The Board finds that school uniforms are necessary for the safety and welfare of students and school personnel. Uniforms promote an environment that enhances learning and safety; encourages you to express your individuality through personality and achievements, not outward appearances; and creates a sense of pride and belonging. All staff members are required to enforce the dress code. The administration/designee will be the final judge about whether a student's clothing meets requirements of policy. We rely on the good taste and judgment of the students and the responsibility of the parents to advise their children of the appropriate dress in accordance with the Flagler Public School Dress Code Policy. Students are required to wear a school uniform at all times while attending school or any school-sponsored activity during the school day.
