Order 111375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. Further, an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid or contract to profide goods/services to or may not transact business with a public entity. 287.012(11)(15)FS

21. **LIABILITY, INSURANCE, LICENSES AND PERMITS:** Where bidders are required to enter or go onto School Board property to deliver materials or perform work or services as a result of a bid award, the bidder agrees to The Hold Harmless Agreement stated herein and will assume the full duty obligation and expense of obtaining all necessary licenses, permits and insurances. The bidder shall be liable for any damages or loss to the Board occasioned by negligence of the bidder (or agent) or any person the bidder has designated in the completion of the contract as a result of their bid.

22. **BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE:** Bid bonds, when required, shall be submitted with the bid in the amount specified in Special Conditions. Bid bonds will be returned to unsuccessful bidders. After acceptance of bid, the Board will notify the successful bidder to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. Upon receipt of the performance bond, the bid bond will be returned to the successful bidder.

23. **DEFAULT AND VENUE:** In the event of default on a contract, the successful bidder shall pay The School Board of Volusia County, Florida, as liquidated damages an amount equal to 25% of the unit price bid, times the quantity or $50.00, whichever amount is larger. Any action by The School Board for liquidated damages shall be instituted and prosecuted in the Courts of the County of Volusia, State of Florida. In the event of a default on a contract, the successful bidder shall pay all attorney's fees and court costs incurred in collecting any liquidated damages.

24. **CANCELLATION:** In the event any of the provisions of this bid are violated by the contractor, the Superintendent or Designee shall give written notice to the contractor stating the deficiencies and unless deficiencies are corrected within five (5) days, recommendation may be made to the School Board for immediate cancellation (per Purchasing Policy 702). The School Board of Volusia County, Florida reserves the right to terminate any contract resulting from this invitation at any time and for any reason, upon giving thirty (30) days prior written notice to the other party.

25. **BILLING INSTRUCTIONS:** Invoices, unless otherwise indicated, must show purchase order numbers and shall be submitted in triplicate to The School Board of Volusia County, Florida, Accounts Payable Department. P.O. Box 2118, DeLand, Florida 32721-2118. Payment will be made a minimum of 30 days after delivery, authorized inspection and acceptance.

26. **FACILITIES:** The Board reserves the right to inspect the bidder's facilities at any time with prior notice.

27. **BID TABULATIONS:** Bidders desiring a copy of bid tabulation may request same by enclosing a self-addressed, stamped envelope with sufficient amount of postage on the envelope, when submitting bid.

28. **ASBESTOS STATEMENT:** All material supplied to the School Board of Volusia County, Florida must be 100% asbestos free. Bidder by virtue of bidding, certifies by signing bid, that if awarded any portion of this bid, will supply only material or equipment that is 100% asbestos free. No bid will be considered unless this is agreed to by the vendor.

29. **HOLD HARMLESS AGREEMENT:** During the term of this bid the bidder shall indemnify, hold harmless, and defend the School Board of Volusia County, Florida its agents, servants and employees from any and all costs and expenses, including but not limited to, attorney's fees, reasonable investigative and recovery costs, court costs and all other sums which the Board, its agents, servants and employees, may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or actions founded, thereon, arising or alleged to have arisen out of the products, goods or services furnished by the bidder, his agents, servants or employees, or any of his equipment when such persons or equipment are on premises owned or controlled by the Board for the purpose of performing services, delivering products or goods, installing equipment, or otherwise transacting business, whether such claim or claims be for damages, injury to person or property, including the Board's property, or death of any person, group or organization, whether employed by the bidder or the Board or otherwise.

SPECIAL CONDITIONS:

1. **INTENT:** The intent of this bid is to establish firm percentage discount(s) for the purchase of office supplies (Catalog Bid). The term office supplies shall include general supplies, office machines, and office furniture.

2. **CONTRACT PERIOD:** The contract shall be for a period of approximately twenty- four (24) months. The effective contract period shall be from August 1, 2014 to July 31, 2016. Expected Board approval is July 22, 2014.

3. **AWARD:** In order to meet the needs of the schools and departments and in the best interest of the School District of Volusia County, awards will be made to all vendors who offer fixed percentage discount(s), submit catalog(s) and otherwise comply with all specifications, terms and conditions of this bid. **Awarded bidders shall be in a favorable position to compete for the board's business, and those who offer lowest net prices for items, that comply with specifications and otherwise meet requirements, should obtain the largest volume of business.**

   This contract will remain open to add new vendors during the contract period. If during the contract period a vendor files all necessary bid documents, offers a percentage discount and complies with all specifications, terms and conditions of the bid, the vendor's request to be added as an awarded vendor will be taken to the Board for approval. The effective dates of the new vendor will be from the day after Board approval until the ending contract date.

4. **RENEWAL:** The School Board of Volusia County reserves the option to renew this contract or any portion thereof, upon mutual agreement in writing by both parties.

5. **PERCENTAGE DISCOUNTS:** Minimum percentage discount(s) bid shall remain firm throughout the contract period ending July 31, 2016. Bidders are to indicate the percentage discount(s) off current catalog(s) pricing on the bid response form.

6. **CATALOGS/PRICE LISTS: Bids may not be considered unless current catalog(s), price lists or a web address for on-line pricing accompanies the bid response.**

   6.1 After Board approval, successful bidder(s) may furnish at least one (1) catalog to all schools and designated departments in the School District of Volusia County. A listing of all schools is available on the School District website at www.volusia.k12.fl.us. **Catalog distribution is the responsibility of the vendor, not the School District of Volusia County.**

   6.2 Catalog(s) with new items and revised unit prices may be submitted to the school district when published.

   6.3 Vendors shall notify the Purchasing Department in writing prior to new catalog(s) being distributed to schools and departments.

   6.4 If bidding a % discount on internet pricing, a web address shall be provided on the bid response form.

7. **MINIMUM ORDERS:** Vendors may set a minimum dollar amount by indicating the amount on the bid response form (page 7 of 7).

SPECIAL CONDITIONS (continued):

8. **DELIVERY:** Delivery shall be F.O.B. (Freight prepaid) to various locations in Volusia County. Delivery, as specified herein, shall be within fifteen (15) to thirty (30) working days after receipt of order, except for special order items.

9. **QUANTITY:** No guarantee is given or implied as to the total quantity or dollar value of this bid. The School Board of Volusia County is not obligated to place any order with any vendor participating in this bid. All schools and departments will be urged to refer to catalogs and discount(s) provided by participating vendors in their attempt to fill their requirements at the lowest net prices.

10. **CATALOG(S):** Vendor(s) must furnish with this bid one (1) copy of their current preprinted full line office supply catalog which will indicate all catalog items vendor can furnish and the list prices to be used for each item. After Board approved, the schools and departments will request the successful bidder to deliver this same catalog to them. The bidder shall indicate on the front of each catalog the bid number, discount percentage, and the contract period. **Catalog distribution is the responsibility of the vendor, not the School Board of Volusia County.**

11. **AREA REPRESENTATIVE:** Bidders are to indicate in the space provided on the bid response form the name, address and telephone number of the representative who might visit the schools/departments and who will be available to the District, if the need arises. This representative must have the authority to help resolve billing and delivery problems.

12. **METHOD OF PURCHASE:** Schools and departments in Volusia County will purchase office supplies by issuing purchase orders, internal account purchase orders or by using the District's Visa Purchasing Card. The awarded vendors will be expected to honor all orders at the discounted bid prices.

13. **EXEMPTIONS:** Purchases shall not include items available at lower prices on other School District contracts, State of Florida contracts, or from our Warehouse. The Board reserves the right to bid separately any item(s) if deemed to be in the best interest of the School Board of Volusia County.

14. **PRODUCT QUALITY:** Items provided on this bid are to be new. Items that have been returned, refurbished or used for demonstrations are not acceptable. Each successful bidder shall agree to accept, for full credit and return shipping charges, the return of any item that is found to be defective in quality.

15. **WARRANTY:** Manufacturer's standard warranty shall be provided for all item(s) purchased from this bid. Warranty begins after delivery and acceptance of item(s) by the School Board of Volusia County.

16. **JESSICA LUNSFORD ACT – HOUSE BILL 1877:** The State of Florida has passed a law stating that all vendors visiting a school campus shall be in compliance with the Florida H.B. 1877, The Jessica Lunsford Act, effective September 1, 2005, amended August 2007.

SPECIAL CONDITIONS (continued):

17. **DEBARMENT FORM:** Please complete and return the enclosed Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transaction Form signed by bidder.

18. Please refer bid specifications questions and submit completed bid to:

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification:

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

CONTRACT BETWEEN

FLORIDA DEPARTMENT OF MANAGEMENT SERVICES

AND

STAPLES CONTRACT & COMMERCIAL, INC.

CONTRACT 618-000-11-1

This Contract is by and between the State of Florida, Department of Management Services (Department), Division of State Purchasing (Division), an agency of the State of Florida with offices at 4050 Esplanade Way, Tallahassee, Florida 32399-0950, and Staples Contract & Commercial, Inc. (Contractor).

Whereas, the Contractor replied to the Division's Invitation to Negotiate (ITN), No.: 618-001-10-1 – Office and Educational Consumables; and

Whereas, the Division negotiated and accepted the best terms and conditions for Office and Educational Consumables pursuant to Section 287.057(1) (c).

Accordingly, and in consideration of the mutual promises contained in the Contract documents, the Department and the Contractor do hereby enter into this Contract.

1.0 NAME OF PROJECT

Office and Educational Consumables.

2.0 SUMMARY OF THE CONTRACTUAL SERVICES (SCOPE OF WORK)

The scope of products for this Office and Educational Consumables contract are described in section 1.2 of the ITN document and are summarized in the table below. The Product Categories listed below refers to categories covered under this agreement.

Product Categories in Scope
▪ Consumables ▪ Breakroom & Cleaning Supplies ▪ Folders, Binders & Accessories ▪ Paper – Other ▪ Paper - 20# White (Recycled and Virgin) ▪ Toner HP ▪ Toner Non HP ▪ Toner Remanufactured ▪ IT Peripherals ▪ Equipment

3.0 DELIVERABLES

The ITN identifies all the performance requirements and expectations to be satisfied by the contractor throughout the term of the contract. However, included below are the primary deliverables related to the scope of work above. Also included below are the required minimum level of service and criteria for evaluating successful completion of each deliverable. The Contractor will provide the following Deliverables:

3.1 Monthly Service Level Agreement Metrics and Reports:

A. **Delivery Timing** – The Contractor shall maintain an on-time delivery rate of 95% or greater. On-time delivery will be defined as delivery of order within two (2) business days of placement of order. This SLA supersedes Section 4.11 Transportation and Delivery of the General Conditions. The contractor shall submit to the Department this monthly service level agreement report in Microsoft Excel that details the on-time delivery rate. Specifically, the report shall include the number of orders delivered complete within the 2 business day requirement divided by total number of orders delivered.

B. **Order Accuracy** - The Contractor shall maintain an order accuracy rate of 98% or greater. Order accuracy rate is defined as the number of items delivered as ordered divided by the total number of items ordered. The contractor shall submit to the Department this monthly service level agreement report in Microsoft Excel that details the order accuracy rate. Specifically, the report shall include the number of orders with order accuracy rate of more than 98% divided by total number of orders.

C. **Order Completeness / Fill** - The Contractor shall maintain an order fill rate of 95% or greater. Order fill rate is defined as a number of items on an order filled completely as ordered divided by to the total number of lines on an order. The contractor shall submit to the Department this monthly service level agreement report in Microsoft Excel that details the order fill rate. Specifically, the report shall include Number of orders with order fill rate of more than 95% divided by total number of orders.

D. **Price Accuracy** - The Contractor shall maintain a price accuracy rate of 99.5% or greater. Price accuracy is defined as the number of audited items each month where the net price (calculated by multiplying the list price by 1 minus the discount % for that product category) is equal to or less than the contract price (calculated by multiplying the list price, outlined in Section 3.2, by 1 minus the discount % for that product category). The Contractor shall obtain a third party firm at no additional cost to the State to conduct external price audits on this contract. The Contractor shall contract with a third party firm (to be approved by the Department) to conduct a monthly random sampling (a minimum of 570 items per month) of contract items to confirm the accuracy of list price, discount % and net price. Specifically, the third party firm will confirm the prices displayed on the Contractor's website are equal to or less than the contract terms. The third party firm shall provide a monthly report to the Department indicating the Price Accuracy Rate (Price Accuracy Rate = the number of audited items each month where the net price (calculated by multiplying the list price by 1 minus the discount % for that product category) is equal to or less than the contract price (calculated by multiplying the list price, outlined in Section 3.2, by 1 minus the discount % for that product category) divided by the number of audited items). Also, at a minimum, the monthly report shall identify items not in compliance with the contract terms, provide the date of the audit, and screenshots of the Contractor's on-line catalog of all items in the random sample that were not in compliance with the contract terms.

E. **Backorder Fill** – The contractor will ship backorders within five (5) calendar days of original order, unless special circumstances apply. The contractor will submit to the Department at the customer or the Departments request a report in Microsoft Excel that details the item name and product ID, reason for shortage, and plan of action when delivery may be expected or suggested replacement).

3.2 Quarterly Sales Report Data:

The Contractor shall report sales data to the Contract Manager on a quarterly basis using the Contract Quarterly Reporting Form in Attachment G – Quarterly Reporting Form.

The following summary data must be reported to the Contract Manager on a quarterly basis:

- Total purchases on the contract for the quarter
- Total purchases on the contract for the quarter by Eligible User
- Total purchases for the quarter made using the State's Purchasing Card
- Total Certified Vendor (including Minority, Women, and Service-Disabled Veteran) purchases for the quarter by Eligible User.

The following detailed data must be reported to the Contract Manager on a quarterly basis in Excel spreadsheet format:

- Eligible User (Customer) Entity Name
- Product Category
- Item Description
- Manufacturer Name
- Manufacturer Part Number
- UPC
- Unit of Measure
- Quantity Shipped
- Date Shipped
- List Price
- Invoice Price
- Core Item Flag (indicates if item is on Core Items list)
- P-Card Flag (indicates if transaction was paid for using a P-Card).
- Flag Purchases made within the stores (if applicable)

3.3 Annual Service Level Agreement Metrics and Reports:

A. **Price Accuracy** - The Contractor shall maintain a price accuracy rate of 99.5% or greater. Price accuracy is defined as the number of audited items each month where the net price (calculated by multiplying the list price by 1 minus the discount % for that product category) is equal to or less than the contract price (calculated by multiplying the list price, outlined in Section 3.2, by 1 minus the discount % for that product category). The Contractor shall Contract with a third party firm (to be approved by the Department) to conduct an annual (on each anniversary of the contract effective date) sampling of Customer invoices (a minimum of 600 customer invoices for the 12 month period) to confirm accuracy of list prices and discount %, and that net prices of invoiced items are equal to or less than the contract terms. Specifically, the third party firm will confirm the price charged to the Customer is equal to or less than the contract terms during that time period. The third party firm shall provide an annual report to the Department indicating the Price Accuracy Rate (Price Accuracy Rate = the number of audited items each year where the net price (calculated by multiplying the list price by 1 minus the discount % for that product category) is equal to or less than the contract price (calculated by multiplying the list price, outlined in Section 3.2, by 1 minus the discount % for that product category) divided by the number of audited items). Also, at a minimum, the annual report will include copies of the invoices in the random sample that were not in compliance with the contract terms.

4.0 SUMMARY OF PENALTY FOR FAILURE OF CONTRACTOR TO MEET DELIVERALBES

The Contractor is required to meet the performance standards as described in Section 3.0 above. Contractor is required to meet performance standards for Delivery Timing, Order Accuracy, Order Completeness/Fill and Price Accuracy on standard contract orders only, special/custom orders can be excluded from the calculations of these performance standards. Failure to meet the performance standards specified will result in the specified damages to the State as shown in the chart below. On the 15th of the month following the month being reported, the Contractor shall submit a report to the Contract Administrator containing the information required in Section 3.0 above. Performance Assurances, if applicable, will be paid via check or money order made out to the Department of Management Services in US Dollars within 30 days after report submission. These damages are assessed for failures over each 12 month period beginning with the first full month of contract performance and every 12 months thereafter.

Item	First Failure	Second Failure	Third Failure	Fourth Failure	Fifth Failure*	Each Additional Failure
Submit Report	$0	$500	$500	$1,000	$2,000	$3,000
Delivery Timing – less than 95% on time	$0	$0	$1,000	$1,000	$2,000	$3,000
Order Accuracy – less than 98% of items delivered are accurate	$0	$0	$1,000	$1,000	$2,000	$3,000
Order Completeness/ Fill – less than 95%	$0	$0	$1,000	$1,000	$2,000	$3,000
Price Accuracy – less than 99.5%	$0	$0	$2,000	$3,000	$4,000	$5,000

*Note: If respondent fails to meet the performance standards 5 or more times in a 12 month contract period, the State shall have grounds to initiate contract breach and termination proceedings.

5.0 EFFECTIVE DATE

This Contract shall begin on October 18, 2010, or on the last date in which it is signed by all parties, whichever is later.

6.0 EXPIRATION DATE

This Contract shall expire three years from the effective date of the Contract, unless cancelled earlier in accordance with its terms.

7.0 RENEWAL

Upon mutual written agreement, the Department and the Contractor may renew the Contract for up to three (3) years as allowed by Section 287.057 (13)(a), Florida Statutes and pursuant to the provision of PUR 1000 Section 26.

8.0 INTELLECTUAL PROPERTY

The parties do not anticipate that any intellectual property will be developed as a result of this contract. Any intellectual property developed as a result of this contract will belong to and be the sole property of the state. This provision will survive the termination or expiration of the contract.

9.0 PREFERRED PRICE

The Contractor agrees to submit to the Department at least annually an affidavit from an authorized representative attesting that the Contractor is in compliance with the preferred pricing provision in Section 5.14 Best Pricing Comparison of the ITN.

10.0 CONTRACT DOCUMENTS

This Contract, together with the following attached documents, set forth the entire understanding of the parties with respect to the subject matter. In case of conflict, the terms of this Contract shall control. If a conflict exists among any of the attached documents, the documents shall have priority in the order listed:

A. ATTACHMENT I:
Office and Educational Consumables ITN No.: 618-001-10-1, as amended.

B. ATTACHMENT II:
Contractor's Response to the ITN.

C. ATTACHMENT III:
Contractor's Best and Final Offer Pricing.

11.0 CONTRACT MANAGEMENT

A. Contract Manager

The Department employee who is primarily responsible for overseeing the Contractor's performance of its duties and obligations pursuant to the terms of this Contract. The Contract Manager shall be as follows:

Mark Hernandez
Division of State Purchasing
Department of Management Services
4050 Esplanade Way
Tallahassee, FL 32399-0950
Telephone: (850) 414-6741
Fax: (850) 414-6122
E-mail: mark.hernandez@dms.myflorida.com

The Department may appoint a different Contract Manager, which shall not constitute an amendment to the Contract, by sending written notice to Contractor. Any communication to the Department relating to the Contract shall be addressed to the Contract Manager.

B. Contractor's Representative

Steven Schumacher
Staples Contract & Commercial. Inc.
4661 Oak Fair Drive
Tampa, FL, 33610

AMENDMENT NO.: 4
FINAL RENEWAL
Office and Educational Consumables
Contract No.: 618-000-11-1

This Amendment No. 4 ("Amendment"), is effective upon execution to Office and Educational Consumables No. 618-000-11-1 ("Contract") between the State of Florida, Department of Management Services ("Department") and **Staples Contract & Commercial, Inc.** ("Contractor"). The Department and Contractor are collectively referred to herein as the ("Parties"). All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

WHEREAS the Department entered into a Contract with **Staples Contract & Commercial, Inc.** on October 18, 2010, which was renewed for one year effective October 17, 2013 and is scheduled to expire on October 17, 2014; and

WHEREAS the Parties agree to renew the Contract, in accordance with its terms; and

THEREFORE, in consideration of the mutual promises contained below, and other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Parties agree to the following:

1.0 Contract Renewal. Pursuant to section 4.26, the Contract is renewed for a period of two years effective October 17, 2014 and will expire October 17, 2016.

2.0 Contract Amendment. Pursuant to section 4.42, Paragraphs 5.14 and 5.15 are added to this Contract as follows:

" 5.14 Scrutinized Company List

Pursuant to subsection 287.135(5), F.S., by submitting a response to a procurement to which this clause is attached or by signing a contract or renewal of a contract where the value exceeds $1 million to which this clause is attached, the Respondent or Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, F.S.

Pursuant to subsection 287.135(3)(b), F.S, Department may immediately terminate any contract for cause if the Contractor is found to have submitted a false certification under subsection 287.135(5), F.S., or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

5.15 Contractor - Public Records

If, under this contract, the Contractor is providing services and is acting on behalf of the Department as provided under section 119.011(2), Florida Statutes, the Contractor, subject to the terms of section 287.058(1)(c), Florida Statutes, and any other applicable legal and equitable remedies, shall:
(a) Keep and maintain public records that ordinarily and necessarily would be required by the Department in order to perform the service.
(b) Provide the public with access to public records on the same terms and conditions that the Department would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
(d) Meet all requirements for retaining public records and transfer, at no cost, to the Department all public records in possession of the Contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the Department in a format that is compatible with the information technology systems of the Department.
The Department may unilaterally cancel this Contract for refusal by the Service Provider to comply with this section by not allowing public access to all documents, papers, letters, or other material made or received by the contractor in conjunction with the contract, unless the records are exempt from s. 24(a) of Art. I of the State Constitution and s. 119.07(1)."

3.0 Effect. Unless otherwise modified by this Amendment, all terms and conditions contained in the Contract shall continue in full force and effect.

4.0 Conflict. To the extent any of the terms of this Amendment conflict with the terms of the Contract, the terms of this Amendment shall control.

5.0 Scrutinized Companies. Contractor certifies that it is not listed on either the "Scrutinized Companies with Activities in Sudan List" or the "Scrutinized Companies with Activities in the Iran Petroleum Energy Sector list".

6.0 Warrant of Authority. Each person signing this Amendment warrants that he or she is duly authorized to do so and to bind the respective Party.

7.0 Successors and Assigns. This Amendment shall be binding upon and inure to the benefit of the successors and permitted assigns of the Parties hereto.

8.0 Entire Agreement. Except as expressly modified by this Amendment, the Contract shall be and remain in full force and effect in accordance with its terms and shall constitute the legal, valid, binding and enforceable obligations to the Parties. This Amendment and the Contract (including any written amendments thereto), collectively, are the complete agreement of the Parties and supersede any prior agreements or representations, whether oral or written, with respect thereto.

Subject:	Purchase two John Deere Mower Decks	
Attachments: ***Please number items as they will appear on the agenda.***	1. Quote AG Pro	
Agenda Section:	C. Consent Agenda	

Summary/Highlights: The Public Works Department is requesting to purchase two John Deere Mower Decks. Our two mowers we currently have were purchased in 2009.

Background: Two new mower decks for our existing 997 mowers. The decks are worn out with holes that have been patched more than once. A new mower is 16,000 to 18,000 depending on package options. We can salvage our mowers with new decks; this could extend the life up to three years. This is a sole source request due to the requirement of using a John Deere authorized vendor.

Staff Recommendation: Staff respectfully request approval to purchase two John Deere Mower Decks from AG Pro.

City Attorney Review:

Finance Department Review/Recommendation: There is sufficient budget remaining for this request.

Subject:	Ordinance 2015-05 Amending the Bunnell Code of Ordinances Sections 26-51 and 26-56 regarding residential storage of off road vehicles- Second Reading.	
Attachments: ***Please number items as they will appear on the agenda.***	1. Proposed Ordinance.	
Agenda Section:	E. Ordinance	

Summary/Highlights:
This is a request to amend the Bunnell Code of Ordinances Section 26-51 and 26-56 regarding storage of off road vehicles.

Background:
Current regulations state that any vehicle outside a building on a residential property without a current license plate and registration is considered junk and must be removed.
The DMV does not license off road vehicles so it is currently impossible for these vehicles to be legally stored on residential property. This Ordinance, if approved, will allow off road vehicles to be stored on residential property as long as it is in the rear yard.

This Ordinance approved on first reading at the April 27, 2015 City Commission Meeting It was advertised on April 29, 2015 in the News Tribune

Staff Recommendation:
Approval of Ordinance 2015-05 Amending the Bunnell Code of Ordinances Sections 26-51 and 26-56 regarding residential storage of off road vehicles-Second Reading.

City Attorney Review: Reviewed and approved by the Attorney.

ORDINANCE 2015-05

AN ORDINANCE OF THE CITY OF BUNNELL, FLORIDA AMENDING SECTIONS 26-51 AND 26-56 OF THE CODE OF ORDINANCES REGARDING STORAGE OF OFF ROAD VEHICLES ON RESIDENTIAL PROPERTY; PROVIDING FOR CONFLICTING PROVISIONS, SEVERABILITY AND APPLICABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Florida Statutes Chapter 166.01, the Municipal Home Rules Powers Act, authorizes cities to establish, co-ordinate and enforce the laws that are necessary for the protection of the public; and

WHEREAS, The City Charter provides the City with the authority to adopt regulations that are designed to promote the public health, safety, and general welfare of its citizens; and

WHEREAS, current law prohibits the storing of off road vehicles on residential property.

NOW THEREFORE BE IT ORDAINED BY THE COMMISSION OF THE CITY OF BUNNELL, FLAGLER COUNTY, FLORIDA THAT:

Section 1.

The Bunnell Code of Ordinances, Sections 26-51, and 26-56 are hereby amended as follows:

Sec. 26-51. - Definitions.

Junked motor vehicle means any motor vehicle which does not have lawfully affixed thereto an unexpired license plate or the condition of which is wrecked, dismantled, partially dismantled, inoperative, abandoned or discarded. Off road vehicles that cannot be licensed by the DMV are exempt from the licensing requirement.

Sec. 26-56. - Storing, parking or leaving dismantled or other such motor vehicle or boat prohibited and declared nuisance; exceptions.

