

**CHARLIE CRIST**  
GOVERNOR

June 11, 2010

Interim Secretary Dawn Roberts  
Department of State  
R.A. Gray Building  
500 South Bronough Street  
Tallahassee, FL 32399

Dear Interim Secretary Roberts:

By the authority vested in me as Governor of the State of Florida, under the provisions of Article III, Section 8 of the Constitution of Florida, I do hereby withhold my approval of and transmit to you my objections to, Committee Substitute for Committee Substitute for Committee Substitute for House Bill 1143, enacted during the 112th Session of the Legislature of Florida, since statehood in 1845, during the Regular Session of 2010 and entitled:

An act relating to health care. . .

This bill places an inappropriate burden on women seeking to terminate a pregnancy. Individuals hold strong personal views on the issue of life, as do I. However, personal views should not result in laws that unwisely expand the role of government and coerce people to obtain medical tests or procedures that are not medically necessary. In this case, such action would violate a woman's right to privacy.

There are many medical or fiscal barriers that could be placed upon a woman in order to prevent her from following through on her constitutionally protected decision to end a pregnancy. However, such measures do not change hearts, which is the only true and effective way to ensure that a new life coming into the world is loved, cherished, and receives the care that is deserved.

For the reasons stated above, I am hereby withholding my approval of Committee Substitute for Committee Substitute for Committee Substitute for House Bill 1143 and do hereby veto the same.

Sincerely,

Charlie Crist
