RE: Narrative

To whom it may concern:

We are proposing a +/- 5,636 square foot convenience store with gas station and associated parking, signage, trash enclosure and landscaping. Underground improvements include utilities, fuel storage tanks, re-use water and drainage facilities. This will all be in accordance with the City of Palm Coast Land Development Code, along with the associated site work.

If you have any questions or concerns, please do not hesitate to contact me at our Tampa office at (813).687.4923.