It shall be unlawful for any person to park, store, leave, or permit the parking, storing or leaving, of any motor vehicle or boat of any kind which is abandoned, wrecked, dismantled, inoperative, rusted, junked or partially dismantled, whether attended or not, upon any private property within the city for a period of time in excess of 72 hours. The presence of an abandoned, wrecked, dismantled, inoperative, rusted, junked or partially dismantled vehicle or boat, or parts thereof, on private property is hereby declared a public nuisance which may be abated as such in accordance with the provisions of this division. This section shall not apply to any vehicle or boat stored within a roofed building on private property or to any vehicle or boat held in connection with a business enterprise, lawfully licensed by

the city and properly operated in the appropriate business zone, pursuant to the zoning laws of the city, or to any motor vehicle or boat retained by the owner for antique repair and restoration as long as such motor vehicle or boat is covered by a suitable tarpaulin. However, any junked motor vehicle or boat which is located on business property, and properly zoned and licensed for such business, shall not hold such property where the general public can view the property from any public street within the city. Off road vehicles may be stored on residential property as long as they are stored in the rear yard out of public view.

Section 2. Implementing Administrative Actions.
The City Manager, or designee, is hereby authorized and directed to implement the provisions of this Ordinance and to take any and all necessary administrative actions to include, but not be limited to, the adoption of administrative forms, policies, procedures, processes and rules. All development orders shall be issued in a manner consistent with controlling law and rendered in appealable form with the City Clerk. Denials of development approvals shall be issued in accordance with controlling law to include, but not be limited to, Section 166.033, *Florida Statutes*.

Section 3. Codification.
The provisions of this Ordinance, including its recitals, shall become and be made a part of the *Bunnell Code of Ordinance* and the Sections of this Ordinance may be re-numbered or re-lettered to accomplish such intention and the word "Ordinance", or similar words, may be changed to "Section," "Article", or other appropriate word; provided, however, that Sections 2, 3, 4, 5, and 6 shall not be codified. The Code codifier is granted liberal authority to codify the provisions of this Ordinance.

Section 4. Conflicts.
All ordinances or parts thereof in conflict with this Ordinance are hereby repealed to the extent of such conflict.

Section 5. Severability.
If any section, subsection, sentence, clause, phrase, or portion of this Ordinance, or application hereof, is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion or application shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions thereof.

Section 6. Effective Date.
This Ordinance shall take effect immediately upon enactment.

First Reading: approved on this 27th day of April, 2015.

Second Reading: adopted on this 11th day of May, 2015.

Subject:	Request Approval of Bright House Networks Contract	
Attachments: *Please number items as they will appear on the agenda.*	1. Business Solutions Order Form (2 signatures required) 2. Bright House Terms and Conditions 3. Bright House Networks Service Agreement Terms and Conditions Addendum (1 signature required)	
Agenda Section:	H. New Business	

Summary/Highlights:

Background: The City of Bunnell utilizes Road Runner internet services from Bright House Networks for network connectivity to remote locations to the City's network servers. Bright House offers a 20% discount for multiyear contracts. The Public Works building is currently not covered by a multiyear contract. Currently Utilities and Public Works are splitting the cost of this service based on month to month commercial rates.

Staff Recommendation:
Staff recommends approving the contract with the addendum.

City Attorney Review:
Reviewed and approved via email dated 4-20-2015.

Finance Department Review/Recommendation: There is sufficient budget to cover the recommended expenditures.

Addendum

The City of Bunnell's performance and obligation to pay under this contract is contingent upon an appropriation by the City during its annual budget approval process. If funds are not appropriated for a fiscal year, then the vendor shall be notified as soon as is practical by memorandum from the City Manager or their designee that funds have not been appropriated for continuation of the contract. The contract shall expire at the end of the fiscal year for which funding has been appropriated. The termination of the contract at fiscal yearend shall be without penalty or expense to the City subject to the City paying all invoices for services rendered during the period the contract was funded by appropriations.

Bright House Networks Business Solutions Services Master Agreement

Terms and Conditions

Last Revised: March 2015

1.0 **AGREEMENT.** These Bright House Networks Business Terms and Conditions ("Terms and Conditions"), and any Orders (as defined below) constitute the "Master Agreement" by and between Customer and Bright House Networks, LLC (including any Bright House Networks, LLC-affiliated entity providing the Services, "BHN", together with Customer, the "Parties", and each individually, a "Party") for the services specified on such Orders ("Services"). The attachments to these Terms and Conditions ("Attachments") further describe BHN's services and are hereby incorporated by reference. The Attachments may set forth additional terms and conditions for the applicable Service.

2.0 **SERVICES AND ORDERS.**

2.1 Subject to the terms and conditions of this Master Agreement (including, without limitation, Customer's compliance with its obligations set forth in Section 5), BHN shall provide Customer with the Services, pursuant to and in conformance with any Order accepted in accordance with Section 2.2 below during the Term (as defined in Section 6 below). Customer understands and agrees that certain Services may not be available in all BHN service areas and that BHN, upon entering into an Order with Customer may, at its own discretion, utilize one or more of its affiliates or another party or parties to deliver the applicable Service. Unless otherwise set forth on an applicable Attachment, BHN shall use commercially reasonable efforts to provide each Service identified in an Order seven (7) days a week, twenty four (24) hours a day, excluding scheduled maintenance, required repair and events beyond BHN's reasonable control.

2.2 Customer shall request Services hereunder by issuing to BHN one or more proposed service order(s) pursuant to this Master Agreement (in the form provided or approved by BHN) or via a mutually agreed electronic order entry system. Upon BHN's acceptance of a proposed BHN service order(s), such service order(s) shall be deemed an "Order" hereunder and shall be deemed incorporated into this Master Agreement. A proposed BHN service order shall be deemed accepted upon the earlier of (a) BHN's acceptance of such service order in writing; or (b) BHN's commencement of delivery of the Service(s) set forth in such service and/or work order. And furthermore, in the event Customer cancels an Order prior to BHN actually delivering Services, and in the event that BHN incurs construction or installation charges, then Customer shall reimburse BHN for such charges actually incurred.

3.0 **SERVICE & EQUIPMENT INSTALLATION.** Customer shall obtain and maintain, or ensure that each Customer employee or branch office to whom the Service will be provided, or who shall use the Service, as applicable (each "End User"), shall obtain and maintain, throughout the Term such consents (including without limitation landlord and land owner consents) as are necessary to timely permit, and shall timely permit, BHN personnel to install, deliver, operate and maintain the Service and BHN Equipment (as defined in Section 4 below) as contemplated herein at Customer's and any End User's facilities. Customer shall permit BHN reasonable access to Customer's and any End User's facilities at any time as needed to install, configure, upgrade, maintain or remove the BHN Equipment and other Service components collocated at such facilities. Customer shall make and maintain throughout the Term all reasonable site preparations necessary to permit the installation, maintenance and operation of the Service and any BHN Equipment as specified by BHN and that is required to provide the Services here under. In addition, Customer will provide BHN with floor space, rack space, other space and clean power as is reasonably necessary for the installation and operation of BHN Equipment at the Customer locations identified in an Order, for the term of the applicable Order. Customer shall not charge BHN, and shall ensure that BHN does not incur, any fees or expenses whatsoever in connection with Customer's provision of space, power, or access as described herein, or otherwise in connection with Customer's performance of its obligations pursuant to this Section 3; and any such fees or expenses charged by any End User shall be borne solely by Customer. Provided that Customer properly performs all necessary site preparation and provides BHN with all required consents, BHN shall use commercially reasonable efforts to install the Service in accordance with the requested Service start date indicated on an Order. BHN shall provide Customer with a completion notice or work order upon completion of the installation of a Service. In the event that BHN is unable to install the Service in accordance with the agreed upon schedule as a result of (i) Customer's (or any End User's) failure to deliver any required materials, support or information to BHN; or (ii) BHN not being able to obtain access to equipment or software at the installation location as necessary for installation of the Service, then Customer shall pay BHN an installation fee at BHN's then prevailing rates for any installation trip made by BHN and an additional installation fee for each subsequent trip necessary to perform the Service installation. Interconnection of the Service and BHN Equipment with Customer's or any End User's, as applicable, equipment will be performed by Customer unless otherwise agreed in writing between the Parties. Customer shall be solely responsible for securing and maintaining any and all Customer equipment, including, but not limited to, Private Branch Exchanges ("PBXs") and Trunk Equipment (as defined in Attachment B), where applicable.

3.1 **RIGHT OF ENTRY.** If Customer is the owner of the premises where the Services will be provided (the "Premises"), the following additional terms shall apply:

(i) **System; Services.** Customer hereby grants to BHN the non-exclusive right to install, operate, inspect, maintain, modify, repair, replace, relocate and remove a coaxial cable, fiber and/or wireless communication services distribution system (the "System") and to market, sell and provide multichannel video, data, phone and other services ("Service Offerings") to and from the Premises. BHN will install and maintain the System at the Premises at its sole cost and expense, in a good and workmanlike manner and in accordance with good engineering practices and all applicable laws, rules and regulations.

(ii) **Ownership and Use.** The System will be and remain the sole personal property of BHN and will not be deemed to be affixed to the Premises. Customer will not, and will not authorize any other party to, tamper with, attach to or use any portion of the System without the prior written approval of BHN. If any of the System is not removed from the Premises prior to the expiration of this Section 3.1 (as set forth in subsection (iv) below), then BHN will be deemed to have abandoned such personal property in place, and title to such property automatically will vest in Customer.

(iii) **Alteration to Premises.** BHN will be responsible for any or all damages directly caused by its faulty workmanship or installation of the System, provided that the boring of holes or insertion of fasteners through the surface of walls for attachment of peripheral equipment is part of normal workmanship and will not be deemed damages.

(iv) **Right of Entry Term.** This Section 3.1 will remain in full force and effect for so long as BHN provides any Service Offering to any occupant of the Premises, plus an additional 90 days thereafter to effect any removal of the System.

(v) **Representations and Warranties.** Customer represents and warrants that (a) Customer has the full authority to fully perform its obligations hereunder and to grant the rights granted to BHN herein, (b) no party has any contractual right or any interest in the Premises that conflicts with any rights granted hereunder, and (c) the Premises is not part of a bankruptcy proceeding, foreclosure action, or deed-in-lieu-of-foreclosure transaction.

4.0 **SUPPORT & MAINTENANCE.** BHN shall use commercially reasonable efforts to maintain the BHN-provided and installed equipment, including as applicable, any cabling, cable modems, related splitters, routers or other items (collectively, the "BHN Equipment"), on BHN's side of the demarcation points used by BHN to provide the Service. Notwithstanding any contrary provision set forth in this Master Agreement, equipment and services on Customer's side of the demarcation points, as well as any other Customer-provided equipment, are the responsibility of Customer. BHN shall provide a telephone number and email address for inquiries and remote problem support for the Service. All such Customer support shall be provided only to Customer's designated personnel, as mutually agreed upon by BHN and Customer. Customer is responsible for all communications and interfaces with End Users. In no event shall BHN be responsible for providing support for any network, equipment or software not provided and installed by BHN under this Master Agreement or for issues or problems beyond its control. Notwithstanding anything to the contrary in the foregoing, BHN shall use commercially reasonable efforts to restore any cable cuts on the BHN network and shall keep Customer reasonably advised of such restoration progress. Customer agrees to provide routine operational Service support for BHN Equipment and Service components collocated at Customer's or any End User's facility, including without limitation by performing reboots, as requested by BHN. If BHN responds to a service call initiated by Customer, and BHN reasonably determines that the cause of the problem is not due to BHN's Network, but is due to Customer's equipment or facilities, or a third party, Customer must compensate BHN for the service call at BHN's then prevailing rates.

5.0 **CUSTOMER OBLIGATIONS.**

5.1 Customer's use of the Service (including all content transmitted via the Service) shall comply with all applicable laws and regulations and the terms of this Master Agreement. Customer agrees not to resell or redistribute (whether for a fee or otherwise) the Service, or any portion thereof, or make any use of the Service other than for Customer's internal business purposes, unless otherwise agreed in writing by BHN. Customer shall ensure that End Users' use of the Service, if any, shall comply with all applicable laws and regulations and any applicable Terms of Use (which are incorporated herein by this reference). "Terms of Use" means all applicable Service policies, including without limitation acceptable use policies and available on the BHN web site, http://businesssolutions.brighthouse.com/about-us/our-policies.html, as may be modified from time to time by BHN, at its sole discretion. BHN may audit Customer's use of the Service remotely or otherwise, to ensure Customer's compliance with this Master Agreement.

5.2 Customer shall ensure that all BHN Equipment at Customer's and End Users' facilities (i) remains free and clear of all liens and encumbrances, (ii) is not modified or altered by any party other than BHN, (iii) is not subject to accident, misuse, abnormal wear and tear, neglect, or mistreatment, (iv) is not damaged in connection with any equipment or software with which the BHN Equipment is used and is not supplied by BHN, (v) is not damaged by liquids, and (vi) is not used with any software not supplied by BHN for use with such BHN Equipment. Any service levels hereunder apply only if the applicable BHN Equipment can be identified by the original trademark, trade name, serial number or logo affixed to the BHN Equipment. Customer shall be responsible for loss or damage to the BHN Equipment while at Customer's or any End User's facilities. As between the Parties, Customer is solely responsible for (a) all use (whether or not authorized) of the Service by Customer, any End User or any unauthorized person or entity, which use shall be deemed Customer's use for purposes of this Master Agreement, (b) all content that is viewed, stored or transmitted via the Service, as applicable, and (c) all third party charges incurred for merchandise and services accessed via the Service, if any. Customer agrees to conform its equipment and software, and to ensure that each End User conforms its equipment and software, to the technical specifications for the Service provided by BHN from time to time.

6.0 **TERM.** This Master Agreement shall commence on the date of full execution by the Parties (the "Effective Date") and shall remain in effect for the initial term set forth on the Order accompanying this Master Agreement (such term, the "Initial Term", and such Order, the "Initial Order"). Unless terminated earlier in accordance with the terms hereof, upon the expiration of the Initial Term this Master Agreement shall automatically renew on an annual basis (each such annual period, a "Renewal Term"), unless either Party provides written notice of nonrenewal to the other Party at least ninety (90) days prior to the expiration of the then-current Initial Term or Renewal Term, as applicable. The Initial Term and any Renewal Term(s) collectively shall constitute the "Main Term". If the Order Term for any Order other

than the Initial Order extends beyond the Main Term, then this Master Agreement and such Order will continue in effect until the expiration or termination of such Order Term, but only as to such Order and subject to the termination rights of BHN and Customer under this Master Agreement. If the Order Term for any Order is on a month-to-month basis, then this Master Agreement will continue on a month-to-month basis with respect to such Order, unless either Party provides written notice of nonrenewal to the other Party at least fifteen (15) days prior to the end of the then-current month and subject to the termination rights of BHN and Customer under this Master Agreement. The term of effectiveness of this Master Agreement shall constitute the "Term".

7.0 **PAYMENT, DEPOSITS and ADVANCE PAYMENT.** For each Service, Customer agrees to pay BHN all recurring and non-recurring charges, fees and taxes, (which may include Service installation and activation charges, measured and usage-based charges, local, long distance, conferencing, directory assistance and operator services calling charges, and equipment and facilities charges) (collectively the "Service Charges") as set forth on the Order in accordance with the following payment terms: Service Charges will be billed to Customer on a monthly basis, and are payable within thirty (30) days after the date appearing on the invoice. BHN will not defer any charges while Customer awaits reimbursement, subsidy, discount or credit from any third party or government entity, and Customer shall have the obligation to pay all charges regardless of the status of any such reimbursement, subsidy, discount or credit. BHN shall have the right to increase Service Charges for each Service after the initial Order Term for such Service upon thirty (30) days written notice to Customer. BHN may charge a late fee for any amounts which are not paid when due. The late fee may be one and one-half percent (1.5%) per month of the overdue amount or the highest rate chargeable by law per month, or an amount in between, or lesser than, these two figures. Customer shall also be responsible for all costs of collection (including reasonable attorneys' fees) to collect overdue amounts. If BHN fails to present a charge in a timely manner, such failure shall not constitute a waiver of the charges for the fees to which it relates and Customer shall pay such invoice in accordance with these payment terms. If BHN fails to present an invoice in a timely manner, such failure shall not constitute a waiver of the charges for the fees to which it relates and Customer shall pay such invoice as required by agreed upon payment terms. Customer may not dispute service charges or request credits more than 90-days from the payment date on invoice for such Service.

7.1 To safeguard its interests, BHN may at any time verify Customer's credit standing. Additionally, BHN may at any time require Customer to make a deposit and/or advance payment. The deposit requested will be in cash, the equivalent of cash, or a bank, credit card or account debit authorization and does not relieve Customer of the responsibility for the prompt payment of invoices on presentation. BHN may deduct amounts from the deposit, bill any bank or credit card provided, or utilize any other means of payment available to BHN, for past due amounts payable by Customer to BHN. Upon discontinuance of Service, BHN shall promptly and automatically refund Customer's deposit plus accrued interest, or the balance, if any, in excess of the unpaid bills including any penalties or termination charges assessed for Service furnished by BHN.

7.2 Customer is solely responsible for securing customer premises equipment, including PBXs, and shall be liable for all charges associated with Customer's premises, including PBXs, calling card(s) and/or access numbers, regardless of whether such use (i) is authorized by Customer management or (ii) involves fraudulent activity.

8.0 **TAXES.** Customer shall pay all federal, state, and local taxes, fees, charges, surcharges or similar exactions imposed on the Services and/or products that are the subject of this Master Agreement including but not limited to state and local sales and use taxes, telecommunications taxes, federal and state universal service fund fees and/or state and local regulatory fees to the extent applicable. Further, BHN shall have the right to recover from Customer the amount of any state or local fees or taxes arising as a result of this Master Agreement, which are imposed on BHN or BHN's services, or measured on BHN's receipts. Such fees or taxes shall be invoiced to Customer in the form of a surcharge included on Customer's invoice. BHN shall be responsible for and shall pay all taxes measured by BHN's net income. To the extent that a dispute arises as to which Party is liable for fees or taxes under this Master Agreement, Customer shall bear the burden of proof in showing that the fee or tax is imposed upon BHN's net income. This burden may be satisfied by Customer producing written documentation from the jurisdiction imposing the fee or tax indicating that the fee or tax is based on BHN's net income. Customer shall be responsible for providing BHN any and all documentation substantiating a claim for exemption from taxes or fees prior to the date that Services are first provided under this Master Agreement. To the extent such documentation is held invalid for any reason, Customer agrees to reimburse BHN for any tax or fee liability including without limitation related interest and penalties arising from such invalid documentation.

8.1 Customer acknowledges that currently, and from time to time, there is uncertainty about the regulatory classification of some of the Services BHN provides and, consequently, uncertainty about what fees, taxes and surcharges are due from BHN and/or its customers. Customer agrees that BHN has the right to determine, in its sole discretion, what fees, taxes and surcharges are due and to collect and remit them to the relevant governmental authorities, and/or to pay and pass them through to Customer. Customer hereby waives any claims it may have regarding BHN's collection or remittance of such fees, taxes and surcharges. Customer understands that it may obtain a list of the fees, taxes and surcharges that BHN currently collects or passes through by writing to BHN.

9.0 **PROPRIETARY RIGHTS AND CONFIDENTIALITY.** (a) BHN's Proprietary Rights. All materials including, but not limited to, any BHN Equipment (including related firmware), software, data and information provided by BHN, any identifiers or passwords used to access the Service or otherwise provided by BHN, and any know-how, methodologies or processes including, but not limited to, all copyrights, trademarks, patents, trade secrets, any other proprietary rights inherent therein and appurtenant thereto, used by BHN to provide the Service (collectively "BHN Materials") shall remain the sole and exclusive property of BHN or its suppliers. Customer shall acquire no interest in the BHN Materials by virtue of the payments provided for herein. Customer may use the BHN Materials solely for Customer's use of the Service. Customer may not disassemble, decompile, reverse engineer, reproduce, modify or distribute the BHN Materials, in whole or in part, or use them for the benefit of any third party. All rights in the BHN Materials not expressly granted to Customer herein are reserved to BHN. Customer shall not open, alter, misuse, tamper with or remove the BHN Equipment as and where installed by BHN, and shall not remove any markings or labels from the BHN Equipment indicating BHN (or its suppliers) ownership or serial numbers. (b) Confidentiality. Customer agrees to maintain in confidence, and not to disclose to third parties or use, except for such use as is expressly permitted herein, the BHN Materials and any other information and materials provided by BHN in connection with this Master Agreement, including but not limited to the content of this Master Agreement, that are identified or marked as confidential or are otherwise reasonably understood to be confidential, including but not limited to the contents of this Master Agreement and any Order(s). (c) Software. If

software is provided to Customer hereunder ("Software"), BHN grants Customer a limited, non-exclusive and non-transferable license to use such Software, in object code form only, solely for the purpose of using the Service for Customer's internal business purposes during the Term. Customer agrees not to reverse engineer, decompile, disassemble, translate, or attempt to learn the source code of any Software related to the Services.

10.0 **MONITORING, EQUIPMENT UPGRADES AND MODIFICATIONS**. BHN has the right, but not the obligation, to upgrade, modify and enhance the BHN network (including BHN Equipment and related firmware) and the Service and take any action that BHN deems appropriate to protect the Service and its facilities. BHN shall have the right, but not the obligation, to monitor and record oral communications with Customer regarding Customer's account or Services for the purpose of service quality assurance. BHN will notify Customer of any material adverse change to these Terms and Conditions (including the Terms of Use) or Service descriptions by posting such modified Terms and Conditions (including the Terms of Use) or Service description on the BHN web site or by email, or, if applicable, in the appropriate BHN tariff. If BHN modifies the Services or these Terms and Conditions (including the Terms of Use) and such modification has a material adverse impact on Customer's ability to use the Service, Customer may, within the thirty (30) day period following the date of such modification, terminate, without penalty, the Order relating to the affected Service.

11.0 **TERMINATION.** Either Party may terminate an applicable Order (a) upon thirty (30) days written notice of the other Party's material breach, provided that such material breach is not cured within such thirty (30) day period, or (b) immediately, in the event that the other Party liquidates, is adjudicated as bankrupt, makes an assignment for the benefit of creditors, invokes any provision of law for general relief from its debtors, initiates any proceeding seeking general protection from its creditors, is removed or delisted from a trading exchange or its long term debt is downgraded more than two levels from its rating as of the Effective Date. In addition, in the event that Customer fails to comply with any applicable laws or regulations, the terms of this Master Agreement or the Terms of Use, BHN may upon thirty (30) days written notice suspend or discontinue any applicable Service in whole or in part without further notice, provided that such failure is not cured within such thirty (30) day period. In addition, BHN may immediately suspend Customer's or any End User's use of the Service if such use is determined by BHN, at its sole discretion, to be resulting in a material degradation of the BHN network, until such time as such degradation has been remedied. BHN will use commercially reasonable efforts to assist Customer in remedying such degradation. In the event of a suspension, BHN may require the payment of reconnect or other charges before restarting the suspended Service. Upon the termination or expiration of this Master Agreement and the Order(s) hereunder: (i) BHN's obligations hereunder shall cease; (ii) Customer promptly shall pay all amounts due and owing to BHN for Service delivered prior to the date of termination or expiration and any applicable deinstallation fees identified in Order(s), if any; (iii) Customer promptly shall cease all use of any software provided by BHN hereunder, and shall return such software to BHN; and (iv) Customer shall return to BHN or permit BHN to remove, in BHN's discretion, the BHN Equipment in the same condition as when received, ordinary wear and tear excepted. Customer shall be responsible for reimbursing BHN for the reasonable and documented costs of the repair or replacement, at BHN's discretion, of any BHN Equipment not returned in accordance with this Section 11

11.1 **EARLY TERMINATION.** Notwithstanding anything to the contrary herein, upon early termination of an Order by Customer for any reason, other than as set forth in Section 11(a) or 11(b) above, or by BHN for any reason set forth in Section 11(a) or 11(b) above, Customer shall, at BHN's discretion promptly pay BHN an early termination fee equal in the amount of:

(i) $150 for early termination of Business Phone Service (Attachment B) or Business Internet Service (Attachment C), plus an additional $25 for each Business Phone line.

(ii) $250 for early termination of Business Phone Service (Attachment B) and Business Internet Service (Attachment C), plus an additional $25 for each Business Phone line.

(iii) Four (4) months of Services Charges for Trunks & Data Service/Business Trunking (Attachment B & C) or OnSite Technical Service (Attachment J).

(iv) Four (4) months of Services Charges for SMB Hosted Voice Service (Attachment B) plus 100% of the remaining Services Charges for any leased phones for SMB Hosted Voice Service.

(v) 100% of the remaining Services Charges for the then-current Order Term for Multi-Channel Video Service (Attachment A), Enterprise Trunking Services (Attachment B), Non-SMB Hosted Voice Service (Attachment B), Dedicated Internet Access Service (Attachment C), Metro Ethernet Services (Attachment D), WiFi for Hospitality Service (Attachment G), or Managed Services (Attachment K).

(vi) Four (4) months of Services Charges for Enterprise Cloud Solutions (Attachment H).

11.2 Additionally, in the event Customer terminates a portion of the Services ordered hereunder, BHN may increase the rates for any remaining Services effective upon notice to Customer.

11.3 The foregoing in Sections 11.1 and 11.2 shall be in addition to any other rights and remedies that BHN may have under this Master Agreement or at law or equity

11.4 **PORTABILITY**. Customer may, upon written notice to BHN, discontinue or terminate Service, prior to the end of an Order Term, without payment of the applicable early termination charge set forth in Section 11.1, if: (i) Customer replaces the affected Service at a new location, so long as the value of the replacement Service is equal to or greater than the Service being replaced, and (ii) Customer pays all non-recurring charges applicable to the replacement Service (including, without limitation, all construction expenses); and (iii) Customer pays any applicable third party termination liability applicable to the Service being terminated.

