Attachments: FORM Late Denial Rqst Less than 180.doc

Good Morning Mr. Bexley,

I have received the attachment and will forward the withhold request to our local Magistrate, however, due to the delinquency a \$23.00 late fee is due and a late denial request form (see attached) must be received. The late denial request does not require Mr. Mullins to attend a hearing, the letter he submitted will be sufficient as a plea. The requested form and fee must be received in this office by March 3, 2016 to stop the suspension process that will go into effect on March 6, 2017.

Please email or call me directly if you have any questions or forward my contact information to Mr. Mullins and I will be happy to assist him.

Thank you and have a great day,
Michelle

Subject: request for Nolle Pros

Good morning Michelle,

I have a constituent that has requested my help.

He received a UTC in St. John's County and has written a letter to the hearing officer/judge requesting no points be assessed. He is beyond the 30 days, but has not been suspended. Will you please submit this letter to the court asap in the hopes this issue can be addressed before a suspension? Of course he is more than willing to pay in full.

Please give me a heads up when the hearing officer has rendered his/her decision.

Thanks in advance!

Best wishes,

Tom Bexley

Re: UTC A740WME

Your Honor:

I received a traffic citation on December 31st for speeding on A1A in St. Johns County. I deeply regret this indiscretion and humbly request that you withhold adjudication so points are not assessed on my driver license.

I am more than willing to pay the amount of the traffic citation and whatever court cost are incurred

Sincerely,

Joseph Farrell Mullins
