 While in class I asked John to stop using one of our iPads, he then grabbed a pen and ~~stabbed~~ stabbed me in the shoulder with it. He tried to stab me again but I was able to block his arm and disarm him. He then kicked me in the shin several times and threatened to, "beat my ass!" he then began to hit me with a closed fist in the chest and face. I was able to block some of his swings and put him in a chair. Robert Rhodes entered the room and John began to hit him in the chest. John also began to threaten

us and said that he was going to kill all of us. Mike Rinaldi entered the room and attempted to talk to John and John then kicked him twice. After about 5 minutes after he kicked him John began to stop struggling and we let him go. He stayed in the cell and kept threatening us by saying he was going to shoot us if we tried to leave. Deputy Williams entered the room and John screamed profanity at him.