12.0 **INDEMNIFICATION.** Customer agrees to defend, indemnify and hold harmless BHN, its affiliates, its service providers and suppliers and their respective officers, directors, employees and agents, from and against all liabilities, losses, costs, damages and expenses, including reasonable attorneys' and other professionals' fees, arising out of any third party claim arising out of or relating to (a) the use of the Service, including but not limited to a breach of Section 5 herein; or (b) personal injury or death or property damage from any cause,

including but not limited to claims by Customer's employees, agents, tenants or invitees, arising out of this Master Agreement, to the extent of the negligence or willful misconduct of Customer or its employees, agents, tenants or invitees, (c) any fees, fines or penalties incurred by BHN as a result of Customer's violation of the 10% Rule as set forth in Attachment D; or (d) breach of the terms governing any use of music services provided as part of the Service.

13.0 **DISCLAIMER OF WARRANTY.** CUSTOMER ASSUMES TOTAL RESPONSIBILITY FOR USE OF THE SERVICE AND USES THE SAME AT ITS OWN RISK. BHN EXERCISES NO CONTROL OVER AND HAS NO RESPONSIBILITY WHATSOEVER FOR THE CONTENT TRANSMITTED OR ACCESSIBLE THROUGH THE SERVICE AND BHN EXPRESSLY DISCLAIMS ANY RESPONSIBILITY FOR SUCH CONTENT. EXCEPT AS SPECIFICALLY SET FORTH IN THIS MASTER AGREEMENT, THE SERVICE, BHN EQUIPMENT AND BHN MATERIALS ARE PROVIDED "AS IS," WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF TITLE, NON-INFRINGEMENT, SYSTEM INTEGRATION, DATA ACCURACY, QUIET ENJOYMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO ADVICE OR INFORMATION GIVEN BY BHN, ITS AFFILIATES OR ITS CONTRACTORS OR THEIR RESPECTIVE EMPLOYEES SHALL CREATE ANY WARRANTY. BHN DOES NOT REPRESENT OR WARRANT THAT THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS, PREVENT UNAUTHORIZED ACCESS BY THIRD PARTIES, WILL BE UNINTERRUPTED, SECURE, ERROR FREE, WITHOUT DEGRADATION OF VOICE QUALITY OR LOSS OF CONTENT, DATA OR INFORMATION OR THAT ANY MINIMUM TRANSMISSION SPEED IS GUARANTEED AT ANY TIME. EXCEPT AS SET FORTH IN THE MASTER AGREEMENT, BHN DOES NOT WARRANT THAT ANY SERVICE OR EQUIPMENT PROVIDED BY BHN WILL PERFORM AT A PARTICULAR SPEED, BANDWIDTH OR THROUGHPUT RATE. IN ADDITION, CUSTOMER ACKNOWLEDGES AND AGREES THAT TRANSMISSIONS OVER THE SERVICE MAY NOT BE SECURE. CUSTOMER FURTHER ACKNOWLEDGES AND AGREES THAT ANY DATA, MATERIAL OR TRAFFIC OF ANY KIND WHATSOEVER CARRIED, UPLOADED, DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THE SERVICE IS DONE AT CUSTOMER'S OWN DISCRETION AND RISK AND THAT CUSTOMER WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO CUSTOMER'S OR ANY END USER'S COMPUTER SYSTEM OR EQUIPMENT (INCLUDING NETWORK EQUIPMENT) OR LOSS OF SUCH DATA, MATERIAL OR TRAFFIC DURING, OR THAT RESULTS FROM, CUSTOMER'S OR ANY END USER'S USE OF THE SERVICE INCLUDING, BUT NOT LIMITED TO CUSTOMER'S OR ANY END USER'S SENDING OR RECEIVING, OR UPLOADING OR DOWNLOADING, OR ATTEMPTS TO DO SAME, OF SUCH DATA, MATERIAL OR TRAFFIC. IN ADDITION, CUSTOMER ACKNOWLEDGES AND AGREES THAT BHN'S THIRD PARTY SERVICE PROVIDERS DO NOT MAKE ANY WARRANTIES TO CUSTOMER UNDER THIS MASTER AGREEMENT AND BHN DOES NOT MAKE ANY WARRANTIES ON BEHALF OF SUCH SERVICE PROVIDERS UNDER THIS MASTER AGREEMENT, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, SYSTEM INTEGRATION, DATA ACCURACY OR QUIET ENJOYMENT.

14.0 **LIMITATION OF LIABILITY.** IN NO EVENT SHALL BHN BE LIABLE TO CUSTOMER, ANY END USER OR ANY THIRD PARTY FOR ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO THIS MASTER AGREEMENT, REGARDLESS OF WHETHER BHN HAD BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BHN'S AGGREGATE LIABILITY FOR ANY REASON AND ALL CAUSES OF ACTION ARISING OUT OF OR RELATING TO THIS MASTER AGREEMENT (INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT (INCLUDING NEGLIGENCE) AND STRICT PRODUCT LIABILITY) SHALL BE LIMITED TO THE FEES PAID OR OWED BY CUSTOMER UNDER THE ORDER THAT IS THE SUBJECT MATTER OF THE CLAIM IN THE SIX (6) MONTHS PRECEDING THE DATE THE CLAIM ARISES. IN NO EVENT SHALL BHN'S AFFILIATES, THIRD PARTY SERVICE PROVIDERS OR SUPPLIERS HAVE ANY LIABILITY TO CUSTOMER HEREUNDER. BHN SHALL NOT BE RESPONSIBLE FOR ANY LOSSES OR DAMAGES ARISING AS A RESULT OF THE UNAVAILABILITY OF THE SERVICE, INCLUDING THE INABILITY TO REACH 911 OR OTHER EMERGENCY SERVICES, THE INABILITY TO CONTACT A SECURITY SYSTEM OR REMOTE MEDICAL OR OTHER MONITORING SERVICE PROVIDER OR ANY FAILURE OR FAULT RELATING TO CUSTOMER-PROVIDED EQUIPMENT, FACILITIES OR SERVICES.

15.0 **DISCLOSURE OF CUSTOMER INFORMATION.** Customer's privacy interests, including Customer's ability to limit disclosure of certain information to third parties, may be addressed by, among other laws, the Federal Telecommunications Act (the "Telecommunications Act"), the Federal Cable Communications Act (the "Cable Act"), the Electronic Communications Privacy Act, and, to the extent applicable, state laws and regulations. Customer proprietary network information and personally identifiable information that may be collected, used or disclosed in accordance with applicable laws is described in the Customer Privacy Notice provided by BHN in writing, and, if applicable, in BHN's tariff, which are incorporated herein by reference. Customer acknowledges receipt of the Customer Privacy Notice. In addition to the foregoing, Customer hereby acknowledges and agrees that BHN may disclose Customer's and its employees' personally identifiable information as required by law or regulation, or the American Registry for Internet Numbers ("ARIN") or any similar agency, or in accordance with BHN's Customer Privacy Notice or, if applicable, tariff. In addition, BHN shall have the right (except where prohibited by law notwithstanding Customer's consent), but not the obligation, to disclose any information to protect its rights, property and/or operations, or where circumstances suggest that individual or public safety is in peril.

16.0 **FORCE MAJEURE.** Notwithstanding anything to the contrary contained herein, a Party shall have no liability to the other hereunder due to circumstances beyond its control, including, but not limited to, acts of God, terrorism, flood, fiber cuts, natural disaster, regulation or governmental acts, fire, power surges or outages, civil disturbance, weather, or any unauthorized access to or destruction or modification of the Service, in whole or in part (each a "Force Majeure Event"). Notwithstanding anything to the contrary herein, Customer may terminate the affected Order(s) in its entirety and without penalty if a Force Majeure Event continues for more than ten (10) consecutive days and prevents BHN from delivering the Service subject to such Order(s).

17.0 **REGULATORY AND LEGAL CHANGES, POLE ATTACHMENT AND CONDUIT CHARGES, TARIFFS.** In the event of any change in applicable law, regulation, decision, rule or order, including without limitation any new application of or increase in universal service fees or other government- or quasi-government-imposed charges that increases the costs or other terms of BHN's delivery of Service to Customer, or, in the event of any increase in pole attachment or conduit charges applicable to any facilities used by BHN in providing the Service, Customer acknowledges and agrees that BHN may pass through to Customer any such increased fees or costs, but only to the extent of the actual increase, provided BHN notifies Customer at least thirty (30) days in advance of the increase. In such case, and if such increase materially increases the fees or charges due by Customer hereunder for the applicable Service, Customer may, within thirty (30) days after notification of such increase, terminate the affected Service without incurring termination liability, provided Customer notifies BHN at least fifteen (15) days in advance of Customer's requested termination date. Further, in the event that BHN is required to file tariffs or rate schedules with a regulatory agency or otherwise publish its rates in accordance with regulatory agency rules or policies respecting the delivery of the Service or any portion thereof, and BHN is required under applicable law to apply those rates to Customer's purchase of

Service under this Master Agreement, then the terms set forth in the applicable tariff or rate schedule shall govern BHN's delivery of, and Customer's use or consumption of the Service. In addition, if BHN determines that offering or providing the Service, or any part thereof, has become impracticable for legal or regulatory reasons or circumstances, then BHN may terminate this Master Agreement as to any or all of the Service and may terminate any affected Orders, without liability by giving Customer thirty (30) days prior written notice or any such notice as is required by law or regulation applicable to such determination.

17.1 This Master Agreement, its Attachments and the Order(s) are subject to all applicable federal, state or local laws and regulations in effect in the relevant jurisdiction(s) in which BHN provides the Services. If any provision of this Master Agreement, its Attachments, or the Order(s) contravene or are in conflict with any such law or regulation, then the terms of such law or regulation shall take priority over the relevant provision of this Master Agreement, its Attachments, and/or the Order(s). If the relevant law or regulation applies to some but not all of the Service(s) being provided hereunder, then such law or regulation will take priority over the relevant provision of this Master Agreement, its Attachments, and the Order(s) only for purposes of those Service(s) to which the law or regulation applies. Except as explicitly stated in this Master Agreement, nothing contained in this Master Agreement shall constitute a waiver by BHN of any rights under applicable laws or regulations pertaining to the installation, operation, maintenance or removal of the Services, facilities or equipment.

18.0 **ENTIRE AGREEMENT.** This Master Agreement, including without limitation all Attachments that are attached hereto and incorporated herein by this reference, sets forth the entire agreement between the Parties with respect to the subject matter hereof and supersedes all previous written or oral agreements or representations between the Parties with respect to such subject matter.

19.0 **ORDER OF PRECEDENCE.** Each Service shall be provisioned pursuant to the terms and conditions of this Master Agreement. In the event that BHN permits Customer to use its own standard purchase order form to order the Service, the Parties hereby acknowledge and agree that the terms and conditions hereof shall prevail notwithstanding any variance with the terms and conditions of any purchase order submitted by Customer, and any different or additional terms contained in such purchase order shall have no force or effect. To the extent that the terms of any Attachment or Order are inconsistent with the terms of this Master Agreement, the terms of this Master Agreement shall control.

20.0 **COMPLIANCE WITH LAWS**. As between the Parties, BHN will obtain and maintain at its own expense all licenses, approvals and regulatory authority required by law with respect to BHN's operation and provision of the Services as contemplated herein, and Customer will obtain and maintain at its own expense all license, approvals and regulatory authority required by law with respect to Customer's use of the Services as contemplated herein. Unless specified otherwise in this Master Agreement, each Party will give all notices, pay all fees and comply with all laws, ordinances, rules and regulations relating to its performance obligations specified herein.

21.0 **ARBITRATION**. EXCEPT FOR CLAIMS FOR INJUNCTIVE RELIEF, AS DESCRIBED BELOW, ANY PAST, PRESENT, OR FUTURE CONTROVERSY OR CLAIM ARISING OUT OF OR RELATED TO THIS MASTER AGREEMENT SHALL BE RESOLVED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES, INCLUDING, IF APPLICABLE, THE SUPPLEMENTARY PROCEDURES FOR THE RESOLUTION OF CONSUMER RELATED DISPUTES. CONSOLIDATED OR CLASS ACTION ARBITRATIONS SHALL NOT BE PERMITTED. THE ARBITRATOR OF ANY DISPUTE OR CLAIM BROUGHT UNDER OR IN CONNECTION WITH THIS MASTER AGREEMENT SHALL NOT HAVE THE POWER TO AWARD INJUNCTIVE RELIEF; INJUNCTIVE RELIEF MAY BE SOUGHT SOLELY IN AN APPROPRIATE COURT OF LAW. NO CLAIM SUBJECT TO ARBITRATION UNDER THIS MASTER AGREEMENT MAY BE COMBINED WITH A CLAIM SUBJECT TO RESOLUTION BEFORE A COURT OF LAW. THE ARBITRABILITY OF DISPUTES SHALL BE DETERMINED BY THE ARBITRATOR. JUDGMENT UPON AN AWARD MAY BE ENTERED IN ANY COURT HAVING COMPETENT JURISDICTION. IF ANY PORTION OF THIS SECTION IS HELD TO BE UNENFORCEABLE, THE REMAINDER SHALL CONTINUE TO BE ENFORCEABLE.

22.0 **MISCELLANEOUS.** This Master Agreement shall be governed and construed in accordance with the laws of the State of New York, excluding its conflicts of law principles (other than Section S-1401 of the New York General Obligations Law). In the event that any portion of this Master Agreement is held to be invalid or unenforceable, the invalid or unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties set forth herein and the remainder of this Master Agreement shall remain in full force and effect. No waiver of any breach or default here under shall be deemed to be a waiver of any preceding or subsequent breach or default. Customer may not assign this Master Agreement without the prior written consent of BHN, and any assignment in violation of this Section shall be null and void. BHN may assign its rights and obligations under this Master Agreement including, without limitation, in whole or in part, to any affiliate without the prior written approval of or notice to Customer. Customer understands and agrees that, regardless of any such assignment, the rights and obligations of BHN herein may accrue to, or be fulfilled by, any affiliate, as well as by BHN and/or its subcontractors. Customer may not issue a press release, public announcement or other public statements regarding this Master Agreement without BHN's prior written consent. Excluding any third party claims, claims under this Master Agreement must be initiated not later than two (2) years after the claim arose. There are no third party beneficiaries to this Master Agreement. The Parties to this Master Agreement are independent contractors. Any notice under this Master Agreement shall be given in writing and shall be deemed to have been given when actually received by the other Party. Notices shall be delivered to Customer and BHN at the respective addresses set forth above, or to such other address as is provided by one Party to the other in writing. The provisions of Sections 3.1(iv), 7, 8, 9, 11, 12, 13, 14, 15, 21 and 22 shall survive the termination or expiration of this Master Agreement. No modification of any provision of this Master Agreement shall be valid unless set forth in a written instrument signed by both Parties; provided that if the Parties execute a successor master agreement, then any Orders then currently in effect shall be governed by such successor master agreement and this Master Agreement shall terminate. This Master Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

Attachment A

Business TV Service, Bulk Cable TV Service and HD Video for Hospitality Service (collectively, "Cable TV Service")

Business TV Service: If Customer selects to receive Business TV Service, BHN shall provide Basic and Standard Cable services to Customer's location(s) identified in an applicable Order ("Property").

Bulk Cable TV Service: If Customer selects to receive Bulk Cable TV Service, BHN shall provide customized cable television programming to the Property.

HD Video for Hospitality Service: If Customer selects to receive HD Video for Hospitality Service; BHN shall provide Bulk Cable TV Service including HD video content to the Property.

Multi-Channel Video Service means Bulk Cable TV Service or HD Video for Hospitality Service.

Customer's use of the Cable TV Service is subject to the following additional terms and conditions:

For all Cable TV Services:

A1 BHN shall have the right to add, modify, or delete channel line-ups.

A2 Customer shall not authorize or approve of any copying, taping or duplicating of Cable TV Service.

For Business TV Service:

A3 Customer understands and agrees that premium program services, such as HBO, Cinemax, Showtime, and The Movie Channel, may not be received or shown on any television receivers located in any public areas, such as lounges, dayrooms, visiting areas or other common areas used by groups or the general public.

A4 In the event that changes in technology require the use of specialized equipment to continue to receive Business TV Service, BHN agrees to provide such equipment and Customer agrees to pay for such equipment at the same rate charged by BHN to commercial customers in the municipality in which Customer's property receiving the Business TV Service is located.

A5 In the event that any BHN audit reveals that Customer's usage of the Business TV Service exceeds Customer's rights hereunder, Customer shall pay BHN an amount equal to one and a half times the Service Charges that would have been due for such excessive usage as liquidated damages and not as a penalty. In addition, Customer shall either discontinue any excess usage or thereafter continue to pay the applicable Service Charges for such additional usage.

A6 The monthly service charges set forth in any Order for Business TV Service do not include applicable taxes, regulatory fees, franchise fees and public access fees. Notwithstanding anything to the contrary in this Master Agreement, the monthly service charges for the Business TV Service are subject to change in accordance with commercial Business TV Service rate increases applied to similarly situated customers.

For Multi-Channel Video Service:

A7 If the Parties agree in writing, Multi-Channel Video Service may include HBO, Showtime or Music Choice. Multi-Channel Video Service shall not include pay-per-view, video-on-demand or any visual content. Customer shall take all necessary precautions to ensure that the Multi-Channel Video Service is received only by authorized parties, and that no part of the Multi-Channel Video Service is received at any other location, including but not limited to locations where an admission fee, cover charge, minimum or like sum is charged, or which is a commercial establishment or other non-residential building (such as a bar, restaurant or fraternal organization).

A8 BHN and Customer acknowledge that Customer has elected to receive two or more tiers of video programming service, including the "broadcast basic" level which, under Federal law, must be purchased as a condition to receipt of other tiers of video service, and Customer acknowledges that it is able to purchase the broadcast basic level of service on a stand-alone basis. Customer further acknowledges that all programming services included on each service tier selected by Customer are being made available by BHN to Customer and that the display of particular services at various locations within Customer's premises is at customer's discretion.

A9 BHN owns and will at all times have the exclusive right to access, control, maintain, upgrade, use and operate its Multi-Channel Video Service and related network and systems ("Systems"), except for (i) any video display terminals ("Connections") or inside wiring owned and maintained by Customer or a third party, and (ii) any conduit, risers, raceways or other spaces where the Systems are located that are owned by Customer or a third party, in which case (as between Customer and BHN) Customer shall own such items and Customer hereby grants to BHN the non-exclusive right to access and use such space during the Term. The Systems are not, and shall not be deemed to be, affixed to or a fixture of the Property, and nothing is intended to convey any right or ownership of any portion of the Systems to Customer or any other person or entity. Customer shall be liable for any and all theft, damage and/or loss to the Systems, or any portion thereof, installed at the Property, except to the extent of any negligence or willful misconduct on the part of BHN.

A10 Customer, at its sole expense, agrees to furnish, install and maintain the inside wiring.

A11 Customer, at its sole expense, agrees to furnish, install, program and maintain all Connections. The Connections shall be installed and programmed by Customer in consultation with BHN and any specifications provided by BHN to Customer in writing. Customer shall ensure the availability of Connections that are compatible with the Multi-Channel Video Service including, without limitation, the provision and use of appropriate tuners and Connections having HDTV compatibility.

A12 Customer shall not interfere with, alter or substitute any of the programs, information or content offered as part of the Multi-Channel Video Service, which are transmitted over any of the channels provided without the prior written consent of BHN. Under no circumstances shall Customer have any right to encode, alter, reformat, delete or otherwise modify the Multi-Channel Video Service, including without limitation delivery method and any programming contained within the Multi-Channel Video Service, without the express written consent of BHN. The limitations of this paragraph shall not apply to formatting of programming as agreed by BHN and Customer.

A13 The inside wiring shall be installed by Customer in consultation with BHN and any specifications provided by BHN to Customer in writing. BHN shall not be responsible for, and Customer will not be entitled to any credit or rebate for an outage which may be due to a fault or failure with respect to any inside wiring, Connections or any systems, equipment or facilities of any third party, including but not limited to, instances where such outage is due to Customer's failure to promptly provide BHN with access to the Property to inspect, monitor, repair, and/or replace the Systems or Multi-Channel Video Service.

For locations where BHN provides Orlando Visitor Network ("OVN") Service:

A14 At the earliest, mutually-convenient date after the execution of this Master Agreement, BHN shall arrange to have installed on the Premises, at BHN's expense, such equipment ("OVN Equipment") as is necessary to exhibit OVN programs on each of the television sets located in the property's private rooms which are available for temporary or permanent occupancy and contain sleeping accommodations plus any additional television sets as Owner may designate (e.g., such as television sets located in health clubs, bars, lounges, lobbies, etc.). BHN shall, at its option and where it deems technologically and economically feasible, provide the dedicated OVN television channel to Owner through one of the following formats or electronic means: 1) Coaxial cable; or 2) DVD player.

A15 BHN shall be responsible to Owner for any damage incurred as a result of its installation, operation, maintenance or repair of the soloist and or fiber optic and/or coaxial cable facilities.

A16 Owner shall use best efforts to notify BHN within twenty-four (24) hours of discovering any OVN Equipment malfunction and BHN shall, upon such notification, provide adequate personnel to service the OVN Equipment and restore it to working order within two (2) business days. Owner shall provide service personnel designated by BHN unrestricted access to the OVN Equipment at all reasonable times to inspect and repair the OVN Equipment. In no event shall Owner permit any unauthorized personnel access to the OVN Equipment without BHN prior consent. The OVN Equipment and OVN programs shall at all times remain the sole property of BHN.

A17 Owner shall provide at least one (1) channel on the property's television system to be used exclusively for the exhibition of the OVN program. Owner shall be responsible for maintaining each television set in working order.

A18 Owner shall use best effort to exhibit OVN programs, when and exactly as delivered by BHN (including all programming included in such OVN programs and copyright notices and credits related to such programming) without any alterations or deletions of any kind.

A19 Owner shall not impose any special charge or fee for the privilege of receiving OVN programs in the Rooms, including, without limitation, any incremental room charge in addition to the usual fee or charge for general amenities attributable to the Rooms.

A20 Owner shall not, and shall not authorize others to, receive, transmit or exhibit by any means, whether now known or hereafter devised, any part of an OVN program except as specifically authorized hereunder. Affiliate shall not duplicate any portion of an OVN program.

A21 Owner shall not, and shall not authorize others to, provide tourist information programming services to the Premise, other than those specified herein, during the Term.

A22 The names and marks "OVN", and "ORLANDO VISITOR NETWORK" are the exclusive property within Florida of BHN; Owner has not and shall not acquire any proprietary or other rights therein by reason of this Master Agreement. Owner shall not use "OVN" or "ORLANDO VISITOR NETWORK" in a corporate name or a trade name. Materials used by Owner may refer to "OVN" or "ORLANDO VISITOR NETWORK" only if it is clear that such names and marks are service marks for the OVN programs which Owner distributes and such use shall be in accordance with any instructions that may be issued by BHN from time to time. Owner shall not offer its guests any other television service or programming in a manner which would imply or create confusion that such other service or programming is a part of OVN.

Attachment B

Business Phone Service, SMB Hosted Voice Service, Enterprise Hosted Voice Service, Hosted Voice for Hospitality, Trunks & Data Service/Business Trunking Service and Enterprise Trunking Service (collectively, "Voice Services")

Business Phone Service: If Customer selects to receive Business Phone Service delivered over coaxial cable, Customer will receive telephone service consisting of one or more telephone lines and a variety of features, as described more fully in the applicable Order.

SMB Hosted Voice Service: If Customer selects to receive Hosted Voice Service delivered over coaxial cable, BHN shall provide a combination of (i) voice service consisting of one or more telephone lines, (ii) a variety of features, and (iii) voice service technical assistance.

Enterprise Hosted Voice Service: If Customer selects to receive Hosted Voice Service delivered over fiber, BHN shall provide a combination of (i) voice service consisting of one or more telephone lines, (ii) a variety of features, and (iii) voice service technical assistance.

Hosted Voice for Hospitality Service: If Customer selects to receive Hosted Voice for Hospitality Service, BHN shall provide a combination of (i) voice service consisting of one or more telephone lines, (ii) a variety of features, and (iii) voice service technical assistance. Enterprise Hosted Voice for Hospitality Service is delivered to Customer over BHN-provided fiber or BHN-provided coaxial cable. Hosted Voice for Hospitality Customer may receive Property Management System integration and other services, including a variety of features, as described more fully in the applicable Order.

Non-SMB Hosted Voice Service: Enterprise Hosted Voice Service and Hosted Voice for Hospitality Service.

Unified Communications Service: If Customer selects to receive Unified Communications features that are added onto an SMB Hosted Voice Service or Non-SMB Hosted Voice Service, BHN shall provide a combination of (i) instant messaging and presence service, (ii) video calling service, (iii) desktop sharing service, and (iv) web collaboration service.

Trunks & Data Service/Business Trunking Service: If Customer selects to receive Trunks & Data Service/Business Trunking Service delivered over coaxial cable, BHN shall provide a combination of (i) voice trunks via PRI T1, CAS T1, analog or SIP; and (ii) Business Internet Service.

Enterprise Trunking Service: If Customer selects to receive Enterprise Trunking Service, BHN shall provide Business Trunking Service over fiber delivered via PRI T1, CAS T1, analog trunks or SIP trunks.

Customer's use of the Voice Services is subject to the following additional terms and conditions:

For all Voice Services:

B1 The location and address associated with the Voice Service will be the address identified on the Order. Customer is not permitted to move BHN Equipment from the location and address in which it has been installed. If Customer moves BHN Equipment such as a voice-enabled cable modem or voice-enabled router to an address different than that identified on the Order, calls from such modem to 911 will appear to 911 emergency service operators to be coming from the address identified on the Order and not the new address. Customer consents to BHN's disclosure of Customer's name, address and or/telephone number in response to 911 and similar public safety requests and to the telephone companies serving those end users to whom Customer calls so that calls may be completed.

B2 Customer acknowledges that it may take up to seventy-two hours to fully provision the E911 services, and if Customer makes a 911 call during this interval, Customer may be required to give its physical address and location information to the 911 emergency dispatcher.

