

# Flagler County School Board

## Statement ~~Denouncing Hate Groups~~

One of our critical responsibilities as elected members of the Flagler County School Board is to ensure a safe learning environment where all students have positive experiences and outcomes. Likewise, we are responsible for ensuring that policies are in place so that school district staff and administrators are provided a safe and positive environment to support them while assisting all students achieve success.

As such, the Flagler County School Board formally ~~denounces~~, **reaffirms**, and will not tolerate intimidating actions, slurs, name calling and/or threats of violence by ~~representatives of Hate or other groups~~ **individuals or community members** toward Flagler County School District students, staff, administrators, or the public, while these individuals engage in school district related business. The School Board does, however, invite and welcome Flagler County residents, students and staff to participate in respectful, civil discourse regarding Flagler County School Board matters.
