Technology Liability Fee

Flagler County Public Schools will require an Annual Liability Fee for device use. Coverage will be from date of issuance until the last day of school. This fee will not be prorated if a child enrolls or withdraws during the school year.

Students will be issued a mobile device at the beginning of each school year and will return it at the end of each school year or when a student withdraws. Each summer, the district will collect all student devices to inventory, reload, update and clean up. The student will then be issued the same device at the beginning of the following school year.

I understand that I am expected to take all reasonable care to protect the equipment from loss or damage and agree to the terms of the Digital Learning Movement Handbook. In the event the equipment is lost, damaged, destroyed or stolen I understand that I shall be liable to Flagler County Public Schools for the required copay. See the Digital Learning Movement Handbook.

Annual Fee	Copay per Incident
$50.00	$100 / $150

I agree to return the equipment to the district in the same condition as it was received.