B3 Customer agrees that BHN will not be responsible for any losses or damages arising as a result of the unavailability of the Voice Service, including the inability to reach 911 or other emergency services, the inability to contact a security system or remote medical or other monitoring service provider or any failure or fault relating to Customer-provided equipment, facilities or services. Customer acknowledges that BHN does not guarantee that the Voice Service will operate with alarm, security, medical and/or other monitoring systems and services or Customer-provided equipment, facilities and services, and that Customer must contact (at Customer's sole expense) any applicable alarm, security, medical or other monitoring system or service provider or other third-party service provider in order to test the operation of Customer-provided equipment, facilities and systems with the Voice Service.

B4 Customer agrees to provide BHN and its authorized agents with access to Customer's internal telephone wiring at the network interface device or at some other minimum point of entry in order to facilitate the installation and operation of the Voice Service over existing wiring. Customer hereby authorizes BHN to make any requests from Customer's landlord, building owner and/or building manager, as appropriate and to make any requests necessary to other or prior communications service providers as necessary and appropriate to ensure that BHN has all access to inside wiring and cabling necessary and sufficient to efficiently and securely install the Voice Service and all related equipment.

B5 Customer acknowledges that the existing telephone wiring inside Customer's and/or any End User's facility (as applicable) may not support both the Voice Service and digital subscriber line (DSL) service or other services provided by other service providers. Therefore, if Customer intends to obtain service from other providers in addition to Voice Service, Customer must maintain separate wiring, not provided by BHN, specifically for use with such other services provided by other service providers and must ensure that any existing DSL service or other service is properly disconnected from all wiring to be used for Voice Service prior to installation of Voice Service on Customer's existing wiring.

B6 Information relating to Customer calling details ("Calling Details"), including the quantity, configuration, type, destination and amount of Voice Service usage by Customer, and information contained in Customer's bills (collectively, "Customer Proprietary Network Information" or "CPNI"), that is obtained by BHN pursuant to its provision of the Voice Service will be protected by BHN as described herein, in BHN's Customer Privacy Notice and in accordance with applicable federal and state requirements. Notwithstanding the foregoing, the following shall not be CPNI: (i) Customer's directory listing information, and (ii) aggregated and/or compiled information that does not contain customer-specific references, even if CPNI was used as a basis for such information.

B7 BHN may use and disclose CPNI when required by applicable law. BHN may use CPNI and share CPNI with its partners and contractors without Customer consent: (i) to provide services and bills to Customer; (ii) pursuant to applicable law; (iii) to protect the interests of BHN, Customer and related parties in preventing fraud, theft of services, abuse, harassment and misuse of telephone services; (iv) to protect the security and integrity of BHN's network systems; and (v) to market additional BHN services to Customer that are of the same category as the services that Customer purchases from BHN. BHN will obtain Customer's consent before using CPNI to market to Customer BHN services that are not within the categories of services that Customer purchases from BHN. Customer agrees that, except as provided in Section 14.0 of the Terms and Conditions and applicable law, BHN will not be liable for any losses or damages arising as a result of disclosure of CPNI.

B8 Customer may obtain from BHN Calling Details showing Customer's outbound calls made within a trailing 90-day period. Customer may access this information by logging in through Customer's secure account information page on BHN's web portal or by requesting such information in writing or by telephone call to BHN. If Customer has not been assigned a designated account representative, BHN will respond to Customer requests for Customer Calling Details only in compliance with BHN's then-current authentication requirements and applicable law. Such authentication requirements may require Customer to obtain a secure password, which may be required for both online and telephone requests for Calling Details. BHN will provide the requested Calling Details by sending a printout or CD containing the requested information to Customer's account address of record or by making the document or information available to Customer or

Customer's employee at a BHN retail location upon presentment of a valid government-issued photo ID by Customer. BHN will notify Customer of any requests to change account passwords, activate online account access and change Customer's account address of record. BHN may provide such notice by voicemail, by e-mail or by regular mail to Customer's prior account address of record.

B9 In the event that a material error or omission in Customer's directory listing information, regardless of form, is caused by BHN, Customer's sole and exclusive remedy shall be a partial service credit in an amount set by BHN's then-current standard policies or as prescribed by applicable regulatory requirements, if any. Notwithstanding the foregoing, BHN shall have no other liability for any error or omission in any directory listing information.

B10 Customer represents and warrants that all Voice Services purchased hereunder are for retail purposes only. BHN does not support Customer's resale of Voice Services to any other end user, including but not limited to, providing individual end user support for E911 addressing, local number portability, calling name delivery, end user billing, and directory listings. Furthermore, Customer agrees that all Voice Services purchased hereunder will be subject to taxes, fees, and assessments based on Customer's use of the Voice Services as a retail end user.

For Business Phone Service:

B11 BHN's obligation is to provide Voice Service to the customer-accessible interface device or equipment installed by BHN at the BHN network demarcation point on Customer's premises. Customer is solely responsible for coordinating and completing any and all rearrangement, augmentation and configuration of Customer-provided equipment, facilities and systems to be used with the Voice Service and connecting such equipment, facilities and systems to the BHN network interface device or equipment. Customer must notify BHN at least seventy two (72) hours prior to Customer's scheduled installation appointment if Customer seeks to reschedule installation for any reason. Additional charges may apply for non-standard installation and missed installation appointments.

B12 Customer acknowledges that the voice-enabled cable modem used to provide Business Phone Service is electrically powered and that the Business Phone Service, including the ability to access 911 services and alarm, security, medical and other monitoring services, may not operate in the event of an electrical power outage or a BHN network service interruption. Customer also acknowledges that, in the event of a power outage at Customer or any End User's facility, any back-up power supply provided with a BHN-provided voice-enabled cable modem may enable service for a limited period of time or not at all, depending on the circumstances, and that the use of a back-up power supply does not ensure that the Business Phone Service will be available in all circumstances. Customer shall notify BHN when any battery or back-up power supply included with the BHN-provided voice-enabled cable modem is not functioning properly. Customer also acknowledges that, in the event of a loss of power that disrupts the local BHN network, the battery or back-up power supply included with the BHN-provided voice-enabled cable modem will not provide back-up service and the Business Phone Service will not be available.

B13 Customer shall not use Business Phone Service to connect to PBX, automatic-dialers, or use the service in conjunction with high volume calling such as telemarketing or surveying. BHN has the right to limit the Business Phone Service to reasonable quantities of minutes and messages used or consumed by Customer to prevent abuse from excessive usage or fraud and to maintain a high level of service for other BHN customers. Any breach of this provision could, at BHN's discretion, lead to immediate termination of the service at no liability to BHN and payment of all damages incurred.

For Trunks & Data Service/Business Trunking Service:

B14 BHN's obligation is to provide Voice Service to the customer-accessible interface device or equipment installed by BHN at the BHN network demarcation point on Customer's premises. Customer is solely responsible for coordinating and completing any and all rearrangement, augmentation and configuration of Customer-provided equipment, facilities and systems to be used with the Voice Service and connecting such equipment, facilities and systems to the BHN network interface device or equipment. Customer must notify BHN at least seventy two (72) hours prior to Customer's scheduled installation appointment if Customer seeks to reschedule installation for any reason. Additional charges may apply for non-standard installation and missed installation appointments.

B15 If Customer uses a PBX or similar device in connection with the Trunks & Data Service/Business Trunking Service, Customer is responsible for programming the PBX to ensure that agencies receiving E911 emergency calls through the PBX will receive appropriate information about the location of the caller. A termination unit with an integrated access device or SIP terminating device (collectively referred to as "Trunk Equipment") will be provided and installed by BHN at no charge to Customer. Customer is responsible for battery backup for the Trunk Equipment. In the event of a power outage, the duration of Service during a power outage using the Trunk Equipment will depend on Customer's battery backup choice. If the Trunk Equipment that supplies the Trunks & Data Service/Business Trunking Service is disconnected or removed and/or the battery is not charged, the Trunks & Data Service/Business Trunking Service, including access to E911, will not be available. BHN shall not be responsible for any loss of service resulting from any such power failure.

B16 The Trunks & Data Service/Business Trunking Service does not support the use of auto dialers. Additionally, BHN has the right to limit the Trunks & Data Service/Business Trunking Service to reasonable quantities of minutes and messages used or consumed by Customer based on any committed minutes on the Order to prevent abuse from excessive usage or fraud and to maintain a high level of service for other BHN customers. Any breach of this condition could, at BHN's discretion, lead to immediate termination of the service at no liability to BHN and payment of all damages incurred.

B17 BHN provides the Trunks & Data Service/Business Trunking Service to the point of network demarcation (network interface device) and is not responsible for Customer wiring or Customer premise equipment such as a PBX. Customer agrees to ensure that Customer's PBX is adequately secured from unauthorized access.

B18 If Customer would like for individual phone numbers to have different locations for E911 purposes, Customer must provide telephone number location information to BHN in writing; provided that the different locations are located with within the same rate or wire center.

For SMB Hosted Voice and Non-SMB Hosted Voice:

B19 Customer must notify BHN at least seventy two (72) hours prior to Customer's scheduled installation appointment if Customer seeks to reschedule installation for any reason. Additional charges may apply for non-standard installation and missed installation appointments.

B20 Customer is responsible for battery backup for the equipment. In the event of a power outage, the duration of Service during a power outage using the equipment will depend on Customer's battery backup choice. If the equipment that supplies the Service is disconnected or removed and/or the battery is not charged, the Service, including access to E911, will not be available. BHN shall not be responsible for any loss of service resulting from any such power failure.

B21 BHN may use any tools it reasonably deems necessary or advisable to support the service, including remote access to the equipment.

B22 Customer must not add to or change any equipment provided for service without written authorization from BHN.

B23 BHN has the right to limit Hosted Voice to reasonable quantities of minutes and messages used or consumed by Customer to prevent abuse from excessive usage or fraud and to maintain a high level of service for other BHN customers. Any breach of this provision could, at BHN's discretion, lead to immediate termination of the service at no liability to BHN and payment of all damages incurred.

B24 During the Term and for six (6) months thereafter (collectively, the "Non-Solicitation Period"), Customer shall not directly or indirectly solicit, induce away, hire, engage as a contractor or recommend for employment by any third party any Covered Resource (as defined below). If Customer breaches the foregoing provision, then Customer shall pay to BHN an amount equal to the applicable Covered Resource's annual monetary compensation by BHN for the prior calendar year, inclusive of any bonus or other monetary benefits. "Covered Resource" means any then-current or then-former employee of BHN or of any affiliate of BHN (with Advance/Newhouse Partnership deemed an affiliate of BHN for such purpose), to the extent such person is or was directly involved in the performance of this Master Agreement.

B25 If Services are to be performed on Customer owned phones, Customer shall specifically designate each phone for which it wishes BHN to provide the applicable Services, such as by providing model number, serial number, product ID, and/or MAC address. BHN will not support phones that have not been designated by Customer.

For Unified Communications Services:

B26 Unified Communications Services are available in personal computer and mobile phone or tablet application formats where features, functionalities, and capabilities will differ based on the device used to access the Unified Communications Service. Changes made to either the features, functionalities, or capabilities, or to the application user interface formats shall be at the sole discretion of BHN.

B27 Unified Communications Services are nonexclusive and nontransferable, and Customer shall prohibit use of the Unified Communications Services by any third party other than the Customer for such Customer's internal business purposes.

B28 Use of the Unified Communications Services by Customer does not permit or imply any passing of title, trade names, trade dress, trademarks, service marks, commercial symbols, copyrightable materials, designs, logos, and/or any other intellectual property from BHN or its third party vendors involved in delivering the Unified Communications Services to Customer.

B29 Third party vendors used by BHN in delivering the Unified Communications Services to Customer do not provide any warranties, direct or indirect, express or implied, to Customer for any and all damages, whether direct or indirect, incidental or consequential, arising from the use of the Unified Communications Services.

B30 Customer shall not: (i) copy or adapt the Unified Communication Services for any purpose, other than as specifically permitted under this Master Agreement; (ii) use the Unified Communication Services, other than (a) in accordance with all applicable laws and regulations and (b) as set forth in the documentation provided by BHN to Customer; (iii) reverse engineer, translate, decompile, or disassemble the Services; (iv) use the Unified Communications Services in any outsourcing, application service provider, time-sharing or service bureau arrangement, including, without limitation, any use to provide services or process data for the benefit of, or on behalf of, any third party other than the Customer; (v) cause or permit the disabling or circumvention of any security mechanism contained in or associated with the Unified Communications Services; or (vi) delete, alter, cover, or distort any copyright or other proprietary notices or trademarks.

B31 If Customer breaches any terms of this Master Agreement as they relate to the Unified Communications Services, BHN or its third party vendors used in delivering the Unified Communications Services shall be entitled to enforce such terms to cure the material breach.

B32 BHN and any third party service provider BHN uses to provide Unified Communications Services may use Customer data provided to such service provider in the course of the performance of the Unified Communications Services, including but not limited to any personal data of Customer's employees ("UCS Data"), other than content transmitted by the Unified Communications Services, to (a) communicate with BHN or Customer, and (b) administer and/or perform this Master Agreement, any Order, and/or any agreement between BHN and such third party service provider. BHN and such service provider may access or disclose UCS Data and related information, to: (i) satisfy legal requirements, comply with the law or respond to subpoenas, warrants or court orders, or (ii) act on a good faith belief that such access or disclosure is necessary to protect the personal safety of BHN's or such service provider's employees, customers or the public.

Attachment C
Business Internet Service, Dedicated Internet Access Service and Trunks & Data Service/Business Trunking Service
(collectively, "Internet Services")

Business Internet Service: If Customer selects to receive Business Internet Service, BHN shall provide Internet access to the Customer site(s) set forth in the Order. Customer shall be permitted to connect any number of computers within Customer's identified sites to the Business Internet Service, provided that use does not exceed the standard bandwidth provided by BHN.

Dedicated Internet Access ("DIA") Service: If Customer selects to receive DIA Service, BHN shall provide Customer with a dedicated, scalable service over fiber using a packet-based infrastructure with Internet access between Customer's data network identified in the applicable Order and the BHN facility identified in the applicable Order. DIA bandwidth requirements will be set forth in the applicable Order.

Trunks & Data Service/Business Trunking Service: If Customer selects to receive Trunks & Data Service/Business Trunking Service delivered over coaxial cable, BHN shall provide a combination of (i) voice trunks via PRI T1, CAS T1, analog or SIP; and (ii) Business Internet Service.

Customer's use of the Internet Services is subject to the following additional terms and conditions:

C1 Customer shall not upload, post, transmit or otherwise make available on or via the Internet Services any material (including any message or series of messages) that violates or infringes in any way upon the rights of others, that is unlawful, threatening, abusive, obstructive, harassing, libelous, invasive of privacy or publicity rights, that in the circumstances would be obscene or indecent, that constitutes hate speech, that is otherwise offensive or objectionable, or that encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any law. BHN may remove or demand removal of content that in its judgment violates these standards.

C2 BHN shall have the right, but not the obligation, to: (a) monitor traffic and content on its network, in its sole discretion, including through the use of automatic content filters (including without limitation spam, virus, and adult language sniffers and filters); and (b) monitor Customer's bandwidth utilization and to limit excessive use of bandwidth (as determined by BHN) as BHN deems appropriate to efficiently manage its network. In the event that any BHN audit reveals that Customer's usage of a Service exceeds Customer's rights hereunder, BHN shall have the right, upon notice to Customer, to move Customer to a higher tier of Service (which may result in higher monthly charges) or impose other charges. In addition, Customer shall either discontinue any excess usage or thereafter continue to pay the applicable Service Charges for such additional usage.

C3 BHN shall have the right, but not the obligation, to; (i) review public content associated with the Internet Services, including chat rooms, bulletin boards and forums, in order to determine compliance with the Master Agreement and any rules now or hereafter established by BHN; and (ii) remove (or demand the removal of) any such content that BHN determines to be unacceptable or to violate the terms of the Master Agreement, any bandwidth utilization limitations or other Terms of Use.

C4 BHN shall allow Customer employees to use (however in no event shall BHN be responsible for) a Virtual Private Network ("VPN") and to allow the VPN to pass through the cable modem of any Business Internet Service, as applicable, provided that BHN shall have the right to disconnect (or demand the immediate disconnection of) any such Business Internet Services, that degrades any service provided to other subscribers on the BHN network.

For Business Internet Service and Trunks & Data Service/Business Trunking Service:

C5 Each tier or level of Services has limits on the maximum throughput rate at which Customer may send and receive data at any time and the maximum throughput rate may be achieved in bursts, but generally will not be sustained on a consistent basis. The throughput rate experienced by Customer at any time will vary based on numerous factors, including without limitation, the condition of Customer's inside wiring, computer configurations, third-party Internet and BHN network congestion, time of day and the accessed website servers, among other factors.

For Dedicated Internet Access Service:

C6 If, during the Term, Customer receives any offer from any third party for the right to provide any service that competes with or is similar to the Services provided by BHN under this Master Agreement, then Customer shall provide to BHN immediate written notice and copy of such offer, and for a period of fifteen (15) days after receipt of such notice, BHN shall have the right to match such offer under equivalent or better terms and conditions.

Attachment D
Metro Ethernet Service

Metro Ethernet Service: If Customer selects to receive Metro Ethernet Service, BHN shall provide a fiber connection to Customer and deliver Metro Ethernet service per site as set forth in the Order. BHN will provide Customer with switched Ethernet service between Customer locations as set forth in the Order. Metro Ethernet Service bandwidth requirements will be set forth in the applicable Order(s).

Customer's use of Fiber Service is subject to the following additional terms and conditions:

D1 Customer shall not transmit or otherwise make available on or via the Metro Ethernet Service any material (including any message or series of messages) that violates or infringes in any way upon the rights of others, that is unlawful, threatening, abusive, obstructive, harassing, libelous, invasive of privacy or publicity rights, that in the circumstances would be obscene or indecent, that constitutes hate speech, that is otherwise offensive or objectionable, or that encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any law. BHN may remove, or demand the removal of, content that in its judgment violates these standards.

Customer agrees to conform its equipment and software to BHN's then-current network specifications and system requirements for the Service.

D2 BHN shall have the right, but not the obligation, to (a) monitor traffic and content on its network, in its sole discretion, including through the use of automatic content filters (including without limitation spam, virus, and adult language sniffers and filters); and (b) monitor Customer's bandwidth utilization and to limit excessive use of bandwidth (as determined by BHN) as BHN deems appropriate to efficiently manage its network. In the event that any BHN audit reveals that Customer's usage of a Service exceeds Customer's rights hereunder, BHN shall have the right, upon notice to Customer, to move Customer a higher tier of Service (which may result in higher monthly charges) or impose other charges. In addition, Customer shall either discontinue any excess usage or thereafter continue to pay the applicable Service Charges for such additional usage.

D3 Customer represents and warrants that Customer's use of Metro Ethernet Services shall be such that the Metro Ethernet Service shall be deemed jurisdictionally interstate, pursuant to the Federal Communications Commission's mixed use "10% Rule" (47 C.F. R. 36.154, 4 FCC Red. 1352), and shall notify BHN in the event of breach or threatened breach of the foregoing. If, as a result of Customer's use of Metro Ethernet Services, the Metro Ethernet Services are deemed not to be jurisdictionally interstate pursuant to the 10% Rule, then Customer will be liable for any resulting fees, fines, penalties and costs incurred by BHN. In addition, if BHN determines that Customer's use of the Metro Ethernet Services is likely to be deemed not to be jurisdictionally interstate, and therefore that BHN's provision of the Metro Ethernet Services is likely to put BHN's franchises, licenses, permits or business at risk, or otherwise cause regulatory problems for BHN, then BHN may immediately suspend the provision of any or all Metro Ethernet Service under any or all affected Orders until such time as either (a) Customer provides BHN with satisfactory assurances that Customer's use of Metro Ethernet Services shall be deemed to be jurisdictionally interstate or (b) BHN is otherwise brought into full compliance with any applicable laws and regulations.

D4 If, during the Term, Customer receives any offer from any third party for the right to provide any service that competes with or is similar to the Services provided by BHN under this Master Agreement, then Customer shall provide to BHN immediate written notice and copy of such offer, and for a period of fifteen (15) days after receipt of such notice, BHN shall have the right to match such offer under equivalent or better terms and conditions.

Attachment E

Toll Free Number Service

Toll Free Number Service: If Customer selects to receive Toll Free Number ("TFN") Service, BHN shall provide 800/8XX number(s) that is tied to a specific Voice Services telephone numbers. TFN Service is an 800/8XX inbound service that terminates on a Voice Services telephone numbers. This service enables Customer to receive Toll Free Number calls at their place of business. TFN includes a variety of features, as described more fully in the applicable Order.

Customer's use of the TFN Service is subject to the following additional terms and conditions:

E1 BHN reserves the right to require an applicant for TFN Service to supply the following information when requesting service: An initial traffic forecast, identification of anticipated busy hour volume, identification of its geographical marketing target areas, and a schedule of marketing and promotional activities. BHN may also require that Customer submit a new traffic forecast quarterly after service is initiated.

E2 BHN's TFN Service is furnished upon condition that Customer contracts for adequate facilities to permit the use of this service without adversely affecting the service or any service rendered by BHN. BHN may terminate or refuse to furnish BHN's TFN Service to any applicant, without incurring any liability and without notice to Customer, if the use of the service would interfere with or impair any service rendered by BHN.

E3 Customer must obtain an adequate number of phone lines or trunks for BHN TFN Services to handle Customer's expected demand in order to prevent interference or impairment of this service or any other service provided by BHN considering: (1) total call volume; (2) average call duration; (3) time-of-day characteristics; and (4) peak calling period. If Customer fails to comply with these conditions, BHN may disconnect or refuse to furnish BHN TFN Service without incurring any liability and without notice to Customer.

E4 If Customer requests assignment of a specific TFN, BHN may require Customer to submit a number reservation agreement form to BHN. At no time may Customer have more than ten (10) numbers reserved. Any reservation shall be for no more than fifteen (15) calendar days and shall be subject to a reservation fee which will be credited to Customer's unpaid balance after BHN's TFN Service has been in actual and substantial use for a consecutive sixty (60) day period. Reservations shall be made on a first-come first-served basis

E5 Use of numbers: Each BHN TFN must be placed in actual and substantial use by Customer. "Substantial use" shall mean a pattern of use that demonstrates intent on Customer's part to employ the number for the purpose for which it was intended; namely, to allow callers to reach Customer, as indicated, for example, by at least 15 average monthly minutes of use or more. Any TFN telephone number associated with BHN's TFN Service that has not been placed in actual and substantial use during the first sixty (60) day period after service activation may be recovered upon written notice to Customer. Nothing in this Section, or in any other provision of this Master Agreement, or in any marketing materials issued by or on behalf of BHN, shall give any person, including prospective customers who have reserved TFN telephone numbers hereunder or Customer or their transferee or assigns, any ownership interest or proprietary right in any particular TFN.

E6 Phone numbers including TFN(s) are "portable" in nature as provided by law and the ownership of the number is registered to Customer. If Customer places an order for BHN to carry Customer's already existing TFN service, Customer shall provide to BHN the contact names, telephone number and address of Customer's Responsible Organization ("RespOrg"). Upon subscription to BHN's TFN Service, Customer may execute a Letter of Authorization to transfer RespOrg responsibility of its TFN(s) to BHN's RespOrg BHN's TFN Services are only offered in conjunction with a BHN RespOrg TFN and a BHN Voice Services telephone number. Customer may not elect to retain or transfer service to a non-BHN RespOrg for use in conjunction with BHN's Voice Services telephone number or TFN Services. Customer

must notify BHN of any changes in Customer's RespOrg in writing within 48 hours of the change. Customer is responsible for all outstanding indebtedness for services provided by a previous RespOrg or TFN service carrier. BHN assumes no responsibility or liability with respect to any obligations of Customer to such previous service providers existing at the time of transfer to BHN.

E7 Subject to execution of an TFN Service Master Agreement and LOA between BHN and Customer, BHN will provision BHN TFN Service in conjunction with BHN's designated RespOrg for all BHN TFN Service Orders. BHN's TFN Service includes: 1) search for and reservation of TFN(s) with the BHN designated RespOrg; 2) creating and maintaining the TFN Customer record with the BHN designated RespOrg; and 3) provision of a single point of contact for trouble reporting.

1. When provisioning BHN TFN Services, BHN will, at Customer's request, subscribe to 800 Directory Listing for the TFN(s) assigned to Customer. A charge for 800 Directory Listings will apply as set forth in the TFN Service - Order. In the event that Customer transfers its TFN service to another RespOrg, BHN shall cease to subscribe to Toll-Free Directory Listing Service on behalf of Customer and Customer shall be responsible for assuring that Toll-Free Directory Listing Service is maintained through the new RespOrg. Customer shall be responsible for payment of any outstanding Toll-Free Directory Listing charges, including any unexpired portion of any minimum period applicable to such services, and BHN shall have no liability for any interruption or other delay, error, mistake, omission or other defect occurring in connection with the transfer of Toll-Free Directory Listing responsibility.

2. When provisioning BHN TFN Services shall include, at Customer's request, a subscription to Features as set forth in the TFN Service – Order. Charges shall apply as set forth in the Order.

3. In the event that Customer cancels its BHN TFN Service, Customer shall coordinate with Customer's new RespOrg to port the TFN assigned.

4. In the event that Customer cancels its BHN RespOrg or Toll-Free Service, Customer shall be responsible for all outstanding indebtedness to BHN and any outstanding charges applicable to any services obtained by or on behalf of Customer by BHN.

E8 It is Customer's responsibility to provide answer supervision back to BHN point of connection even when BHN TFN Service is connected to switching equipment or a Customer-provided communications system. In such case, the equipment or system must provide appropriate supervision so that the measure of chargeable time begins upon delivery of the call to Customer's switching equipment or communications system and ends upon termination of the call.

E9 In accordance with FCC regulations, Voice Services telephone number associated with the BHN TFN Service shall only be used for billing and collection, routing, screening, and completion of the originating subscriber's call or transaction or for service directly related to the originating subscriber's call or transaction.

E10 The TFN shall not be reused or resold.

E11 BHN has the right to limit the TFN service to reasonable quantities of minutes and messages used or consumed by Customer to prevent abuse from excessive usage and to maintain a high level of service for other BHN customers. Any breach of this condition could, at BHN's discretion, lead to immediate termination of the service at no liability to BHN and payment of all damages incurred.

