**Florida's December Employment Figures Released**  
[www.employflorida.com](http://www.employflorida.com)

**TALLAHASSEE** – Florida's seasonally adjusted unemployment rate was 8.0 percent in December 2012, the lowest since November 2008 when it was 7.8 percent. There were 749,000 jobless Floridians out of a labor force of 9,347,000. The December rate was down 0.1 percentage point from the November rate of 8.1 percent and was 1.9 percentage points lower than the year-ago rate of 9.9 percent. The U.S. unemployment rate was 7.8 percent in December.

Florida's seasonally adjusted total nonagricultural employment was 7,388,100 in December 2012, a decrease of 15,300 jobs (-0.2 percent) over the month but over the year jobs were up 54,900, an increase of 0.7 percent. Nationally, the number of jobs was up 1.4 percent over the year.

## Florida's Nonagricultural Employment by Industry (Seasonally Adjusted)

- The number of jobs in Florida was 7,388,100 in December 2012, up 54,900 jobs compared to a year ago. December was the 29th consecutive month with positive annual job growth after the state lost jobs for three years. The industry gaining the most jobs was leisure and hospitality (+29,900 jobs, +3.1 percent).
- Other industries gaining jobs included trade, transportation, and utilities (+22,200 jobs, +1.5 percent); professional and business services (+18,100, +1.7 percent); private education and health services (+13,200 jobs, +1.2 percent); and manufacturing (+1,500 jobs, +0.5 percent).
- These industry job gains were partially due to increases in food services and drinking places; food and beverage stores; employment services; ambulatory health care services; and transportation equipment manufacturing.
- Industries losing jobs over the year included total government (-10,600 jobs, -1.0 percent), construction (-6,800 jobs, -2.1 percent), other services (-4,600 jobs, -1.5 percent), information (-4,000 jobs, -3.0 percent), and financial activities (-4,000 jobs, -0.8 percent).
- These industry job losses were partially due to declines in local government; heavy and civil engineering construction; automotive repair and maintenance; telecommunications; and insurance carriers and related activities.

## Local Area Unemployment Statistics (Not Seasonally Adjusted)

- In December 2012, Monroe County (4.5 percent) had the state's lowest unemployment rate, followed by Walton County (5.7 percent), Okaloosa County (5.8 percent), and Alachua County (6.1 percent). Many of the counties with the lowest unemployment rates were those with relatively high proportions of government employment.
- Flagler County had the highest unemployment rate (11.2 percent) in Florida in December 2012, followed by Putnam County (10.1 percent), St. Lucie County (10.0 percent), and Hendry and Madison counties (9.9 percent each). There were 3 Florida counties with double-digit unemployment rates in December, down from 6 in November.

## Area Nonagricultural Employment (Not Seasonally Adjusted)

- Twelve metro areas of the 22 in the state had over-the-year job gains in December 2012. The areas with the largest gains were Tampa-St. Petersburg-Clearwater (+21,000 jobs, +1.8 percent), Orlando-Kissimmee-Sanford (+18,900 jobs, +1.8 percent), and Jacksonville (+5,300 jobs, +0.9 percent).
- Of the metro areas with job declines, the largest losses were in Miami-Miami Beach-Kendall (-3,700 jobs, -0.4 percent), Crestview-Ft. Walton Beach-Destin (-1,700 jobs, -2.1 percent), and Deltona-Daytona Beach-Ormond Beach (-1,200 jobs, -0.8 percent).

**Note:** These unemployment and job growth rates are estimates, which are primarily based on surveys created and mandated by the U.S. Bureau of Labor Statistics in cooperation with the Florida Department of Economic Opportunity.

The unemployment rate is derived from Florida household surveys conducted by the U.S. Census Bureau under contract with the U.S. Bureau of Labor Statistics. The job growth rate is derived from Florida employer surveys conducted by the U.S. Bureau of Labor Statistics.

Both estimates are revised on a monthly basis. In addition, these estimates are benchmarked (revised) annually based on actual counts from Florida's Reemployment Assistance tax records and other data.

Procedures mandated by the U.S. Bureau of Labor Statistics may result in more variable month-to-month changes. For further information, go to: <http://www.bls.gov/sae/cesprocs.htm>

###

The mission of the Florida Department of Economic Opportunity is to promote economic prosperity for all Floridians and businesses through successful workforce, community, and economic development strategies. Please visit [www.floridajobs.org](http://www.floridajobs.org) for more information.

*The next Florida Employment and Unemployment release will be March 18, 2013, at 10:00 A.M.*