E12 Termination of the Voice Services associated with the TFN shall result in automatic termination of Customer's BHN TFN Service.

E13 The BHN TFN Service does not support local services, 911, E911, operator services, local number portability or directory listings.

Attachment G

WiFi for Hospitality Service, WiFi Hotspot Service, Guest WiFi and Business WiFi (collectively, "WiFi Services")

WiFi for Hospitality Service: If Customer selects to receive WiFi for Hospitality Service, BHN shall deliver (i) wireless Internet access; and (ii) wired Internet access consisting of Business Internet Service or Dedicated Internet Access Service (Attachment C).

WiFi Hotspot Service: If Customer selects to receive WiFi Hotspot Service, BHN shall deliver managed wireless access to Business Internet Service or Dedicated Internet Access Service (Attachment C).

Guest WiFi: If Customer selects to receive Guest WiFi, BHN shall deliver managed wireless access to Business Internet Service (Attachment C) via a BHN provided landing page.

Business WiFi: If Customer selects to receive Business WiFi, BHN shall deliver router and wireless access to Business Internet Service (Attachment C). BHN shall deliver remote and/or on-site technical assistance for Customer's BHN provided equipment.

Customer's use of WiFi Services is subject to the following additional terms and conditions:

For all WiFi Services:

G1 BHN shall provide and maintain wireless equipment on Customer's premises in order to provide WiFi Services.

G2 Customer may resell or distribute WiFi Services only to End Users. Customer is solely responsible for billing End Users.

G3 BHN may use the wireless equipment it provides on Customer's premises to broadcast, in addition to any SSID for Customer's use, one or more SSIDs chosen by BHN for BHN's use at its sole discretion, and may deploy any ancillary and associated wireless equipment.

G4 Customer agrees to use BHN-provided marketing materials, including but not limited to tent cards, rack cards and access code cards, only for End Users.

G5 Customer agrees not to modify or copy BHN-provided marketing materials including but not limited to tent cards, rack cards and access code cards.

G6 Any WiFi hotspot equipment or modem provided by BHN for WiFi Services shall not be disconnected, turned off, tampered with, or used by Customer for any other purpose.

For WiFi for Hospitality Services:

G6 Customer shall provide space in a central telecom closet on the property.

G7 Customer is responsible for all network cabling to enable wired Internet access.

G8 Customer shall provide a network cable for guests wishing to connect to the Ethernet wall jack in each room.

Attachment H

Business Web Services and Enterprise Cloud Solutions

Business Web Services: If Customer selects to receive the Business Web Services, Customer may receive services which consist of Web Hosting, Ecommerce, E-mail and Vanity Domain Email, Hosted Exchange, Hosted SharePoint, Cloud Server and other services, including a variety of features, as described more fully in the applicable Order.

Enterprise Cloud Solutions: If Customer selects to receive Enterprise Cloud Solutions, Customer may receive services which consist of Cloud Compute, Cloud Backup, Hosted Microsoft Exchange, Hosted Microsoft SharePoint, Enterprise Web Hosting, and other services, including a variety of features, as described more fully in the applicable order.

Customer's use of the Business Web Services and Enterprise Cloud Solutions is subject to the following additional terms and conditions:

H1 Customer shall not upload, post, transmit or otherwise make available on or via the Internet Services any material (including any message or series of messages) that violates or infringes in any way upon the rights of others, that is unlawful, threatening, abusive, obstructive, harassing, libelous, invasive of privacy or publicity rights, that in the circumstances would be obscene or indecent, that constitutes hate speech, that is otherwise offensive or objectionable, or that encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any law. BHN may remove or demand removal of content that in its judgment violates these standards.

H2 BHN shall have the right, but not the obligation, to: (a) monitor traffic and content on its network, in its sole discretion, including through the use of automatic content filters (including without limitation spam, virus, and adult language sniffers and filters); and (b) monitor Customer's bandwidth utilization and to limit excessive use of bandwidth (as determined by BHN) as BHN deems appropriate to efficiently manage its network. In the event that any BHN audit reveals that Customer's usage of a Service exceeds Customer's rights hereunder, BHN shall have the right, upon notice to Customer, to move Customer a higher tier of Service (which may result in higher monthly charges) or impose other charges. In addition, Customer shall either discontinue any excess usage or thereafter continue to pay the applicable Service Charges for such additional usage.

H3 BHN shall have the right, but not the obligation, to; (i) review public content associated with the Internet Services, including chat rooms, bulletin boards and forums, in order to determine compliance with the Master Agreement and any rules now or hereafter established by BHN; and (ii) remove (or demand the removal of) any such content that BHN determines to be unacceptable or to violate the terms of the Master Agreement, any bandwidth utilization limitations or other Terms of Use.

H4 **Server Resources.** Any Web site that uses a high amount of server resources (such as, but not limited to, CPU time, memory usage, and network resources) will be given the option to either pay additional fees (which will depend on the resources required), reduce the resources used to an acceptable level, or upgrade its service to a Dedicated Server plan. BHN will be the sole arbiter of what is considered to be a high server usage level. Any Web Hosting and Ecommerce account deemed to be adversely affecting server performance or network integrity will be shut down without prior notice.

H5 **Spamming.** Sending unsolicited bulk and/or commercial messages over the Internet ("spamming") and related activities, including, but is not limited to, maintaining an open SMTP policy, engaging in spamming using the service of another ISP or IPP and referencing in the spam a website hosted on a BHN server, and selling or distributing software (on a Web site residing on a BHN server) that facilitates spamming, is prohibited, regardless of whether or not it overloads a server or disrupts service to BHN's customers. Customer will be assessed a minimum fee of $200 and face immediate suspension of Services for any breach of this provision. BHN reserves the right to determine, in its sole and absolute discretion, what constitutes a breach of this provision.

H6 **CGI Scripts.** Any scripts that pose a potential security risk or are deemed to be adversely affecting server performance or network integrity will be shut down or will be automatically removed without prior notice. BHN does not permit CGI script sharing with domains not hosted by BHN or any scripts that may be abused for UCE purposes.

H7 **Chat Rooms.** Customer may not use BHN's Web Hosting or Ecommerce Services to install or host its own chat rooms. Chat rooms tend to require significant system resources and therefore cannot be permitted as an account option. However, for a small charge, BHN provides Java chat rooms that meet most users' needs and run without hindering system performance.

H8 **Background Running Programs and Cron Jobs.** BHN may allow programs to run in the background. These programs will be considered on an individual basis and Customer will incur extra charges based on system resources used and operational maintenance needed. If Customer wishes to run background programs please contact BHN at support@websupport.brightbiz.com to arrange set-up.

H9 **IRC.** Customer may not operate IRC or IRC bots via BHN's Web Hosting or Ecommerce Services.

H10 **Software Distribution.** BHN's Web Hosting and Ecommerce accounts are not configured for the purposes of distributing large software and/or multimedia products exceeding 250MB in size. If Customer wishes to distribute large software and/or multimedia products, please contact support@websupport.brightbiz.com to make special arrangements.

H11 **Multimedia Files.** Multimedia files are defined as any graphics, audio, and video files. BHN Web Hosting and Ecommerce accounts are not to be used for the purposes of distributing and storing excessively large multimedia files. Any multimedia file exceeding 250MB in size will be considered to be an excessively large multimedia file and will not be permitted.

H12 **Databases.** Any database stored on BHN's Web Hosting and Ecommerce servers will be limited in size to 10% of the total disk space allotted for that particular domain's plan/web hosting account.

H13 **Ownership of Web Site.** The legal owner of Customer's websites and accounts with BHN will be the individual or organization whose name is listed in BHN's database as the owner. Customer will fully cooperate with and abide by any and all of BHN's security measures and procedures in the event of any dispute over ownership of Customer's websites and accounts with BHN.

H14 **Illegal Use.** BHN servers may be used for lawful purposes only. Transmission, storage, or distribution of any information, data, or material in violation of any applicable law or regulation, or that may directly facilitate the violation of any particular law or regulation is prohibited. This includes, but is not limited to: copyrighted material; trademarks; trade secrets or other intellectual property rights used without proper authorization; material that is obscene, defamatory, constitutes an illegal threat, or violates export control laws. Additionally, in purchasing Business Web Services, Customer certifies that it (a) is not, nor has it been designated, a suspected terrorist as defined in Executive Order 13224, (b) is not owned or controlled by a suspected terrorist as defined in Executive Order 13224, and (c) is not on and is not a member of, related to, associated with, or controlled by any organization on the list contained in the Annex to Executive Order 13224 and all updates thereto.

H15 **System and Network Abuse.** Violations of system or network security are prohibited and may result in criminal and civil liability. Examples of system or network security violations include, without limitation the following: unauthorized access to or use of data, systems or networks, including any attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures without express authorization of the owner of the system or network; interference with service to any user, host or network including, without limitation, mail bombing, flooding, deliberate attempts to overload a system and broadcast attacks; forging of any TCP-IP packet header or any part of the header information in an email or a newsgroup posting.

H16 **Viruses and Other Destructive Activities.** Use of BHN's services or equipment for creating or sending Internet viruses, worms or Trojan horses, or for pinging, flooding or mail bombing, or engaging in denial of service attacks is prohibited. It is also prohibited for any Customer to engage in other activity that is intended to disrupt or interfere with, or that results in the disruption of or interference with, the ability of others to effectively use BHN's services and equipment (or any connected network, system, service or equipment) or conduct their business over the Internet.

H17 **Copyright Violations.** Customer shall comply with the requirements of the Digital Millennium Copyright Act regarding the use of copyrighted materials on the Internet in its use of the Services. Individuals or entities with reason to believe that their content has been copied and/or is accessible on the Services in a way that constitutes copyright infringement, or that the Services contain links or other references to another site, application, destination or service that contains content or activity that infringes their copyright rights, may notify BHN by providing a document via fax, first class U.S. mail, or e-mail that includes the following information (as required by the Online Copyright Infringement Liability Limitation Act of the Digital Millennium Copyright Act, 17 U.S.C. sec. 512) to BHN's copyright agent set forth below:

(i) A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;

(ii) Identification of the copyrighted work claimed to have been infringed, or if multiple copyrighted works at the Online Services are covered by a single notification, a representative list of such works at the Online Services;

(iii) Identification of the copyrighted work that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit us to locate such copyrighted work;

(iv) Information reasonably sufficient to enable us to contact the complaining party, such as an address, telephone number, and if available, an electronic mail address at which the complaining party may be contacted;

(v) A statement that the complaining party has a good faith belief that use of the copyrighted work in the manner complained of is not authorized by the copyright owner, its agent, or the law; and

(vi) A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

IMPORTANT: MISREPRESENTATIONS MADE IN A NOTICE CLAIMING THAT CONTENT OR ACTIVITY IS INFRINGING VIOLATES THE DIGITAL MILLENNIUM COPYRIGHT ACT AND MAY EXPOSE YOU TO LIABILITY FOR DAMAGES (INCLUDING COSTS AND ATTORNEYS' FEES). COURTS HAVE FOUND THAT YOU MUST CONSIDER COPYRIGHT DEFENSES, LIMITATIONS OR EXCEPTIONS BEFORE SENDING A NOTICE. ACCORDINGLY, IF YOU ARE NOT SURE WHETHER CONTENT RESIDING ON THE SERVICES INFRINGES YOUR COPYRIGHT, BHN SUGGESTS THAT YOU FIRST CONTACT AN ATTORNEY. IN ADDITION, PLEASE DETERMINE WHETHER THE CONTENT YOU ARE SENDING A NOTICE ABOUT IS ACTUALLY RESIDING ON THE SERVICES BEFORE SENDING THE NOTICE.

Copyright Agent:

Jerry Birenz, Esq.

Sabin, Bermant & Gould LLP Phone: (212) 381-7057

1 World Trade Center Fax: (212) 381-7201

New York, NY 10007 E-mail: copyright@sabinfirm.com

Note: Only copyright complaints should be sent to the copyright agent. No other communications to the copyright agent will be accepted or responded to. For communications on other matters, please contact BHN through the means described at http://brighthouse.com/support/contact.html.

PLEASE NOTE: THE INFORMATION PRESENTED HERE IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT LEGAL ADVICE.

Copyright infringement notifications submitted to BHN according to these procedures will be processed within 21 days of receipt. If Customer is the subject of a DMCA notification that meets the below criteria, Customer may be subject to account termination at BHN's sole discretion.

H18 **Adult Content.** Pornography and sex-related merchandising are prohibited on BHN servers. This includes sites that may infer sexual content or provide links to adult content elsewhere. This is also true for sites that promote any illegal activity or content that may be damaging to BHN's servers or any other server on the Internet, or provide links to such sites.

H19 **Child Pornography.** The use of BHN's services to store, post, display, transmit, advertise or otherwise make available child pornography is prohibited. BHN is required by law, and will, notify law enforcement agencies when it becomes aware of the presence of child pornography on, or being transmitted through, its services.

H20 **Privacy.** BHN is concerned with the privacy of on-line communications and Web sites. In general, the Internet is neither more nor less secure than other means of communication, including mail, facsimile, and voice telephone service, all of which can be intercepted and otherwise compromised. As a matter of prudence, however, Customer should assume that all of its on-line communications are insecure. BHN shall not be responsible for the security of information transmitted over BHN's facilities. Additional details on privacy and BHN's use of Customer information can be found in BHN's Customer Privacy Notice located at http://businesssolutions.brighthouse.com/about-us/our-policies/customer-privacy-notice.html.

H21 **Customer Responsibility.** If Customer offers Internet services using Business Web Services, Customer will cooperate with BHN in any corrective or preventive action that BHN deems necessary. If Customer fails to cooperate with such corrective or preventive measures, BHN may take any such action even though such action may affect End Users or customers of Customer.

H22 **Modifications.** BHN may discontinue, upgrade, replace, modify, or change in any way, without limitation, any software, application, program, data, hardware, equipment, or portions or components thereof, used to provide Business Web Services. Certain changes to Business Web Services may affect the operation of Customer's personalized applications and content. Customer is solely responsible, and BHN is not liable, for any and all such personalized applications and content, except as expressly agreed to by BHN.

H23 **Backup of Data.** Except where BHN has expressly agreed in writing to the contrary, Customer is solely and entirely responsible, and BHN shall not be responsible, for the management and backup of all Customer data, and all updates, upgrades, and patches to any software that Customer uses in connection with Business Web Services.

H24 **Third Party Licenses.** BHN makes a reasonable effort to provide its customers with technologies, developments, and innovations (collectively "Technologies"), part of which may be licensed, or co-branded, from or by, third party entities. However, BHN makes NO warranty of any kind, either express or implied, regarding the quality, accuracy, reliability, validity, or continued existence of any or all aspects of such Technologies. Moreover, BHN specifically disclaims all warranties of merchantability and fitness for a particular purpose for such Technologies. Furthermore, BHN shall not be liable in any way for the revocation of any license, which has been licensed to BHN. The use of the Technologies obtained from or through BHN, or any other referred third party, whether directly or indirectly, is at the sole risk of Customer.

H25 **Non-BHN Products.** Any mention of non-BHN products by BHN, its employees, or any third party entity related to BHN is for information purposes only and does not constitute an endorsement or recommendation by BHN. BHN disclaims any and all liabilities for any representation or warranty made by the vendors of such non-BHN products or services.

H26 **Billing.** All charges for BHN Business Web Services will be included on Customer's invoice with Business Internet or Dedicated Access services and payments are due in accordance with the terms and conditions for those services. Ownership of domain name will not be fully authorized until payment is received in full to BHN. Failure to comply with payment terms will result in forfeiture of domain name rights by registrant.

H27 **Statements.** Detailed statements of invoiced charges can be viewed and printed through Customer's secure, online website control panel.

H28 **Additional Service Fees**

a. Reactivation

If Customer requests reactivation of a closed account, BHN will assess Customer a $19.95 reactivation fee to fulfill such request. If Customer requests restoration of Customer's data files to Customer's reactivated account, BHN will assess Customer a $99.95 fee to fulfill such request.

b. Hosting Plan Changes

If Customer changes to a lower-priced hosting plan on the same platform, BHN will charge Customer a $19.95 downgrade fee. There is no upgrade fee for upgrading to a higher priced plan, provided that BHN will charge Customer any difference between the setup fee applicable to Customer's new and former plans.

c. Platform Change

If Customer changes plans to a different operating system platform, BHN will charge Customer a $19.95 platform change fee.

H29 **Important Notice.** Domain name registrations and Web hosting accounts are handled by separate entities. In the event Customer needs to cancel, Customer must specify whether it would like to cancel its domain name only, its Web hosting plan only, or both its domain and hosting accounts. The cancellation or expiration of Customer's domain name does not automatically terminate Customer's hosting account (or vice versa). Customer's hosting account billing term automatically renews upon its completion, unless Customer notifies BHN that Customer would like to cancel its account.

H30 **Cancellations.** Cancellation requests must be received by BHN a minimum of ten (10) days prior to the end of Customer's Billing Cycle. Cancellations submitted later than this time may result in automatic renewal of Customer's hosting plan. Cancellations become effective on the day processed by BHN. BHN is unable to cancel Customer's account effective for a future date. BHN will confirm the cancellation request when it is processed. If Customer does not receive a confirmation, please contact BHN as soon as possible.

BHN does not monitor, and will not automatically cancel, plans for problems related to domain name transfers, non-usage, InterNIC, or any other secondary issues not directly related to BHN's services. Cancellation of services does not relieve Customer from paying any outstanding balance owed on the account. BHN reserves the right to cancel any account, at any time, without notice, for any reason BHN considers appropriate.

For Enterprise Cloud Solutions, the following shall apply:

H31 Customer acknowledges that Enterprise Cloud Solutions offers a self-service portal. If customer adds Services through the self-service portal, they will be charged for the additional Services that may not be reflected on the initial Order.

For Enterprise Cloud Solutions, the following service levels shall apply:

H32 **Time to Repair.** BHN will restore service within 4 hours after BHN determines the exact cause of such Outage. Subject to exceptions below, If this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Service.

H33 **Service Availability.** The Service Availability is listed in the table below based on the Service(s) selected on the Order. An Outage for Service Availability shall mean that the Enterprise Cloud Solution is not available from the public Internet or private connection if applicable. Service Availability is calculated as follows:

(Total number of minutes in the applicable calendar month) - (Total Outage minutes for the applicable calendar month)
_____
Total number of minutes in the applicable calendar month

If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit as defined in the table below.

Enterprise Cloud Solutions	**Service availability**	**Credit**
Network Availability – BHN Backbone	99.95%	1/15th of the MRC
Core Infrastructure – power, UPS, HVAC, and cabling	100%	1/15th of the MRC
Web and Application Servers	99.5%	

		1/30th of the MRC of the affected Service
Email Services	99.5%	1/30th of the MRC of the affected Service
Cloud Compute Infrastructure	99.95%	1/15th of the MRC of the affected Service
Cloud Backup Infrastructure	99.95%	1/15th of the MRC for the affected Service

The BHN NOC shall deem that an Outage has occurred whenever the BHN NOC verifies that the Service is unavailable, and "Total Outage Minutes" shall be deemed to be the length of time during which the Service is unavailable to Customer, as reflected on such trouble tickets. Service is considered restored when Customer has access to the affected Service and the trouble ticket is closed. During an Outage, Latency and Packet Loss calculations are suspended and not included in the monthly totals.

Limitations on service levels. Each of the service levels in this attachment are subject to the following performance and measurement limitations: (1) Customer must contact BHN customer care to request a service level remedy (credit); (2) the total amount credited may not exceed the applicable MRC for the affected Service and is the sole remedy for the Outage; (3) BHN's service levels are provided for on-net services only; and (4) service level measurements will not include:

ha. Outages or service degradations planned by BHN to carry out emergency maintenance with as much notice as possible given.

hb. Outages or service degradations planned by Customer for the purpose of allowing BHN to carry out planned or routine maintenance at times to be agreed with Customer.

hc. Outages or service degradations due to the non-release of the affected service element by Customer to BHN for the purpose of fault verification and/or restoration of availability.

hd. Outages or service degradations due to the malfunction of Customer equipment not covered by the Service

he. Outages or service degradations due to changes made to services at Customer's request where BHN has informed Customer about the Outage in advance and in writing.

hf. Outages or service degradations due to Customer requested test-assists, provided that the testing is not required as a result of failure of a BHN provided service.

hg. Outages or service degradations due to defined Force Majeure events as provided for in this Master Agreement.

hh. Outages or service degradations cause by delinquent payment.

hi. Outages or service degradations resulting from failures of access circuits, caused by Customer provided access facilities or Customer supplied wiring.

hj. Outages or service degradations caused by acts or omissions of Customer or others authorized by Customer to use or modify Customer's Service or change Service configurations.

hk. Outages or service degradations resulting from incomplete, incorrect, or inaccurate information from Customer.

hl. Outages or service degradations due to inability to reach Customer to analyze incidents or complete restoration of Service.

Attachment I

Service Level Agreement

If Customer receives Enterprise Trunking Service (Attachment B), Dedicated Internet Access Service (Attachment C), Metro Ethernet Service (Attachment D), and Enterprise Hosted Voice Service (Attachment L) with BHN Fiber Access:

Service levels:

I1 **Network Availability.** The BHN Backbone Network shall be available 99.95% of the time. The BHN Backbone Network shall mean core routers and transmission equipment in BHN facilities. Network availability is calculated as follows:

(Total number of minutes in the applicable calendar month) - (Total Outage minutes for the applicable calendar month)
_____
Total number of minutes in the applicable calendar month

If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit of one thirtieth (1/30th) of the monthly recurring charge ("MRC") for each full hour that the Service is unavailable.

I2 **Mean Time to Restore.** Mean Time to Restore is the monthly average time over any calendar month it takes for BHN to resolve an Outage. Mean Time to Restore is calculated as follows:

Mean Time to Restore = Total outage minutes / Total outage occurrences

BHN will restore service at a Customer Site affected by an Outage, on average, within four (4) hours after a trouble ticket is opened. If BHN does not meet this service level, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected Customer Site.

The BHN NOC shall deem that an Outage has occurred whenever the BHN NOC is informed by Customer and verifies that Customer does not have the ability to transmit or receive packets by means of the Service(s), and "Total Outage Minutes" shall be deemed to be the length of time during which the Service(s) is unavailable to Customer, as reflected on such trouble tickets. Service is considered restored when service has been restored when the trouble ticket is closed. During an Outage, Latency and Packet Loss calculations are suspended and not included in the monthly totals.

The foregoing service levels (including for latency and packet loss, as defined below) shall only apply to the throughput rates as set forth on Customer's Order.

Limitations on service levels. Each of these service levels is subject to the following performance and measurement limitations: (1) Customer must contact BHN Customer Care at (866) 477-1386 to open a ticket and to request a service level remedy (credit); (2) the total amount credited may not exceed the applicable MRC for the affected Service and is the sole remedy for the Outage; (3) BHN's service levels are provided for on-net services only; and (4) service level measurements will not include:

ia. Outages planned by BHN to carry out emergency maintenance with as much notice as possible given.

ib. Outages planned by Customer for the purpose of allowing BHN to carry out planned or routine maintenance at times to be agreed with Customer.

ic. Outages due to the non-release of the affected service element by Customer to BHN for the purpose of fault verification and/or restoration of availability.

id. Outages due to the malfunction of Customer equipment and wiring beyond the service demarcation point including LAN and voice equipment and outages due to or extended as a result of denial of access to any site.

ie. Outages due to changes made to services at Customer's request where BHN has informed Customer about the Outage in advance and in writing.

if. Outages due to Customer requested test-assists, provided that the testing is not required as a result of failure of a BHN provided service.

ig. Outages due to defined Force Majeure events as provided for in this Master Agreement.

ih. Outages cause by delinquent payment.

ii. Outages resulting from failures of access circuits or Outages caused by Customer provided access facilities.

For Dedicated Internet Access (Attachment C) and Metro Ethernet (Attachment D) Services, the following shall apply:

I3 **Latency.** The BHN Backbone Network shall have an average roundtrip packet transit time within the BHN Backbone Network of no more than 25ms. (This average latency is measured as the average of 15 minute samples across the BHN Backbone Network as taken throughout a calendar month.) If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit of one thirtieth (1/30th) of the MRC for each full millisecond exceeding the 25ms average.

I4 **Packet Loss.** The BHN Backbone Network shall have an average packet loss of less than one-half percent (0.5%) during any calendar month. Packet Loss is the difference between the number of packets transmitted by a device and the total number of packets received by the intended recipient. If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit of one thirtieth (1/30th) of the MRC for each percentage point above the one-half percent (0.5%) average maximum.

I5 **Burstable Service.** If Customer selects to receive DIA or Metro Ethernet with burstable bandwidth above the committed bandwidth, BHN will deliver committed bandwidth with a bursting capability. When bursting over the committed bandwidth, the latency and packet loss service levels of this Attachment does not apply.

Attachment J

OnSite Technical Service, Business Wireless Network and One-time Fix (collectively, "OnSite Services")

OnSite Technical Service ("OTS"): If Customer selects to receive OTS, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's computers and Customer's data network, as stated in the applicable Order.

Business Wireless Network ("BWN"): If Customer selects to receive BWN, BHN shall deliver specific remote and on-site technical assistance for Customer's computers, printers and wireless data network, as stated in the applicable Order.

One-time Fix ("OF"): If Customer selects to receive OF, BHN shall deliver specific remote and/or on-site technical assistance for a specific Customer's computer or Customer's data network, as stated in the applicable Order.

Customer's use of OnSite Services is subject to the following additional terms and conditions:

J1 Upon request, Customer shall provide documentation of valid software licenses that Customer requests BHN to support.

J2 BHN may require Customer to install certain software to assist BHN in the provision of OnSite Services. BHN reserves the right to terminate this Master Agreement if Customer (i) does not agree to install the software on the supported computers; or (ii) alters, modifies or disables the software or its settings or configurations.

J3 BHN may suggest that Customer acquire, install and use certain third party software ("Third Party Software"). Customer shall be solely responsible for acquiring and maintaining valid licenses to any Third Party Software, even if BHN assists Customer in the acquisition, installation, and/or use of such Third Party Software. BHN shall not be deemed to provide or license Third Party Software to Customer, and makes no representation or warranty with respect to any Third Party Software, including but not limited to any warranty with respect to the effectiveness, availability or security of any third party software.

J4 BHN may use any tools it reasonably deems necessary or advisable to perform OnSite Services, including obtaining remote access to Customer's computer(s) and related network and peripherals.

J5 BHN does not guarantee or warrant that OnSite Services will be free of, prevent or eliminate any or all defects, infection or viruses, worms, Trojan horses or other code that manifest contaminating, malicious or destructive properties. Customer is responsible for implementing adequate procedures to satisfy particular requirements for accuracy of data input and output and for maintaining a means external to OnSite Services for the reconstruction of any lost data.

J6 OnSite Services shall be available at the times set forth in the applicable service offering documentation, to the extent commercially reasonable.

J7 Notwithstanding anything to the contrary in this Master Agreement, (a) BHN may change the specific service offerings included within OnSite Services at its reasonable discretion, and (b) Customer shall not terminate its subscription to OnSite Services on such basis.

J8 Customer acknowledges and agrees that the Internet is not a secure network and that third parties may be able to intercept, access, use, or corrupt the information Customer transmits or receives over the Internet. BHN shall not be responsible for invalid destinations, transmission errors, or corruption or security of Customer's data.

J9 During the Term and for six (6) months thereafter (collectively, the "Non-Solicitation Period"), Customer shall not directly or indirectly solicit, induce away, hire, engage as a contractor or recommend for employment by any third party any Covered Resource (as defined below). If Customer breaches the foregoing provision, then Customer shall pay to BHN an amount equal to the applicable Covered Resource's annual monetary compensation by BHN for the prior calendar year, inclusive of any bonus or other monetary benefits. "Covered Resource" means any then-current or then-former employee of BHN or of any affiliate of BHN (with Advance/Newhouse Partnership deemed an affiliate of BHN for such purpose), to the extent such person is or was directly involved in the performance of this Master Agreement.

J10 If Services are to be performed on a computer, Customer shall specifically designate each computer for which it wishes BHN to provide the applicable Services, such as by providing model number, serial number, operating system product ID, and/or MAC address. BHN will not support computers that have not been designated by Customer.

J11 To the extent that BHN provides technical assistance and support for Third Party Software or equipment, Customer must ensure that it complies with the terms and conditions under which it was licensed such Third Party Software or purchased such equipment. BHN makes no warranty that it is an authorized service provider for Third Party Software or for any equipment; it is Customer's sole responsibility to determine if it requires additional rights for BHN to provide such support and if so, to acquire such rights. Customer acknowledges that support of Third Party Software or equipment by an unauthorized service provider may void any warranty made by the author or supplier of such Third Party Software or equipment.

J12 BHN may provide Customer, via download or other delivery method, the use of certain Software, including but not limited to client and/or network security software, for use in connection with OnSite Services. BHN reserves the right to update or change such Software from time to time, and Customer shall cooperate in performing such steps as may be necessary to install any updates or changes to such Software. Customer's license to use such Software shall remain in full force and effect until the earlier of (a) termination of such license by BHN or its third party licensors, providers or suppliers, or (b) termination of the applicable Services for Customer. Upon termination of the applicable license or Services for Customer for any reason, Customer shall cease all use of such Software and immediately delete such Software from Customer's hardware.

Attachment K

Managed Wide Area Network, Managed Router for DIA, Managed Local Area Network, Managed Wireless Local Area Network, Managed Firewall, Managed Virtual Private Network, Managed Intrusion Detection and Prevention Service, Managed Content Filtering Service, Managed Internet Security, Managed Email Security, and Distributed Denial of Service Mitigation Service (collectively, "Managed Services")

Managed Wide Area Network ("MWAN"): If Customer selects to receive MWAN, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's routers and Customer's data WAN, as stated in the applicable Order.

Managed Router for DIA ("MR"): If Customer selects to receive MR, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's routers, as stated in the applicable Order.

Managed Local Area Network ("MLAN"): If Customer selects to receive MLAN, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's switches and Customer's data LAN, as stated in the applicable Order.

Managed Wireless Local Area Network ("MWLAN"): If Customer selects to receive MWLAN, BHN shall deliver specific remote and on-site technical assistance for Customer's wireless data LAN, as stated in the applicable Order.

Managed Firewall ("MFW"): If Customer selects to receive MFW, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's firewalls, as stated in the applicable Order.

Managed Virtual Private Network ("MVPN"): If Customer selects to receive MVPN, BHN shall deliver specific remote and on-site technical assistance for a specific number of Managed Devices, as stated in the applicable Order.

Managed Intrusion Detection and Prevention Service ("MIDPS"): If Customer selects to receive MIDPS, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's Managed Devices, as stated in the applicable Order.

Managed Content Filtering Service ("MCFS"): If Customer selects to receive MCFS, BHN shall deliver specific remote and on-site technical assistance for a specific number of Customer's Managed Devices, as stated in the applicable Order.

Managed Device: A Managed Device is a customer premise device that BHN is remotely monitoring and/or managing for Customer. A Managed Device may be owned by BHN or Customer.

Managed Internet Security: A bundled offer that may include one or more of the following Internet security components: Firewall, Virtual Private Network ("VPN"), Content Filtering, Application Filtering, Malware Protection and/or Intrusion Detection and Prevention Service ("IDPS")

Managed Email Security: A security offering that may include one of more of the following features: SPAM filtering, Virus protection Email Encryption and/or Data Loss Prevention ("DLP")

Distributed Denial of Service ("DDoS") Mitigation Service: If Customer choses to purchase DDoS Mitigation Service, BHN will monitor Customer's Internet traffic to detect anomalies that may indicate DDoS attacks. BHN collaborates with Customer in order to implement automated and manual countermeasures to mitigate DDoS attacks.

Customer's use of Managed Services is subject to the following additional terms and conditions:

For Managed Services, the following service levels shall apply:

K1 **Proactive Outage Notification.** BHN's goal is to notify Customer that Managed Device is unavailable within fifteen (15) minutes of the time that BHN makes such determination and ticket generation. Notification will be made to Customer's designated representative via an email or other mutually agreed upon mechanisms. Subject to exceptions below, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the monthly recurring charge ("MRC") for the affected Managed Device.

K2 **Time to Repair.** BHN's goal is to restore service to a Managed Device (other than hardware failure) within 4 hours after BHN determines the exact cause of such Outage. Subject to exceptions below, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Managed Device.

K3 **Installation.** BHN's goal is to install and make operational the BHN provided standard Managed Device(s) within 45 days of Order acceptance by BHN if BHN's Dedicated Internet Access or Metro Ethernet Services are already operational at Customer's Site. If DIA and Metro Ethernet Services are not operational at Order acceptance by BHN, BHN's goal is to install and make operational the Managed Device(s) identified on the Order within 45 days of Order acceptance by BHN or at Customer acceptance of the requested DIA or Metro Ethernet Services, whichever is longer.

K4 **Service Availability.** The Service Availability is listed in the table below based on the Service(s) selected on the Order. An Outage for Service Availability shall mean that Customer does not have the ability to transmit and receive packets by means of the BHN network and the Managed Device. . Service Availability is calculated as follows:

(Total number of minutes in the applicable calendar month) - (Total Outage minutes for the applicable calendar month)
_____
Total number of minutes in the applicable calendar month

If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit as defined in the table below.

Managed Service	Service availability	Credit

Managed WAN / Managed Router – Dual Router	99.95%	1/30th of the MRC for Outages greater than 2 minutes
Managed WAN / Managed Router – Single Router	99.5%	1/30th of the MRC for Outages greater than 1 hr
Managed LAN / Managed Wireless LAN	Device 99.5%	1/30th of the MRC of the affected device for Outages greater than 4 hrs
Managed Firewall	99.5%	1/30th of the MRC of the affected device for Outages greater than 4 hrs
Managed VPN	99.5%	1/30th of the MRC of the affected device for Outages greater than 4 hrs
DDoS Mitigation Service	99.95%	1/15th of the MRC for the affected Service

The BHN NOC shall deem that an Outage has occurred whenever the BHN NOC verifies that Customer does not have the ability to transmit or receive packets by means of the Managed Service(s), and "Total Outage Minutes" shall be deemed to be the length of time during which the Managed Service(s) is unavailable to Customer, as reflected on such trouble tickets. Service is considered restored when service has been restored when the trouble ticket is closed. During an Outage, Latency and Packet Loss calculations are suspended and not included in the monthly totals.

Limitations on service levels. Each of the service levels in this attachment are subject to the following performance and measurement limitations: (1) Customer must contact BHN Customer Care at (866) 477-1386 to request a service level remedy (credit); (2) the total amount credited may not exceed the applicable MRC for the affected Managed Device and is the sole remedy for the Outage; (3) BHN's service levels are provided for on-net services only; and (4) service level measurements will not include:

ka. Outages or service degradations planned by BHN to carry out emergency maintenance with as much notice as possible given.

kb. Outages or service degradations planned by Customer for the purpose of allowing BHN to carry out planned or routine maintenance at times to be agreed with Customer.

kc. Outages or service degradations due to the non-release of the affected service element by Customer to BHN for the purpose of fault verification and/or restoration of availability.

kd. Outages or service degradations due to the malfunction of Customer equipment not covered by the Service

ke. Outages or service degradations due to changes made to services at Customer's request where BHN has informed Customer about the Outage in advance and in writing.

kf. Outages or service degradations due to Customer requested test-assists, provided that the testing is not required as a result of failure of a BHN provided service.

kg. Outages or service degradations due to defined Force Majeure events as provided for in this Master Agreement.

kh. Outages or service degradations cause by delinquent payment.

ki. Outages or service degradations resulting from failures of access circuits, caused by Customer provided access facilities or Customer supplied wiring.

kj. Outages or service degradations caused by acts or omissions of Customer or others authorized by Customer to use or modify Customer's Service or change Service configurations.

kk. Outages or service degradations due to or extended as a result of denial of access to any site.

kl. Outages or service degradations resulting from incomplete, incorrect, or inaccurate information from Customer.

km. Outages or service degradations due to inability to reach Customer to analyze incidents or complete restoration of Service.

For MFW, Managed VPN, Managed IDPS, and Managed CFS the following shall apply:

K5 Services are designed to prevent outsiders from gaining access to company information or employees accessing restricted content on the internet. The Services will provide effective security for such access. However, the Service is based on the security customer-defined policies as well security definitions files. Service may not prevent some determined hackers from breaking in, or an employee from gaining unauthorized access to the Internet or to confidential information stored on the corporate network. BHN is not liable for any losses or damage to Customer's business or data that arise as a result of the Service not preventing unauthorized access.

K6 **Log Data Remote Storage.** BHN's goal is to store 30 days of log data. Subject to exceptions above, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected Managed Device.

K7 **Non Urgent Changes.** BHN's goal is to make non-urgent changes within 1 business day of the request. Subject to exceptions above and a limit of 25 requests per month, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected Managed Device.

K8 **Urgent Changes.** BHN's goal is to make urgent changes within four (4) hours of the request. Subject to exceptions above and a limit of one (1) request per month, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected Managed Device.

For Managed Devices, the following service levels shall apply:

K9 **Expedited Replacement.** If Customer selects to receive Expedited Replacement, BHN's goal is to replace, install and configure a defective Managed Device in the next business day after the Managed Device is determined to be defective by BHN. Subject to exceptions above, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one tenth (1/10th) of the MRC for the affected Managed Device.

K10 **4-hour Replacement.** If Customer selects to receive 4-hour Replacement, BHN's goal is to replace, install and configure a defective Managed Device within 4 hours after the Managed Device is determined to be defective by BHN. Subject to exceptions above, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Managed Device.

For DDoS Mitigation Service, the following shall apply:

K11 Customer acknowledges that DDoS Mitigation Service is designed to mitigate volumetric attacks aimed at the Network and Transport Protocol layers of the ISO-OSI model and not other types of attacks.

K12 Customer acknowledges that the use of automated mitigation may result in unintended blocking of legitimate Internet based traffic. Therefore, Customer will notify BHN of any changes to the network that are not managed by BHN and of any changes with Customer's normal Internet traffic patterns.

K13 Customer acknowledges that BHN will make commercially reasonable efforts to mitigate attacks that take advantage of a previously unknown vulnerability (also known as "zero-day attacks").

For DDoS Mitigation Service, the following service levels shall apply:

K14 **Proactive Notification.** BHN will notify Customer that a potential threat has been detected within fifteen (15) minutes of the time that BHN makes such determination and ticket generation. Notification will be made to Customer's designated representative via an email or other mutually agreed upon mechanisms. If this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the monthly recurring charge ("MRC") for the affected Service.

K15 **Time to Implement Countermeasures.** BHN will begin applying countermeasures within fifteen (15) minutes after Customer validates the attack and authorizes BHN to apply countermeasures to mitigate the DDoS attack. If this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Service.

Attachment L

Non-SMB Hosted Voice Services

Customer's use of the Non-SMB Hosted Voice Services is subject to the following additional terms and conditions:

L1 **Proactive Outage Notification.** BHN's goal is to notify Customer that Non-SMB Hosted Voice Service is unavailable within fifteen (15) minutes of the time that BHN makes such determination and ticket generation. Notification will be made to Customer's designated representative via an email or other mutually agreed upon mechanisms. Subject to exceptions below, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the monthly recurring charge ("MRC") for the affected Non-SMB Hosted Voice Service.

L2 **Time to Repair.** BHN's goal is to restore Non-SMB Hosted Voice Service (other than hardware failure) within 4 hours after BHN determines the exact cause of such Outage. Subject to exceptions below, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Non-SMB Hosted Voice Service.

L3 **Installation.** BHN's goal is to install and make operational the BHN provided standard Non-SMB Hosted Voice Services BHN Equipment within 45 days of Order acceptance by BHN if BHN's Dedicated Internet Access or Metro Ethernet Services are already operational at Customer's Site. If DIA and Metro Ethernet Services are not operational at the Non-SMB Hosted Voice Service address, BHN's goal is to install and make operational the Non-SMB Hosted Voice BHN Equipment identified on the Order within 45 days of Order acceptance by BHN or at Customer acceptance of the requested DIA or Metro Ethernet Services, whichever is longer.

L4 **Service Availability.** The Service Availability is listed in the table below based on the Service(s) selected on the Order. An Outage for Service Availability shall mean that Customer does not have the ability to transmit and receive packets by means of the BHN network and the BHN Equipment. Service Availability is calculated as follows:

(Total number of minutes in the applicable calendar month) - (Total Outage minutes for the applicable calendar month)
_____
Total number of minutes in the applicable calendar month

If this service level is not satisfied during a calendar month, Customer will be entitled to, as its sole and exclusive remedy, a credit as defined in the table below.

Non-SMB Hosted Voice Service	**Service availability**	**Credit**
Non-SMB Hosted Voice Platform	Device 99.9%	1/30th of the MRC of the affected device for Outages greater than 4 hrs
Non-SMB Hosted Voice Edge Router	99.5%	1/30th of the MRC of the affected device for Outages greater than 4 hrs
Hosted Voice for Hospitality Property Management System (PMS) Integration Hardware	99.5%	1/30th of the MRC of the affected device for Outages greater than 24 hrs

The BHN NOC shall deem that an Outage has occurred whenever the BHN NOC verifies that Customer does not have the ability to transmit or receive packets by means of the Non-SMB Hosted Voice Service(s), and "Total Outage Minutes" shall be deemed to be the length of time during which the Non-SMB Hosted Voice Service(s) is unavailable to Customer, as reflected on such trouble tickets. Service is considered restored when service has been restored when the trouble ticket is closed. During an Outage, Latency and Packet Loss calculations are suspended and not included in the monthly totals.

Limitations on service levels. Each of the service levels in this attachment are subject to the following performance and measurement limitations: (1) Customer must contact BHN Customer Care at (866) 477-1386 to request a service level remedy (credit); (2) the total amount credited may not exceed the applicable MRC for the affected BHN Equipment and is the sole remedy for the Outage; (3) BHN's service levels are provided for on-net services only; and (4) service level measurements will not include:

Ia. Outages or service degradations planned by BHN to carry out emergency maintenance with as much notice as possible given.

Ib. Outages or service degradations planned by Customer for the purpose of allowing BHN to carry out planned or routine maintenance at times to be agreed with Customer.

Ic. Outages or service degradations due to the non-release of the affected service element by Customer to BHN for the purpose of fault verification and/or restoration of availability.

Id. Outages or service degradations due to the malfunction of Customer equipment not covered by the Service

Ie. Outages or service degradations due to changes made to services at Customer's request where BHN has informed Customer about the Outage in advance and in writing.

If. Outages or service degradations due to Customer requested test-assists, provided that the testing is not required as a result of failure of a BHN provided service.

Ig. Outages or service degradations due to defined Force Majeure events as provided for in this Master Agreement.

Ih. Outages or service degradations cause by delinquent payment.

Ii. Outages or service degradations resulting from failures of access circuits, caused by Customer provided access facilities or Customer supplied wiring.

Ij. Outages or service degradations caused by acts or omissions of Customer or others authorized by Customer to use or modify Customer's Service or change Service configurations.

Ik. Outages or service degradations due to or extended as a result of denial of access to any site.

Il. Outages or service degradations resulting from incomplete, incorrect, or inaccurate information from Customer.

Im. Outages or service degradations due to inability to reach Customer to analyze incidents or complete restoration of Service.

L6 **Non Urgent Changes.** BHN's goal is to make non-urgent changes within 1 business day of the request. Subject to exceptions above and a limit of 25 requests per month, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected BHN Equipment.

L7 **Urgent Changes.** BHN's goal is to make urgent changes within four (4) hours of the request. Subject to exceptions above and a limit of one (1) request per month, if this service level is not satisfied Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one thirtieth (1/30th) of the MRC for the affected BHN Equipment.

For Non-SMB Hosted Voice Services edge routers and Non-SMB Hosted Voice Services standard Ethernet PoE switches within the BHN coverage area, the following service levels shall apply:

L8 **Expedited Replacement.** If Customer selects to receive Expedited Replacement and Non-SMB Hosted Voice Service BHN Equipment is determined to be defective by BHN, BHN's goal is to replace the defective Non-SMB Hosted Voice Service BHN Equipment and install and configure the replacement Non-SMB Hosted Voice Service BHN Equipment in the next business day after such determination. Subject to exceptions above, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one tenth (1/10th) of the MRC for the affected Non-SMB Hosted Voice Service.

L9 **4-hour Replacement.** If Customer selects to receive 4-hour Replacement and the BHN Equipment is determined to be defective by BHN, BHN's goal is to replace the defective BHN Equipment and install and configure the replacement Non-SMB Hosted Voice Service BHN Equipment within 4 hours after such determination. Subject to exceptions above, if this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit equal to one fifteenth (1/15th) of the MRC for the affected Non-SMB Hosted Voice Service.

Order Implementation Guidelines are shown below.

Move Adds or Change Requests	**Target Interval**	**Maximum Interval**
Adding a SIP line	1 Business Day	1 Business Day
Feature change request only	1 Business Day	1 Business Day
Professional Services with On-site Tech	3 Business Days	3 Business Days
Adding 1-3 phones	3 Business Days	5 Business Days
Adding 3+ phones	5 Business Days	7 Business Days
Equipment installation (switches and routers)	5 Business Days	7 Business Days

If this service level is not satisfied, Customer will be entitled to, as its sole and exclusive remedy, a credit as defined in the table below.

Non-SMB Hosted Voice Service	**Interval**	**Credit**
Adding a SIP line	1 Business Day	$1/15^{th}$ of the MRC of the affected service
Feature change request only	1 Business Day	$1/15^{th}$ of the MRC of the affected service
Professional Services with On-site Tech	3 Business Days	$1/15^{th}$ of the MRC of the affected service
Adding 1-3 phones	5 Business Days	$1/15^{th}$ of the MRC of the affected service
Adding 3+ phones	7 Business Days	$1/15^{th}$ of the MRC of the affected service

Equipment installation (switches and routers)	7 Business Days	1/15th of the MRC of the affected service

Agenda Item No. H-2.

Document Date:	5/1/2015	**Amount: $ 3,750**
Department:	Finance Department	Account #: 001-0513-513.3400 and 401-0533-533.3400 401-0535-535.3400 402-0534-534.3400
Subject:	Actuarial Services for valuation of Other Post-Employment Benefits (OPEB)	
Attachments: ***Please number items as they will appear on the agenda.***	1. Proposal from Florida League of Cities 2. GASB Statements 43 and 45 3. State Statue 12.0801	
Agenda Section:	H. New Business	

Summary/Highlights: The Governmental Accounting Standards Board (GASB) required governments with total revenues of less than $10 million to implement GASB standard number 43 and 45 by periods beginning after December 15, 2008.

Background: GASB 43 and 45 establishes cost standards for the recording of Other Post-Employment Benefits (OPEB) expense and the liabilities in the financial reports of local governmental employers. Employers must account for and report the annual cost of OPEB in the same way they report pensions. In Florida, state statute 12.0801 requires that the municipal employer make health coverage available to retirees at the employer's group rate. This creates an implicit cost that must be reported on the City's financial statements. During the interim work for the FY2014 audit the City's audit firm noted that GASB standards 43 and 45 had not been implemented. To calculate the implicit value an actuarial study must be conducted.

Staff Recommendation: Staff recommends approving proposal From Florida League of City for actuarial services to calculate of Other Post-Employment Benefits (OPEB).

City Attorney Review: Reviewed and approved.

Finance Department Review/Recommendation: There is sufficient budget in various departmental budgets to fund this request. Finance recommends approval.

Approver Name:	**Approval Status:**	**Date:**
Stella Gurnee, Finance Director	Approved	5/1/2015
Sandra Bolser, CMC, City Clerk	Approved for 05 /11/2015 Agenda	5/4/2015

Governmental Accounting Standards Board

Other Postemployment Benefits: A Plain-Language Summary of GASB Statements No. 43 and No. 45

Please note: This document, prepared by the GASB staff, has not been reviewed or approved by the GASB Board and is not an authoritative document in the hierarchy of generally accepted accounting principles.

WHAT ARE OTHER POSTEMPLOYMENT BENEFITS, AND WHY ARE THEY IMPORTANT?

Employees of state and local governments may be compensated in a variety of forms in exchange for their services. In addition to a salary, many employees earn benefits over their years of service that will not be received until after their employment with the government ends through retirement or other reason for separation. The most common type of these postemployment benefits is a pension. As the name suggests, *other postemployment benefits* (OPEB) are postemployment benefits *other than pensions.* OPEB generally takes the form of health insurance and dental, vision, prescription, or other healthcare benefits provided to eligible retirees, including in some cases their beneficiaries. It may also include some types of life insurance, legal services, and other benefits.

Why Has the GASB Issued New Standards for OPEB?

The GASB established standards in 1994 for how public employee pension plans and governmental employers participating in pension plans should account for and report on pension benefits, but similar provisions did not exist for OPEB. Although the OPEB may not have the same legal standing as pensions in some jurisdictions, the GASB believes that pension benefits (as a legal obligation) and OPEB (as a constructive obligation in some cases) are a part of the compensation that employees earn each year, even though these benefits are not received until after employment has ended. Therefore, the cost of these future benefits is a part of the cost of providing public services *today.* However, most governments report their *cash outlays* for OPEB in a given year, rather than the *cost to the employer of OPEB earned by employees* in that year; these two amounts may be vastly different. In the absence of standards similar to those the GASB enacted for pensions, *most governments do not report the full cost of the OPEB earned by their employees each year.*

Furthermore, most governments do not report information about the nature and size of their long-term financial obligations and commitments related to OPEB. Consequently, the readers of financial statements, including the public, have incomplete information with which to assess the cost of public services and to analyze the financial position and long-run financial health of a government. The purpose of the new standards—GASB Statement No. 43, *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans,* and GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*—is to address these shortcomings.

What Types of OPEB Plans Do Governments Use?

There are two basic forms of postemployment benefit plans. *Defined benefit* plans are those that specify the *amount of benefits to be provided* to the

employees after the end of their employment. *Defined contribution* plans stipulate only the *amounts to be contributed by a government employer* to a plan member's account each year of active employment, and do not specify the amount of benefits employees will receive after the end of their employment.

Plans may also be distinguished by how many employers participate in them. As their name indicates, *single-employer* plans involve only one government, whereas *multiple-employer* plans include more than one government. In a *cost-sharing multiple-employer* plan, governments *pool or share* the costs of financing benefits and administering the plan and the assets, if any, accumulated to pay benefits. Generally, a single actuarial valuation is conducted for all of the employees of the participating governments *combined.*

In *agent multiple-employer* plans, there is no pooling of benefit costs. Separate actuarial calculations are made for each participating government in the plan, and separate accounts are maintained to ensure that each employer's contributions are used to provide benefits only for the employees of that government. The cost of administering the plan, however, is shared by the participating governments.

How Do Governments Currently Finance Postemployment Benefits?

In general, postemployment benefits are financed in one of two ways. Some governments follow an *actuarial* approach, which entails paying to a pension or OPEB plan an amount that is expected to be sufficient, if invested now, to finance the benefits of employees after they are no longer working for the government. This approach is commonly followed for determining pension contributions.

For OPEB, however, most governments currently follow a *pay-as-you-go* approach, paying an amount each year equal to the benefits distributed or claimed in that year. The new OPEB standards do not mandate the funding of OPEB benefits (in other words, to set aside assets in advance to pay benefits in the future). As noted above, they address accounting and financial reporting issues only.

HOW SHOULD GOVERNMENTS PARTICIPATING IN DEFINED BENEFIT PLANS ACCOUNT FOR OPEB?

In general, governments should account for and report the annual cost of OPEB and the outstanding obligations and commitments related to OPEB in the same manner as they currently do for pensions. These amounts should be produced by actuarial valuations performed in accordance with parameters established by the GASB. The valuations should be conducted at least every two years for plans that administer OPEB for 200 or more plan members (both active

employees and retirees) or at least every three years for plans with fewer than 200. Actuarial valuations generally should follow accepted actuarial practices as set forth by the Actuarial Standards Board.

How Should Governments Determine the Cost of OPEB?

The process of determining how much should be set aside now in order to provide for future benefits in a defined benefit plan utilizes actuarial methods and assumptions. An actuary's estimate or "valuation" is the product of many assumptions, based on historical experience, regarding the factors that determine the level of resources that will be needed in the future to finance benefits. These factors may include, but are not limited to:

- How many employees a government is expected to have that will receive benefits
- How long employees are expected to work for the government
- How long employees are expected to live after retiring (and, hence, how many years they will receive benefits)
- How much healthcare costs are expected to increase
- How large a return a government is expected to receive on its investments.

The actuary calculates *how much should be contributed now* to ensure that an adequate level of resources is available in the future. The future cash outlays for OPEB should be projected based on economic and demographic assumptions such as those mentioned above. These cash outflows would then be discounted to their *actuarial present value*—their estimated value if paid today—using a discount rate equal to an assumed long-term rate of return on investments**.** The actuarial present value generally would be spread over a period that approximates the anticipated years of an average worker's employment with the government, utilizing any one of six acceptable actuarial cost methods. The portion of the actuarial present value allocated to a particular year is called the *normal cost.* The portions allocated to the remaining years of employment are future normal costs.

The Board's decision to allow a choice among six methods reflects the fact that actuaries have developed a variety of methods to help determine how to fund pension and OPEB plans. The selection of a particular method generally is based on a recommendation from the actuary based on demographics, benefits offered, and the funding status of the plan. The Board believes it is most appropriate and useful to the users of financial statements if a government uses the same actuarial cost method for both funding and financial reporting, as long as the government's funding method is consistent with the principles of accrual-based accounting. If its funding method is not consistent, then a government should select from the six allowable actuarial cost methods for the purposes of financial reporting.

The OPEB Liability. The actuarial calculations are required to take into account not only benefits *expected to be earned* by employees in the future (future normal costs), but also those benefits the employees *have already earned.* One reason for this is that governments had been granting pension and OPEB benefits for many years before the accounting standards required their costs and obligations to be actuarially determined. Second, governments sometimes *retroactively* improve the benefits they provide to their employees. The portion of the actuarial present value allocated to prior years of employment—and thus not provided for by future normal costs—is called the *actuarial accrued liability* (AAL).

OPEB Assets. If an OPEB plan has cash, investments, and other resources, these may be applied to fund the actuarial accrued liability. The value of these resources is referred to as the *actuarial value of assets.* The actuarial value of assets is not the same as fair value, which is used to report a government's investments in its statements of net assets and balance sheet. Fair values can be volatile in the short term, with gains one year and losses the next. Postemployment benefits, however, are long-term transactions—assets are being set aside today to pay for benefits well into the future. Although there may be sharp changes in asset value in the short run, over the long run the change in asset value tends to be steadier. For financial reporting purposes, gains or losses in plan assets are averaged over several years (usually three to five), producing an actuarial value of assets that is more stable over time than fair value.

The Unfunded Liability. The excess of the AAL over the actuarial value of assets is the *unfunded actuarial accrued liability* (UAAL or unfunded liability). The unfunded liability would be amortized (spread) over a period of up to thirty years (approximately equal to a typical public employee's term of employment), either in *level dollar* amounts or as a *level percentage of projected payroll.* Like a home mortgage, the level dollar method divides the liability into equal dollar amounts over the selected number of years; each payment is part interest, part principal. The level percentage method calculates payments so that they equal a constant percentage of payroll over time as payroll increases; most governments currently use this method when reporting their pension benefits.

OPEB Contributions. The normal cost and the portion of the UAAL to be amortized in the current period together make up the *annual required contribution* (ARC) of the employer for the period. The ARC is an amount that is actuarially determined in accordance with the requirements of Statements 43 and 45 so that, if paid on an ongoing basis, it would be expected to provide sufficient resources to fund both the normal cost for each year and the amortized unfunded liability. Employer contributions consist of payments directly to or on behalf of a retiree or beneficiary, premium payments to insurers, or irrevocably transferred assets to a trust (or equivalent arrangement) in which plan assets are dedicated to providing benefits to retirees and beneficiaries in accordance with the terms of

the plan and are legally protected from creditors of the employer and plan administrator.

OPEB Expenses, Expenditures, and the Net Obligations. For a government in a single-employer or agent multiple-employer plan, the *annual OPEB cost* equals the ARC plus or minus certain adjustments if the employer's actual contributions in prior years differed from the ARC. The annual OPEB cost is the OPEB *expense* that a government would report in its accrual-based financial statements—the government-wide statements and the proprietary fund statements. Generally, the cumulative sum of differences between an employer's annual OPEB cost and the amounts *actually contributed* to the plan since the effective date of the standards makes up a liability (or asset) called the *net OPEB obligation.*

By contrast, for an employer government participating in a cost-sharing multiple-employer plan, the annual OPEB expense is equal to the employer's *contractually required contribution* to the plan—the amount assessed by the plan for the period—which may or may not equal the ARC.

In the financial statements that use accrual accounting a government is not required to place an initial liability on the statement of net assets when this standard is first implemented. Governments *may* report as a liability the accumulated differences between their actual contributions and the ARC for prior years, to the extent they have the necessary information to do so.

Under modified accrual in the governmental fund financial statements, an employer would report OPEB *expenditures* equal to *the amount contributed to the plan or expected to be liquidated with expendable available financial resources.* Because the governmental fund financial statements focus on current financial resources, they would not include the net OPEB obligation or any other long-term liability.

Implicit Rate Subsidies for Retirees

In health insurance plans where a government's retirees and current employees are insured together as a group, the premiums paid by the retirees may be lower than they would have been if the retirees were insured separately—this is called an *implicit rate subsidy.* Some believe that if the retirees pay 100 percent of their premiums without a specific contribution from the employer, then the employer should not be required to treat the implicit rate subsidy as an OPEB. The standards that were first proposed for public review were consistent with that point of view.

However, based on the comments received regarding those proposed standards, the GASB ultimately concluded in Statements 43 and 45 that exempting governments from including an implicit rate subsidy in their OPEB

calculations would result in the annual cost and long-term obligations of their OPEB being significantly understated. Implicit rate subsidies should therefore be included by governments as OPEB.

Provisions for Small Plans

As mentioned above, actuarial valuations are required at least every two or three years, depending on the size of the OPEB plan. In recognition of the potential cost of hiring consultants to perform these valuations, the standards allow the smallest single-employer plans—those with fewer than one hundred members—and the employers that participate in them to estimate the AAL and the ARC using simplified methods and assumptions. (The method also is available to certain employers in agent multiple-employer plans.) The specifics of this *alternative measurement method* are described fully in Statements 43 and 45.

WHAT ADDITIONAL OPEB INFORMATION SHOULD A GOVERNMENT EMPLOYER PRESENT IN ITS FINANCIAL REPORT?

Notes to the Financial Statements

To assist users in understanding the nature of a government's OPEB and its efforts to finance its OPEB, the GASB's standards require governments to prepare note disclosures to accompany the expense, expenditure, and liability information reported in the financial statements.

Plan Description. Disclosures describing the plan contain the following basic information about the types of OPEB offered and how they are administered. (See Illustrations 1–3 at the end of this document.)

a. Name of the plan, identification of the public employee retirement system or other entity that administers the plan, and identification of the plan as a single-employer, agent multiple-employer, or cost-sharing multiple-employer defined benefit OPEB plan.
b. Brief description of the types of benefits and the authority under which benefit provisions are established or may be amended. For example, the disclosure might reveal that a plan provides retirement, disability, and death benefits to plan members and their beneficiaries, and that a specific section of state law regulates the changing of benefit provisions.
c. Whether the OPEB plan issues a *stand-alone financial report* or is included in the report of a public employee retirement system or another entity and, if so, how to obtain the report.

Funding Policy. Governments should disclose the following funding policy information about how contributions are made toward financing OPEB:

a. Authority (for example, state statute) under which the obligations of the plan members, employer(s), and other contributing entities (for example, state contributions to local government plans) to contribute to the plan are established or may be amended.
b. Required contribution rate(s) of active plan members.
c. Required contribution rate(s) of the employer in accordance with the funding policy, in dollars or as a percentage of current-year covered payroll. If the plan is a single-employer or agent plan and the rate differs significantly from the ARC, a government should disclose how the rate is determined. If the plan is a cost-sharing plan, a government should disclose the required contributions in dollars, the percentage of that amount contributed for the current year and each of the two preceding years, and how the required contribution rate is determined. Governments should also disclose any legal or contractual limitations on the maximum amount of their contributions.
d. A brief description of the terms of any long-term contracts for contributions to the plan and the amount still outstanding; for example, a government that is not able to make its full contribution in a given year might agree with the plan to make up the shortfall with interest in annual installments over a three-year period.

Members and Types of Benefits. If an employer government includes an OPEB plan in its financial statements as a trust or agency fund and the plan does not issue its own financial statements separate from those of the employer government, the employer also discloses the following information *about the plan as a whole:*

a. The types of employees covered (such as general employees, police officers, legislators) and, for multiple-employer plans, the participating governments
b. The number of members, sorted by (1) retirees and beneficiaries currently receiving benefits, (2) members no longer working for the government and entitled to benefits, but not yet receiving them, and (3) current employees
c. A brief description of (1) the types of benefits provided and (2) provisions for cost-of-living adjustments or other future increases in benefits
d. The balances remaining as of the date of the financial report in the plan's legally required reserves, a description of the purpose of the reserves, and whether the reserves are fully funded.

Costs and Obligations, Methods and Assumptions. Because governments participating in single-employer or agent multiple-employer plans are individually responsible for financing the OPEB cost of their own employees and retirees, these governments are required to provide additional information in their notes. The following additional disclosures are intended to help users assess whether the governments are keeping pace with actuarially required contribution amounts, the extent to which the resources set aside for paying

OPEB are sufficient or insufficient, and the methods and assumptions employed to conduct the actuarial calculations:

a. For the current year, annual OPEB cost and the dollar amount of contributions actually made. If the employer has a net OPEB obligation, it should also disclose the components of annual OPEB cost, the increase or decrease in the net OPEB obligation, and the net OPEB obligation at the end of the year.
b. For the current year and each of the two preceding years, annual OPEB cost, percentage of annual OPEB cost contributed that year, and net OPEB obligation at the end of each year.
c. The funded status of the plan; this is the same information governments would be required to disclose in a schedule of funding progress (see below), but only for the most recent valuation date.
d. Information about actuarial methods and assumptions used in the valuations that the information reported about the ARC, annual OPEB cost, and the funded status and funding progress of OPEB plans is based upon. (More details regarding this information can be found in Statement 45.)

Required Supplementary Information

Governments generally should present RSI related to defined benefit OPEB plans covering *the last three actuarial valuations.* A government participating in a cost-sharing multiple-employer plan, however, does not have to present RSI for OPEB as long as the plan issues its own separate financial report or is included in the financial report of another governmental entity.

Three types of RSI about defined benefit OPEB plans might be presented in a government's financial report:

a. Schedule of funding progress
b. Schedule of employer contributions
c. Notes to the RSI schedules.

The schedule of funding progress provides information that is useful for judging how well funded a pension plan is. (See page 18 for an illustrative example.) The first column shows the date as of which the information in the following columns was applicable. The next three columns show the actuarial value of assets, the AAL, and the UAAL. The fifth column divides asset value by the AAL—the *funded ratio.* A funded ratio can be as low as zero (for a pay-as-you-go system with no assets) and as high as 100 percent or even higher (for a fully funded system, or one that actually has assets that exceed the AAL, respectively). The second-to-last column in the schedule includes the covered payroll—the total payroll of the current employees covered by the plan. The last column then calculates a ratio of unfunded liability-to-payroll—dividing the UAAL by the covered payroll.

The schedule of employer contributions compares a government's actual contributions to its OPEB plan with its ARC. (See the illustration on page 26.) If a government is aware of any factors that have a significant effect on the trend information in the two RSI schedules, such as improvements or reductions in OPEB benefit provisions, expansion or reduction of the eligible population, or changes in the actuarial methods, it adds an explanatory note to the schedules.

Governments in single-employer and agent multiple-employer plans present funding progress information pertinent to the government's own members. If a government includes the OPEB plan in its financial statements as a trust fund and a separate report is not issued by the OPEB plan, then the government generally would present additional RSI:

a. A government in a single-employer plan would add a schedule of employer contributions.
b. A government in an agent plan would present a schedule of funding progress and a schedule of employer contributions *for the agent plan as a whole* (in addition to the schedule of funding progress the government is already presenting for just its own employees and retirees).
c. A government in a cost-sharing plan would present a schedule of funding progress and a schedule of employer contributions *for the cost-sharing plan as a whole.*

WHAT INFORMATION SHOULD AN OPEB PLAN PRESENT IN ITS FINANCIAL REPORT?

Financial Statements

The financial report of a defined benefit OPEB plan includes two financial statements. The *statement of plan net assets* includes information about the plan's assets, liabilities, and net assets as of the end of the fiscal year. (See Illustration 4.) The *statement of changes in plan net assets* provides information about additions to, deductions from, and net increases or decreases in plan net assets during the fiscal year. Additions generally include employer and member contributions and investment income. Deductions typically are benefits and administrative expenses.

Notes to the Financial Statements

Defined benefit OPEB plans should prepare note disclosures to give users information about plan description, accounting policies, contributions and reserves, and funded status and funding progress. (See Illustration 4.)

Plan Description. The following information is intended to inform the user about the nature of the plan, its members, and the OPEB it provides:

a. Identification of the plan as a single-employer, agent multiple-employer, or cost-sharing multiple-employer defined benefit OPEB plan and disclosure of the number of participating employers and other contributing entities
b. Classes of employees covered (for example, general employees and public safety employees) and information on the current members, including the number of retirees and beneficiaries currently receiving benefits, terminated members entitled to but not yet receiving benefits, and current active members
c. Brief description of benefit provisions.

Accounting Policies. In its summary of significant accounting policies, a plan should disclose the accounting choices it has made relative to OPEB:

a. Basis of accounting, including the policy with respect to recognition in the financial statements of contributions, benefits paid, and refunds paid
b. Brief description of how the fair value of investments is determined.

Contributions and Reserves. The following information should be disclosed to help users understand how contributions are made to the plan and the amounts and purposes of the plan's reserves:

a. Authority under which the obligations of the plan members, employer(s), and other contributing entities to contribute to the plan are established or may be amended
b. Funding policy, including a brief description of how the contributions of the plan members, employer(s), and other contributing entities are determined, how the costs of administering the plan are financed, and any legal or contractual maximum contribution rates
c. Required contribution rates of active plan members, in accordance with the funding policy
d. Brief description of the terms of any long-term contracts for contributions to the plan and disclosure of the amounts outstanding at the reporting date
e. The balances in the plan's legally required reserves at the reporting date, as well as a brief description of the purpose of each reserve and designation disclosed and whether the reserve is fully funded.

Funded Status and Funding Progress. Finally, plans should prepare a note disclosure containing the most recent information about their funded status and funding progress:

a. The funded status of the plan as of the most recent valuation date
b. Disclosure of information about actuarial methods and assumptions used in the valuations on which the information reported about the ARC, annual OPEB cost, and the funded status and funding progress of OPEB plans is based. (More details regarding this information can be found in Statement 43.)

Required Supplementary Information

Following the notes, plans should present two schedules as required supplementary information. (See Illustration 4.) The *schedule of funding progress* shows historical trend information for the past three actuarial valuations about the funded status of the plan and efforts to accumulate sufficient resources to pay benefits when they come due. (This trend should cover a period as short as three fiscal years, if the valuation is conducted annually, or as long as nine years if the valuation is performed every three years.) The disclosure should include the actuarial valuation date, the actuarial value of plan assets, the actuarial accrued liability, the total unfunded actuarial accrued liability, the actuarial value of assets as a percentage of the actuarial accrued liability (funded ratio), the annual covered payroll, and the ratio of the unfunded actuarial accrued liability to annual covered payroll.

To help users understand whether government contributions are keeping pace with amounts required by the actuarial calculations, the *schedule of employer contributions* should present historical trend information comparing the ARC with actual employer contributions for the fiscal years covered by the three most recent actuarial valuations. This should include the dollar amount of the ARC applicable to each year and the percentage of that ARC that was recognized in the plan's statement of changes in plan net assets for each year as contributions from the employer(s).

WHEN SHOULD GOVERNMENTS IMPLEMENT THESE NEW STANDARDS?

The new standards should be implemented by *employers* in three phases based on a government's total annual revenues in the first fiscal year ending after June 15, 1999:

- Phase 1—governments with total annual revenues of $100 million or more—periods beginning after December 15, 2006
- Phase 2—governments with total annual revenues of $10 million or more, but less than $100 million—periods beginning after December 15, 2007
- Phase 3—governments with total annual revenues of less than $10 million—periods beginning after December 15, 2008.

The standards for OPEB plans are effective one year prior to the implementation date for the employer (in a single-employer plan) or for the largest participating employer in the plan (for multiple-employer plans).

WHAT IS THE GASB?

The GASB is the private, nonpartisan, nonprofit organization that works to create and improve the rules U.S. state and local governments follow when accounting for their finances and reporting them to the public. The GASB was founded in 1984 under the auspices of the Financial Accounting Foundation (the Foundation), which appoints the GASB's board, raises its funds, and oversees its activities. The Foundation also oversees the GASB's counterpart for the private companies and not-for-profit organizations, the Financial Accounting Standards Board.

The mission of the GASB is to establish and improve standards of state and local governmental accounting and financial reporting that will:

- Result in useful information for users of financial reports, and
- Guide and educate the public, including issuers, auditors, and users of those financial reports.

Although the GASB does not have the power to enforce compliance with the standards it promulgates, the authority for its standards is recognized under the Code of Professional Conduct of the American Institute of Certified Public Accountants (AICPA). The Code requires auditors to note any departures from GASB standards when they express an opinion on financial reports that are presented in conformity with generally accepted accounting principles. Also, legislation in many states requires compliance with GASB standards, and governments usually are expected to prepare financial statements in accordance with those standards when they issue bonds or notes or otherwise borrow from public credit markets.

The GASB is composed of a full-time chair and six part-time members drawn from various parts of the GASB's constituency—state and local government finance officers, auditors, the accounting profession, academia, and persons who use financial statement information. The GASB has a professional staff drawn from similar constituencies as the Board. The staff works directly with the Board and its task forces, conducts research, analyzes oral and written comments received from the public, and drafts documents for consideration by the Board.

HOW DOES THE GASB SET STANDARDS?

The GASB follows the set of "due process" activities enumerated in its published rules of procedure before issuing its standards. Due process is stringent and is designed to permit timely, thorough, and open study of financial accounting and reporting issues by the preparers, attestors, and users of

financial reports in order to encourage broad public participation in the standards-setting process.

For many issues it addresses, the GASB:

- Appoints an advisory task force of outside experts
- Studies existing literature on the subject and conducts or commissions additional research if necessary
- Publishes for public comment a discussion document setting forth the issues and possible solutions
- Conducts public hearings
- Broadly distributes an Exposure Draft of a proposed standard for public comment.

Significant steps in the process are announced publicly. The GASB's meetings are open to public observation and a public record is maintained. The GASB also is advised by the Governmental Accounting Standards Advisory Council, a 29-member group appointed by the Foundation and representing a wide range of the GASB's constituents.

Additional information about the GASB and its activities may be found at www.gasb.org.

Illustration 1—Notes to the Financial Statements for an Employer Contributing to a Single-Employer Defined Benefit Healthcare Plan

[Note: This example assumes that the plan is included as an other employee benefit trust fund in the employer's financial reporting entity. Only those disclosures required by Statement 45 are illustrated. In accordance with footnote 21 of Statement 45, the requirement to present a schedule of funding progress covering at least three actuarial valuations would be met by complying with paragraphs 31 through 35 of Statement 43. That schedule is not illustrated here. Information required by Statement 43 because the plan is reported as an other employee benefit trust fund would be shown in addition to the information illustrated below. If the plan was not included in the employer's financial reporting entity, the employer would be required to present a schedule of funding progress similar to that included in Illustration 2.]

State of Grande

Notes to the Financial Statements
for the Year Ended June 30, 20X2

Note X. Postemployment Healthcare Plan

Plan Description. State Retired Employees Healthcare Plan (SREHP) is a single-employer defined benefit healthcare plan administered by the Grande Retirement System. SREHP provides medical and dental insurance benefits to eligible retirees and their spouses. Article 37 of the Statutes of the State of Grande assigns the authority to establish and amend benefit provisions to the state legislature. The Grande Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for SREHP. That report may be obtained by writing to Grande Retirement System, State Government Lane, Latte, GR 01000, or by calling 1-800-555-PLAN.

Funding Policy. The contribution requirements of plan members and the state are established and may be amended by the state legislature. The required contribution is based on projected pay-as-you-go financing requirements, with an additional amount to prefund benefits as determined annually by the legislature. For fiscal year 20X2, the state contributed $357.7 million to the plan, including $190.7 million for current premiums (approximately 84 percent of total premiums) and an additional $167.0 million to prefund benefits. Plan members receiving benefits contributed $35.4 million, or approximately 16 percent of the total premiums, through their required contribution of $50 per month for retiree-only coverage and $105 for retiree and spouse coverage.

Annual OPEB Cost and Net OPEB Obligation. The state's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the *annual required contribution of the employer (ARC),* an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed

thirty years. The following table shows the components of the state's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the state's net OPEB obligation to SREHP (dollar amounts in thousands):

Annual required contribution	$577,180
Interest on net OPEB obligation	90,437
Adjustment to annual required contribution	(95,258)
Annual OPEB cost (expense)	572,359
Contributions made	(357,682)
Increase in net OPEB obligation	214,677
Net OPEB obligation—beginning of year	1,349,811
Net OPEB obligation—end of year	$1,564,488

The state's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 20X2 and the two preceding years were as follows (dollar amounts in thousands):

Fiscal Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
6/30/X0	$497,538	67.4%	$1,160,171
6/30/X1	538,668	64.8	1,349,811
6/30/X2	572,359	62.5	1,564,488

Funded Status and Funding Progress. As of December 31, 20X1, the most recent actuarial valuation date, the plan was 58.1 percent funded. The actuarial accrued liability for benefits was $8.8 billion, and the actuarial value of assets was $5.1 billion, resulting in an unfunded actuarial accrued liability (UAAL) of $3.7 billion. The covered payroll (annual payroll of active employees covered by the plan) was $2.2 billion, and the ratio of the UAAL to the covered payroll was 165 percent.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions. Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include

techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the December 31, 20X1, actuarial valuation, the entry age actuarial cost method was used. The actuarial assumptions included a 6.7 percent investment rate of return (net of administrative expenses), which is a blended rate of the expected long-term investment returns on plan assets and on the employer's own investments calculated based on the funded level of the plan at the valuation date, and an annual healthcare cost trend rate of 12 percent initially, reduced by decrements to an ultimate rate of 5 percent after ten years. Both rates included a 4.5 percent inflation assumption. The actuarial value of assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period. The UAAL is being amortized as a level percentage of projected payroll on an open basis. The remaining amortization period at December 31, 20X1, was seventeen years.

Illustration 2—Notes to the Financial Statements and Schedule of Funding Progress for an Employer Contributing to an Agent Multiple-Employer Defined Benefit Healthcare Plan

City of Mocha

Notes to the Financial Statements
for the Year Ended June 30, 20X2

Note X. Postemployment Healthcare Plan

Plan Description. The city's defined benefit postemployment healthcare plan, Mocha Postemployment Healthcare Plan (MPHP), provides medical benefits to eligible retired city employees and their beneficiaries. MPHP is affiliated with the Municipal Retired Employees Health Plan (MREHP), an agent multiple-employer postemployment healthcare plan administered by the Robusta Retirement System. Article 39 of the Statutes of the State of Robusta assigns the authority to establish and amend the benefit provisions of the plans that participate in MREHP to the respective employer entities; for MPHP, that authority rests with the city of Mocha. The Robusta Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for MREHP. That report may be obtained by writing to Robusta Retirement System, 399 Grocer Aisle, Caffe, RO 02000, or by calling 1-877-555-PLAN.

Funding Policy. The contribution requirements of plan members and the city are established and may be amended by the MREHP board of trustees. MPHP members receiving benefits contribute $75 per month for retiree-only coverage and $150 per month for retiree and spouse coverage to age 65, and $40 and $80 per month, respectively, thereafter.

The city of Mocha is required to contribute the *annual required contribution of the employer (ARC),* an amount actuarially determined in accordance with the parameters of

GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The current ARC rate is 13.75 percent of annual covered payroll.

Annual OPEB Cost. For 20X2, the city's annual OPEB cost (expense) of $870,517 for MPHP was equal to the ARC. The city's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 20X2 and the two preceding years were as follows:

Fiscal Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
6/30/X0	$929,401	100%	$0
6/30/X1	910,042	100	0
6/30/X2	870,517	100	0

Funded Status and Funding Progress. The funded status of the plan as of December 31, 20X1, was as follows:

Actuarial accrued liability (AAL)	$19,490,482
Actuarial value of plan assets	15,107,180
Unfunded actuarial accrued liability (UAAL)	$ 4,383,302
Funded ratio (actuarial value of plan assets/AAL)	77.5%
Covered payroll (active plan members)	$6,331,031
UAAL as a percentage of covered payroll	69.2%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions. Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the December 31, 20X1, actuarial valuation, the entry age actuarial cost method was used. The actuarial assumptions included a 7.5 percent investment rate of return (net

of administrative expenses) and an annual healthcare cost trend rate of 12 percent initially, reduced by decrements to an ultimate rate of 5 percent after ten years. Both rates include a 4.5 percent inflation assumption. The actuarial value of MPHP assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a three-year period. MPHP's unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. The remaining amortization period at December 31, 20X1, was twenty-two years.

REQUIRED SUPPLEMENTARY INFORMATION
Schedule of Funding Progress for MPHP

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL)—Entry Age (b)	Unfunded AAL (UAAL) (b – a)	Funded Ratio (a / b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b – a) / c)
12/31/W9	$10,138,007	$16,867,561	$6,729,554	60.1%	$5,984,554	112.4%

Illustration 3—Notes to the Financial Statements for an Employer Contributing to a Cost-Sharing Multiple-Employer Defined Benefit Healthcare Plan

Brewer State University

Notes to the Financial Statements
for the Year Ended June 30, 20X2

Note X. University Retiree Health Plan

Plan Description. Brewer State University contributes to the State University Retiree Health Plan (SURHP), a cost-sharing multiple-employer defined benefit postemployment healthcare plan administered by the Grande Retirement System. SURHP provides medical benefits to retired employees of participating universities. Article 38 of the Statutes of the State of Grande assigns the authority to establish and amend benefit provisions to the SURHP board of trustees. The Grande Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for SURHP. That report may be obtained by writing to

Grande Retirement System, State Government Lane, Latte, GR 01000, or by calling 1-800-555-PLAN.

Funding Policy. Article 38 provides that contribution requirements of the plan members and the participating employers are established and may be amended by the SURHP board of trustees. Plan members or beneficiaries receiving benefits contribute $65 per month for retiree-only coverage and $135 for retiree and spouse coverage to age 65, and $35 and $75 per month, respectively, thereafter.

Participating universities are contractually required to contribute at a rate assessed each year by SURHP, currently 8.75 percent of annual covered payroll. The SURHP board of trustees sets the employer contribution rate based on the *annual required contribution of the employers (ARC),* an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed thirty years. The university's contributions to SURHP for the years ended June 30, 20X2, 20X1, and 20X0, were $58,717, $49,886, and $47,375, respectively, which equaled the required contributions each year.

Grande Retirement System

Notes to the Financial Statements
for the Fiscal Year Ended June 30, 20X2

The Grande Retirement System (GRS) administers two defined benefit postemployment healthcare plans—State Retired Employees Healthcare Plan (SREHP) and State University Retiree Health Plan (SURHP). Although the assets of the plans are commingled for investment purposes, each plan's assets may be used only for the payment of benefits to the members of that plan, in accordance with the terms of the plan.

A. Summary of Significant Accounting Policies

Basis of Accounting. GRS's financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions to each plan are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of each plan.

Method Used to Value Investments. Investments are reported at fair value, which for SREHP and SURHP is determined by the mean of the most recent bid and asked prices as obtained from dealers that make markets in such securities. Securities for which market quotations are not readily available are valued at their fair value as determined in good faith by the custodian under the direction of the GRS board of trustees. A valuation service may be engaged to assist in the determination of fair value.

B. Plan Descriptions and Contribution Information

Membership of each plan consisted of the following at December 31, 20X1, the date of the latest actuarial valuation:

	SREHP	SURHP
Retirees and beneficiaries receiving benefits	31,642	4,876
Terminated plan members entitled to but not yet receiving benefits	743	2,289
Active plan members	50,601	8,861
Total	82,986	16,026
Number of participating employers	1	15

State Retired Employees Healthcare Plan

Plan Description. SREHP is a single-employer defined benefit postemployment healthcare plan that covers retired employees of the state including all departments and agencies. SREHP provides health and dental insurance benefits to eligible retirees and their spouses. Article 37 of the Statutes of the State of Grande assigns the authority to establish and amend the benefit provisions of the plan to the state legislature.

Contributions. Article 37 also assigns to the state legislature the authority to establish and amend contribution requirements of the plan members and the state. Retired plan members and beneficiaries currently receiving benefits are required to contribute specified amounts monthly toward the cost of health insurance premiums. For the year ended June 30, 20X2, plan members contributed $35.4 million, or approximately 16 percent of total premiums, through their required contributions of $50 per month for retiree-only coverage and $105 per month for retiree and spouse coverage. The state is required to contribute the balance of the current premium cost ($190.7 million, or about 84 percent of total premiums for 20X2) and may contribute an additional amount to prefund benefits as determined annually by the legislature ($167.0 million for 20X2). Administrative costs of SREHP are financed through investment earnings.

State University Retiree Health Plan

Plan Description. SURHP is a cost-sharing multiple-employer defined benefit postemployment healthcare plan that covers retired employees of participating universities. SURHP provides medical benefits to plan members. Article 38 of the Statutes of the State of Grande assigns the authority to establish and amend benefit provisions to the SURHP board of trustees.

Contributions. Article 38 also assigns to the SURHP board of trustees the authority to establish and amend contribution requirements of the plan members and the participating employers. For the year ended June 30, 20X2, plan members or beneficiaries receiving benefits contributed $4.5 million, or approximately 18 percent of total premiums, through their required contributions of $65 per month for retiree-only coverage and $135 for retiree and spouse coverage to age 65, and $35 and $75 per month, respectively, thereafter. Participating universities were required to contribute at a rate equivalent to the annually required contribution of the employers (ARC) (8.75 percent of covered payroll, or $33.6 million). Administrative costs of SURHP are financed through investment earnings.

Long-Term Receivables. In addition to actuarially determined contributions, certain employers also make semiannual installment payments, including interest at 7.5 percent per year, for the cost of service credit granted retroactively to employees when the employers initially joined SURHP. As of June 30, 20X2, the outstanding balance was $4.1 million. These payments are due over various time periods not exceeding five years at June 30, 20X2.

C. Funded Status and Funding Progress—OPEB Plans

The funded status of each plan as of the most recent actuarial valuation date is as follows (dollar amounts in thousands):

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL)—Entry Age (b)	Unfunded AAL (UAAL) (b – a)	Funded Ratio (a / b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b – a) / c)
SREHP						
12/31/X1	$5,131,017	$8,833,219	$3,702,202	58.1%	$2,243,759	165.0%
SURHP						
12/31/X1	1,301,663	1,575,136	273,473	82.6	371,168	73.7

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Actuarially determined amounts are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedules of funding progress, presented as required supplementary information following the notes to the financial statements, present multiyear trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

The accompanying schedules of employer contributions present trend information about the amounts contributed to the plan by employers in comparison to the ARC, an amount that is actuarially determined in accordance with the parameters of GASB Statement 43. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost for each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. Additional information as of the latest actuarial valuation follows:

	SREHP	SURHP
Valuation date	12/31/X1	12/31/X1
Actuarial cost method	Entry age	Entry age
Amortization method	Level percentage of pay, open	Level percentage of pay, open
Remaining amortization period	17 years	15 years
Asset valuation method	5-year smoothed market	5-year smoothed market
Actuarial assumptions:		
Investment rate of return*	6.7%†	7.5%
Healthcare cost trend rate*	12% initial 5% ultimate	12% initial 5% ultimate

*Includes an inflation assumption of 4.5%.

†Determined as a blended rate of the expected long-term investment returns on plan assets and on the state's investments, based on the funded level of the plan at the valuation date.

The 2014 Florida Statutes

Title X	Chapter 112	View Entire Chapter
PUBLIC OFFICERS, EMPLOYEES, AND RECORDS	PUBLIC OFFICERS AND EMPLOYEES: GENERAL PROVISIONS	

112.0801 Group insurance; participation by retired employees.—

(1) Any state agency, county, municipality, special district, community college, or district school board that provides life, health, accident, hospitalization, or annuity insurance, or all of any kinds of such insurance, for its officers and employees and their dependents upon a group insurance plan or self-insurance plan shall allow all former personnel who retired before October 1, 1987, as well as those who retire on or after such date, and their eligible dependents, the option of continuing to participate in the group insurance plan or self-insurance plan. Retirees and their eligible dependents shall be offered the same health and hospitalization insurance coverage as is offered to active employees at a premium cost of no more than the premium cost applicable to active employees. For retired employees and their eligible dependents, the cost of continued participation may be paid by the employer or by the retired employees. To determine health and hospitalization plan costs, the employer shall commingle the claims experience of the retiree group with the claims experience of the active employees; and, for other types of coverage, the employer may commingle the claims experience of the retiree group with the claims experience of active employees. Retirees covered under Medicare may be experience-rated separately from the retirees not covered by Medicare and from active employees if the total premium does not exceed that of the active group and coverage is basically the same as for the active group.

(2) For purposes of this section, “retiree” means any officer or employee who retires under a state retirement system or a state optional annuity or retirement program or is placed on disability retirement and who begins receiving retirement benefits immediately after retirement from employment. In addition to these requirements, any officer or employee who retires under the Florida Retirement System Investment Plan established under part II of chapter 121 is considered a “retired officer or employee” or “retiree” as used in this section if he or she:

(a) Meets the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29); or

(b) Has attained the age specified by s. 72(t)(2)(A)(i) of the Internal Revenue Code and has the years of service required for vesting as set forth in s. 121.021(45).

History.—s. 2, ch. 76-151; s. 1, ch. 79-88; s. 1, ch. 80-304; s. 5, ch. 81-103; s. 1, ch. 83-294; s. 1, ch. 87-373; s. 1, ch. 2007-92; s. 1, ch. 2007-100; s. 2, ch. 2011-68.

Agenda Item No. H-3.

Document Date:	5/1/2015	**Amount: $ 6,187.50**
Department:	Finance Department	Account #: Revenue
Subject:	Summer Feeding Program rental fee waiver request Flagler County School District	
Attachments: *Please number items as they will appear on the agenda.*	1. Facility Reservation Application 2. Flagler School District letter & e-mails describing the Summer Food program	
Agenda Section:	H. New Business	

Summary/Highlights: Rental Fee waiver request for the Versie Lee Mitchell Community Center for 6/5/2015 through 8/21/2015 from 8:15am until 12:45pm Monday through Friday.

Background: The Summer Food Service Program is an extension of the National School Lunch Program. The School District operates at the Bunnell Elementary school for the entire summer. However, the Bunnell Elementary school is 1.24 miles from the VLMCC. Moody Blvd. is heavily traveled and it is not safe for the students to cross several times a day for a meal. The area in which the VLMCC is located has shown great need for nutritional meals. The meals are no cost to the students in the community. The meals will be hot. All of the meal programs are considered federal grant programs to purchase the food, pay staff and maintain equipment and facilities. Due to the limited grant funds, the School District asks their community partners for assistance for building usage to feed children during the summer months.

Staff Recommendation: Staff recommends approving with a reduced fee amount of $300 to assist with increased utility cost during the requested period.

City Attorney Review:

Finance Department Review/Recommendation: The FPL and water/sewer utility billing during the requested period increased approximately $100 a month over the average billing. Recommend approval of reduced fee of $300 to offset these cost.

City of Bunnell Facility Rental Policies and Procedures

General

The City of Bunnell offers four (4) facilities for rental.

Bunnell City Hall - The 3,500 (approx.) square foot Bunnell City Hall, located at 200 S. Church St., can accommodate small to large groups. The room's versatility meets the needs of social events and business conferences as well as banquets. Bunnell City Hall has a 250 person maximum capacity.

City Hall, otherwise known as the "Civic Center" was built in 1936-37 with Work Progress Administration (WPA) grant funding. Superintendent Z.D. Holland and foreman John Swain enlisted men from the community during the Depression. The stone foundation is constructed entirely of coquina, which was quarried between Bunnell and Flagler Beach. The workers cut the coquina with hatchets to produce the flat-faced smooth walls. The lintel or stonework, over the doors and windows were cut into wedges to support the arches. A heart shape stone was perfected by careful hands and may still be seen today in the hall. Beautiful Lake Lucille, located in front of City Hall, was once a cypress mud hole. Workers shoveled mud out of the hole into wheelbarrows, then used it to level the four blocks behind City Hall. The "Civic Center" serves many functions now and in the past: Cabbage Balls, School Dances, Meeting Hall, Commission Chambers, Wedding Hall, and many, many more. (www.bunnellcity.us)

Versie Lee Mitchell Community Center - The 1,700 (approx.) square foot Versie Lee Mitchell Community Center, located at 405 E. Drain St., can accommodate intimate gatherings and small business functions. The VLMCC has a 70 person maximum capacity.

The VLMCC was built in 1995 and was recently renamed in honor of Versie Lee Mitchell, a fallen soldier from Bunnell, who had enlisted at Camp Blanding on March 27, 1943 and who died for his country in Burma on January 19, 1944.

Edward Johnson City Park - EJCP is a large park facility located at 401 E. Court St. that houses a baseball field, volleyball court, basketball court, tennis court, soccer/football field, children's play equipment and a covered pavilion equipped with picnic tables and BBQ pit. Park hours are sunrise to sunset. This park is equipped with stadium lighting and may be used by community recreational teams with prior approval by the Bunnell City Commission.

Joanne B. King Park – JBKP is a large park facility located at 300 Citrus St. that houses a basketball court, tennis court, 2 multi-purpose fields, 2 baseball fields, children's play equipment, adult exercise equipment and 2 covered pavilions with picnic tables. Park hours are sunrise to sunset.

User Responsibilities

The applicant reserving the facility must remain on the premises throughout the period for which it is reserved or until the event ends. Facilities must be restored to their original clean condition. Users of the City facilities agree to pay for any damages to City property.

The following are prohibited:

- Drugs and the use of tobacco products.
- Disruptive behavior.
- Weapons
- The use of any equipment that interferes with City operations or which creates any losses or liabilities for the City.
- Organizations or individuals gathering petition signatures may not block the public right-of-way, interfere with the conduct of business, or create litter problems.
- Sale of alcohol
- Admission fees (except for preauthorized fundraisers)

Reservations

To reserve a facility, a fully completed and signed Facility Reservation Form must be submitted for approval at least two weeks (14 calendar days) in advance of the event. Facilities may be reserved during regular business hours (8:00 a.m. to 5:00 p.m.).

Facility reservations requested by not-for-profit organizations must include a copy of the 501(c) 3 certificate. The certificate copy will be kept on file in the Finance Department.

Facilities must be booked in person at 1769 E. Moody Blvd., Bldg. 2, Suite 104. Facilities may be reserved up to one (1) year in advance. A facility will not be booked until the deposit has been paid in full. Any additional fees must be paid in full before the event date, otherwise the event will be cancelled by the City. Use of facilities is limited to the type of meeting or activity stated on the application.

Facilities are made available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use. Allowing a group to meet in City facilities does not constitute the City's endorsement of the group's policies, beliefs or practices. Advertisements or announcements by any group implying such endorsement are not permitted. Some restrictions regarding time, place, and manner of presentation may apply.

A final guaranteed number of guests and security arrangements (if necessary) with the Bunnell Police Department must be completed by noon **three business days** (72 hours) prior to the event date. If no guarantee is received, the City will prepare and charge for the number of guests specified on the original reservation.

Spaces and Fees

The following spaces are available for rental.

Bunnell City Hall – 250 person maximum capacity
Versie Lee Mitchell Community Center – 70 person maximum capacity
Edward Johnson City Park
Joanne B. King Park

These numbers are based on fire codes and no exceptions will be made.

Fee Schedule *Effective 3/15/11*	Rental Rates for Category 1	Rental Rates for Category 2	For Profit Rates**
Deposit – City Hall, VLMCC Deposit – EJ City Park or JB King City Park (Refundable based upon cleanliness and damage inspection)	$150 – includes $25.00 non-refundable fee $75 – includes $25.00 non-refundable fee	$175 – includes $25.00 non-refundable fee $75 – includes $25.00 non-refundable fee	$200 – includes $25.00 non-refundable fee $75 – includes $25.00 non-refundable fee
Bunnell City Hall	$25/hr – 2 hr minimum $350/day	$35/hr – 2 hr minimum $475/day	$40/hr – 2 hr minimum $550/day
V.L.M.C.C.	$25/hr – 2 hr minimum $350/day	$35/hr – 2 hr minimum $475/day	$40/hr – 2 hr minimum $550/day

Category 1 – City of Bunnell residents, local civic groups, political parties, religious or charitable organizations, local teams or organizations not sponsored or governed by the City of Bunnell and any other groups or individual not covered under Category 2 or 3.

Category 2- All non-residents of the City of Bunnell – individuals and/or groups.

Category 3- Departmental recreation activities, community programs and government activities directly or indirectly sponsored by the City of Bunnell. (NO FEES ASSOCIATED WITH THIS CATEGORY)

**Long term rental contracts will be negotiated by the City Manager and approved by the City Commission.*

*** For Profit rentals are limited to non-profit fund raising events only. Insurance documents and a 501(c) 3 certificate must be provided before rental is approved.*

Fees are based on a minimum of two hours and shall be subject to change.
Should any unpaid portion of this account be placed for collection with an outside agency or attorney, the undersigned agrees to be responsible for all costs related to collection.

Insurance

The Lessee shall procure and retain commercial general liability insurance in an amount of not less than $1,000,000 per occurrence for bodily injury and property damage and shall name the City of Bunnell as certificate holder and shall provide a copy of the same to the Lessor prior to the utilization of the before-described premises. The requirement of insurance shall be within the sole discretion of the City.

Operating Hours

Facilities are available for use Sunday through Saturday from 7 a.m. to midnight. When planning an event, please take these hours into consideration when arranging the set-up and clean up of the event. Lessees must return the room to its original condition and then vacate the facility by the time noted on the rental application.

Right to Cancel

Either party may cancel this Agreement, within 3 days (72 hours) of the event and with written notice to the other, without liability as a result of acts of God, over which neither party has control, government regulation, terrorism, disaster, strikes, civil disorders, or any other factors over which neither party has control, making it impossible or illegal to conduct the program consistent with those conditions that existed at the time the contract was entered into. The parties may, however, agree to go forward on such terms and conditions that may be re-negotiated. With proper written notice, any advance deposit(s) made shall be refunded in full to the party who made the deposit.

Refund of Security Deposit/Cancellation Fees

Deposits are refunded after City personnel inspect the facility. Deposit refunds take 2-4 weeks to be processed.

If this event is cancelled less than 48 hours prior to the date of the event, the undersigned lessee agrees to forfeit fifty percent (50%) of the deposit. If this event is cancelled without notification, the undersigned lessee agrees to forfeit one hundred percent (100%) of the deposit.

Room Configuration

A limited amount of tables and chairs are available for your event needs. The lessee will be responsible for any additional seating requirements.

***Under no circumstance is furniture or equipment to leave the premises of facilities*.**

Food and Beverage

No alcoholic beverages are allowed in the EJ City Park or JB King City Park or outside of City Hall or VLM Community Center. If violation of the City's alcohol ordinance or Florida state law is found, the event will immediately be closed and participants will be asked to leave and will be subject to full cancellation fees.

Food and beverage may be served in the facilities, provided proper care is given to clean-up after the event.

All food and beverage should be consumed inside the facilities, and trash placed in the appropriate receptacles.

Kitchen Usage

Kitchen facilities are available with the City Hall and VLM Community Center rental. The kitchens include a warming oven, a refrigerator, a microwave, a sink and spacious counters for the caterer of your choice. These are not full service kitchens.

Cleaning

All rentals must be returned to the condition in which it was when you entered. The floors are to be swept before you leave following the event. **Do not wet mop the floors.** The bathrooms and kitchen are to be cleaned and wiped down. Please make sure that you turn all equipment completely off before you exit the premises. You are responsible for the disposal of all trash. No trash is to be left behind; dumpsters are located at each facility.

All lights must be turned off with the exception of the middle ceiling lights at City Hall. Secure all doors and windows upon leaving.

Parking

The City assumes no responsibility for lost or stolen items or damage to vehicles in the City Hall, VLM Community Center, EJ City Park or JB King Park parking lot.

Security/Emergency Personnel

The Lessee is responsible for providing off duty officers for any event when the attendance is above 150 persons or whenever deemed necessary by the City of Bunnell. Each event, regardless of size of attendance, is to be reviewed and approved by the Bunnell Police Department, Bunnell Fire Department, Bunnell Public Works Department and Bunnell Community Development in advance to determine if additional emergency personnel are required.

Publicity

Each group is responsible for its own publicity. Any printed publicity must include the statement: "This event is not sponsored by the City of Bunnell." Publicity is not to include the City's telephone number, nor may the City's name and address be used as a mailing address.

Signage and Decorations

Unauthorized signs will be removed without notice.

Materials may not be attached to walls, windows, doors or furnishings.

No open flames, masking or duct tape, glitter, confetti, silly string, etc. may be used in the facilities. Flameless votive candles will be allowed.

Indemnification

Lessee shall indemnify and hold harmless the City of Bunnell and its elected officials, directors, agents and employees from and against all losses, damages, claims, costs and expenses arising from injury or death of any person(s), or damage to property resulting from any act or omission of Lessee or its employees, agents, representatives, guests, invitees, or the general public to the extent that such losses, damages, claims, costs and expenses arise in connection with or relate to this Contract and Lessee's use of the Premises.

Lessee shall indemnify and hold harmless the City of Bunnell if the facility is deemed unsafe and unusable due to an act of nature or war.

The City of Bunnell will not assume or accept any responsibility for damage to or loss of any merchandise or articles brought onto the premises prior to, during or following the Lessee's event.

Damages

The Lessee is liable for all damages, expense, and loss, including theft and property loss, caused by any person who attends, participates in, or provides goods and services connected with the Lessee's use of the facility and all tangible property. Repair or replacement costs due to damage of City of Bunnell facilities, furnishings and equipment will be charged to the event sponsor. The cost of damages assessed by the City of Bunnell will be based on the replacement value.

Revocation and Refusal of Authorization for Use

Each renter understands that authorized City personnel may enter the facility at any time during the scheduled event for periodic checks of the facility. The privilege of using a City of Bunnell facility will be revoked and all persons being removed from the property and forfeiture of entire deposit will be made if the activities of the facility users negatively impact in the

following ways:

- The event is conducted in a noisy, disorderly or inflammatory manner.
- The size of the meeting presents personal safety or building security issues, or creates an undue parking demand on the surrounding neighborhood.
- The facility users neglect to pay all required fees, or neglect to pay for damage to the facility.
- The facility users neglect to leave the room in the condition in which it was found.
- There is any violation of City policy.
- A lessee fails to show for a scheduled rental without prior notification.

The City of Bunnell reserves the right to decline lessees the use of City facilities based on prior rental history violations.

Priorities

Priority will be given to: City of Bunnell sponsored events; Flagler County sponsored events; groups that are City of Bunnell based. All other groups will be given consideration on a first-come/first-served basis. The City of Bunnell reserves the right to preempt any event for a City-sponsored event. In such rare instances, the City will make every reasonable effort to give ample notice and to assist the group in reserving another date or City Hall facility. If that is not possible, there will be a full refund of any advanced deposit.

The City of Bunnell reserves the right to assign alternate meeting space for the lessee's function should the original facility designated be unavailable or inappropriate, based on the lessee's final guaranteed number of guests.

The City reviews this policy annually and reserves the right to change it anytime.

2014 Employee of the Year

March 11, 2015

Dear Patty Larkin,

The Flagler County School District is once again sponsoring the Summer Food Service Program during the upcoming summer. It's our hope the City of Bunnell will once again allow us to utilize the Versie Lee Mitchell Community Center. Historically, our program was provided at Carver Gym. The last couple of years, due to programming changes, this option has not been available. We requested and were granted the use of the Versie Lee Mitchell Community Center in order to continue to serve the children of Bunnell in close proximity to Carver Gym. The program currently provides breakfast and lunch for nearly 50 children, every day, all summer long.

The Summer Food Service Program is scheduled to begin on June 5, 2015 and end on August 21, 2015. The program will run Monday through Friday with the exception of July 3, 2015; there will be no meals offered that day. Breakfast will be served from 8:30 a.m.-9:00 a.m. and lunch will be offered from 11:30 a.m. – 12:15 p.m. Just like last year, Amy Holstein is the administrator who will oversee the entire program. She may be reached, by phone, at 386-437-7526 x1305 or by e-mail at holsteina@flaglerschools.com.

I thank you for your time and consideration. If permission is granted for us to utilize Versie Lee Mitchell Community Center, we will treat the facility with the same care and respect that we treat our own facilities. Please feel free to contact me, should you have any further questions or concerns.

Sincerely,

Angela L. Torres, S.N.S.

Subject: Re: Summer Food Program Facility request

Thank you for getting back to me concerning the Summer Feeding Program. This is not a grant this program is funded 100% from The Department of Agriculture and Consumer Services. It is an extension of the National School Lunch Program. Yes, we are operating at Bunnell Elementary the entire summer. Bunnell Elementary is 1.24 miles from the VLMCC. However, Moody Blvd. is heavily traveled and it is not safe for the students to cross several times a day for a meal. The area in which the VLMCC is located has shown great need for nutritional meals. The meals are no cost to the students in the community. The meals will be hot. We will make sure the building is left clean and secure. Please contact me with any further questions. I hope this is a better understanding for the communities needs!

If so, can I have a copy of the grant? Also the request letter mentioned that in the past the Carver center was used, but due to programing conflicts it could not be used. Are other school facilities available for use (like Bunnell Elementary)?

Subject: Versie Lee Mitchell Community Center

Good Morning, Ms. Gurnee.

Amy Holstein forwarded me an e-mail regarding questions you have about our request to utilize the Versie Lee Mitchell Community Center for our Summer Food Service Program.

All of our meal programs are considered federal grant programs, however, they are not grants as most people traditionally thing of them. All school districts who apply according to guidelines "receive the grant". It is not a fixed sum of money. It is a reimbursement program and it's much like running a business. A student has to participate (i.e. get a meal from us), we have to document and prove the student got that meal and that it met federal regulations and only after that do we receive funding. It's usually almost one month after the meal is served that we receive the monies. To give you an idea, we receive approximately $3.00 for each lunch we serve in the summer months. We receive much less for a breakfast or a snack. With that $3.00, we have to purchase the food, pay our staff and maintain our equipment and facilities. In addition, that $3.00 has to cover gasoline and van maintenance for the fleet that delivers the meals. As a department, if we do not run efficiently, the school district would be forced to use classroom money to supplement our operations and our programs. That has never happened and we work hard to make sure it doesn't. That is one of the reasons we look to our community partners for assistance for things such as building usage to feed children during the summer months.

That being said, your question was, "Does the National School Lunch Program provide operating funding for facilities?" The answer is yes. Per federal regulations, you could charge the district and we could legally utilize our federal funds for use of VLMCC.

I sincerely thank you for your time and consideration. Please don't hesitate to contact me if you need further information or clarification.
